What is Reading Counts?

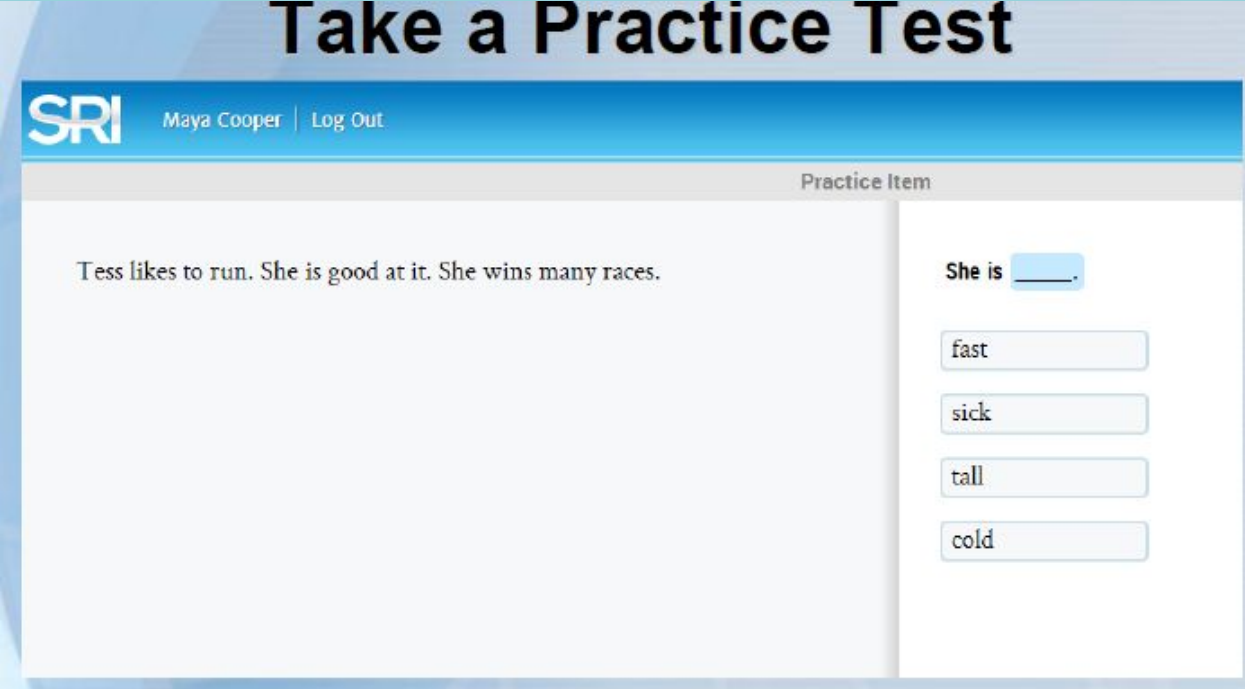

READING COUNTS

- A literature-based **motivation program** designed to get students to read and understand what they have read.
- An independent reading program that motivates students to become avid readers.
- Students read books of their own choice at their ***Lexile Level*** and then take a computerized quiz at school to test for **comprehension**.
- Quizzes will begin as early as Aug. 26th

RI Assessment

- Each student took an Assessment using the Scholastic Reading Inventory (RI).
- First a practice test and then the real assessment.

The screenshot shows a web interface for a practice test. At the top, the title "Take a Practice Test" is displayed in a large, bold, black font. Below the title is a blue header bar containing the "SRI" logo on the left and the text "Maya Cooper | Log Out" on the right. The main content area is titled "Practice Item" and is divided into two columns. The left column contains the text: "Tess likes to run. She is good at it. She wins many races." The right column contains the text: "She is ____." followed by four vertically stacked input boxes, each containing one of the following words: "fast", "sick", "tall", and "cold".

Your Score

- Students' scores are reported as a Lexile number.
 - The Lexile level is the difficulty level at which the student can easily comprehend about **75%** of the text.
 - The child's range should be: **100L below / 50L above** their Lexile measure.

For example, if your Lexile score is 400, your range would be 300-450.

Recommended Reading: Every child will have access to a list.

Congratulations, Maya!
Your test is complete. Your Lexile score is 700.

Here are some great books based on your reading level and interests.

TITLE	AUTHOR	LEXILE
Against All Odds	Franklin W. Dixon	700
Beast Under The Wizard's Bridge, The	Brad Strickland	730
Clue In The Old Album, The	Carolyn Keene	710
Escape From Fear	Gloria Skurzynski	750
Ghost In The Mirror, The	John Bellairs	750
Goddess Boot Camp	Tera Lynn Childs	710

Find the Right Book for You!

- Reading is like the 3 Bears' chairs. . .
 1. **Too Hard** (Papa Bear's) and the student may become frustrated and feel she or he doesn't like reading.
 2. **Too Soft** (Mama Bear's) and the student may become relaxed and bored which can lead to lack of concentration on the text.
 3. **Just Right** (Baby Bear's Chair)
 - Enough familiar text to feel competent
 - Enough surprising vocabulary to stay engaged
 - An increased sense of mastery.

Lexile Scores for Grade Level Performance

The width of the bar varies by the size of the numeric range for the grade level band. For example, Grade 3 has a 100 point range, and is half the width of Grade 2, which has a 200 point range.
