SAFETY

We all have a collective responsibility in helping keep our campuses safe. Please talk with your family and students and emphasize, If they “See Something, Hear Something, Say Something”
Specifically, students need to say something to an adult at school, at home or both.

As always, OMSD takes any threats, hoax, or pranks regarding school safety very seriously. Anyone caught making a threat, hoax, or prank to a school will be dealt with swiftly and to the full extent of the law.

VISITS TO CAMPUS

Berlyn welcomes and encourages visiting our campus. ARRIVAL AND DISMISSAL PROCEDURES

- The driveway on Berlyn Avenue is to remain clear for emergency purposes. During the school day, there will be periods of time where cars may park for a few minutes, however only for brief visits. This is our emergency access lane as well as our bus lane. There will be no entry allowed to the drive through an hour before school dismisses.
- Students may be dropped off in front of the school by Gates 1 or 2 or at Gate 3 on 5th Street. Gates will open for students at 7:30am. We ask that students not arrive prior to that to ensure appropriate supervision.
- Dismissal Locations/Procedures:
 - Vehicles: All car pick-ups will occur in our 5th street parking lot. Please line up by entering the lot from the east end of the campus, making a right turn only into the lot. This will assist in a safe and orderly car waiting line. As you exit the lot, please only make a right hand turn.
 - Busses: Busses will pick up in the front driveway.
 - Walking: Students who are walking home from campus may exit from Gate 2 (if heading north), Gate 1 (if heading south), or Gate 3 (if heading east).
 - TK/Kindergarten Dismissal: All walking or car pick-up will be at Gate 3.
 - All households will be issued a dismissal ID number along with 2 car signs and a backpack tag. This will allow us to utilize a numbered system to help expedite pick-ups. If you are picking up multiple students, please inform the office so that we can issue the same number to all of the students you will be picking up.

Cars will be asked to display their pick up number so staff can identify the car as they enter the driveway lane. If you need additional signs, please contact the office.

- Please use safe driving practices on and around school zones, especially in school parking lots and at drop off and pick up locations.
- Remind walking students to walk to use sidewalks and marked crosswalks.
- Each teacher provides safety education and we hope that our community will join us in encouraging sensible safety precautions in coming to and from school. Children and adults should obey the assigned crossing guards and school personnel.
- Students may walk home or wait in designated areas until picked up by an authorized person. Make arrangements with your child for pick up at a specific gate or area so you know where to locate your child.
- We appreciate your patience and watchfulness as you wait to pick up students since we are safely exiting over 600 students and their safety is our priority.

LEAVING SCHOOL GROUNDS

No child is permitted to leave the school grounds during school hours without permission. Parents/Guardians must sign out a child in the office before the child can be released. Early pick-up is discouraged, in an effort to maximize the instructional opportunities for students. If a child must leave during the day, only a parent or designated person listed on the emergency card can come to check out the child from the school office.

BICYCLES/SKATEBOARDS/SCOOTERS

- Students in the 3rd through 6th grades at Berlyn School may ride their bicycles, skateboards, or scooters to school if they have their parents' permission and if they know and agree to follow bicycle, skateboard, and scooter safety rules.
- Bikes must be locked in the bike racks during school hours and walked to and from school grounds each day. Skateboards and scooters need to be stored safely in the student's classroom.
- All bicycle, skateboard, and scooter riders are required by law to wear a safety helmet while riding on public streets. Shoes with wheels may not be brought or worn to school.
- Berlyn is not responsible for any damage or vandalism to a bicycle, skateboard, or scooter nor is the school liable for a stolen bicycle, skateboard, or scooter. Riding a bicycle, skateboard, or scooter to school is a privilege. Misconduct or safety violations may result in the loss of bicycle, skateboard, or scooter riding privileges.
- For safety, we encourage children waiting for parents after dismissal to be picked up at our campus and not at other locations within the school or community.

FIELD TRIPS

Field trips are an extension of your child's classroom curriculum. Field trip days are considered regular school days and all students are expected to attend school whether or not they are attending the field trip. Appropriate school attire for the field trip is expected. Students are also expected to maintain school behavior standards on all field trips. Chaperones are appreciated on school field trips to assist the teacher with student supervision. All chaperones must be cleared through the Volunteer Application process prior to being authorized to attend a field trip. For this reason, along with school insurance restrictions, chaperones

may not bring young children on any school field trip. To inquire about attending a field trip, please check with your child's teacher for further information.

