

PRINCIPAL'S MESSAGE

From Mr. Gormaz

Dear Edison Families,

Can you believe that we are headed into September already? I want to thank all families for their partnership and collaboration to start this school year. Our students had a really smooth start to the year and are quickly adjusting to the rigors of a new grade level. One of the best ways you can support students from home is by making sure you have signed up for Class Dojo and School Loop.

Class Dojo is used from Kindergarten through Grade 5. It's a great way for you to easily communicate with the classroom teacher and receive class and school news. If you have not already signed up for Class Dojo, please reach out to your child's teacher in order to sign up and not miss out on important communications from school.

School Loop is used for our students and families in Grade 6 through 8. The program gives you access to current grades, their assignments completed and any possible missing assignments in every class. It's a great way for you to motivate and support your Bobcat. In addition to grade information, you will receive class and school information through the system. We want to partner with you, so if you have not already signed up for School Loop you can sign up here: <https://edis-omsd-ca.schoolloop.com/>.

We are excited to partner with you to ensure the success of your child! Should you have any questions, please do not hesitate to contact your child's teacher or the front office. Should you wish to communicate with me you can always email me at Mauricio.gormaz@omsd.net.

PBIS

Positive Behavior Interventions and Supports

This is a tiered system of support that Edison and schools throughout our district use to encourage positive behavior and teach students to demonstrate **Respect, Honesty, Responsibility, and Integrity** every day. Check out our Parent Handbook by scanning the QR code to the right for more information on how we use PBIS at Edison.

LEARNING

Reading is powerful!

Reading together is a special way to build and reinforce a love of literacy and knowledge ... and there are so many benefits!

- ❖ A nightly reading routine is associated with better sleep.
- ❖ Regular reading builds a deep, rich vocabulary.
- ❖ Reading together strengthens bonds and builds healthy habits.
- ❖ Reading inspires curiosity and wonder.

ATTENDANCE

- ❖ Bobcats are healthy and on time
- ❖ Missing just 2 days a month means a child missed 10% of the school year
- ❖ Please call the school if your child is absent 909-984-5618.