LOST AND FOUND

Lost and Found items are kept outside of the main office building. Please ask your children to check it frequently in the event they have lost an item of clothing, lunch box, etc. Placing your child's name on personal items is important. During each school break longer than 1 week, items still remaining in the Lost and Found will be donated to charity.

HEALTH AND WELLNESS

OMSD Health & Wellness Policies

- The Ontario-Montclair School District recognizes the link between student health and learning, and has developed a Local Wellness Policy for the district that will promote student health and create a healthy learning environment for students.
- To maximize instructional time and ensure the health and safety of all our students there will be no food items allowed in classrooms other than what is provided by our district.
- Printed meal menus will not be provided to students. The menus are available online and can be emailed to you if you sign up here: <https://omsdnutrition.com/index.php?sid=1401100212041689&page=automenu>
- While parents have a choice in what items to send their child to eat, due to safety risks, snacks and/or meals provided from either home or school are not to be shared.
- In addition, buying or selling of items – food or otherwise, unless part of a school fundraiser – is prohibited.

Personal Hygiene

In accordance with Assembly Bill 10 passed in January 2018, 50% of Berlyn's student restrooms are stocked with feminine hygiene products. Students should use these products appropriately as necessary. They may also visit our Health Office for any concerns or needs.

Medication

- If your child requires medication during the school day, please contact the school nurse or office personnel.
- A letter signed by the parent and physician must be on file in the office.
- All medication must be clearly labeled in a prescription container with the proper dosage listed.
- Please bring in the medication, do not send it with your child.
- Medication will be given only by office personnel; Students may not keep medication in their belongings.

Recess

In conjunction with our Health and Wellness Policies, Berlyn also implements the recently passed Senate Bill 291, regarding Recess Offering Requirements. The Bill states that schools are required to:

- Offer at least 30 minutes of recess per day.
 - Offer at least 15 mins on minimum days (BTSN, Open House, Conferences, Last Day)
 - The 30 minutes of recess does not have to be met in a single session (multiple recess periods totaling 30 mins over the course of the regular instructional day)
 - Bell schedules will note that at least 15 mins of lunch periods will be for recess
- Prohibit the restriction of recess for disciplinary reasons

- ‘Students cannot be denied recess unless their participation presents an immediate physical threat to themselves or other students.’
- If recess is denied to a student presenting an immediate physical threat, all reasonable efforts have to be made by staff to minimize exclusion from recess.

BERLYN CAMPUS SAFETY

In order to be prepared in the event of an emergency we have procedures in place. Please read this information carefully so you understand our procedures and so we can work together as a team to ensure the safety of everyone on the Berlyn campus at all times.

Closed Campus

We are a closed campus; all visitors must sign in and wear a name tag while on our site. At 8:00 am when school begins all gates are locked and the only entrance onto our campus is through the front office.

Drills

There are three specific drills we practice:

- Fire Drills- these are practiced monthly. We manually ring our fire alarm and the entire school evacuates the buildings. Our meeting spot is the south east side of the campus by the MPR.
- Earthquake Drills- we practice these three times annually. We announce this drill over our speaker system. Students are taught to duck and cover and then evacuate the buildings when the shaking has subsided. Our meeting spot is the south east side of the campus by the MPR.
- Lockdown Drills- we practice these two times annually. This is to simulate our procedures in the event it may be necessary to lock down our site for safety reasons.

Emergency Supplies

- We have emergency water and food for all our students as well as blankets and medical supplies.

Emergency Procedures

- In the event of a police or administrator initiated lockdown; campus will remain closed and students/staff will remain indoors with limited communication. Priority will always be student and staff safety. As soon as possible, we will communicate with the Berlyn community.
- We remain in lockdown until we are released by the police department. This may interfere with regular dismissal in which case we will send out a Blackboard Connect call or text message to all families to apprise them of the situation. Please make sure we have a number to reach you and that you listen to all calls from the school. Once the lockdown has been lifted we will proceed with our normal dismissal process.

Evacuation Sites

- In the event that we need to evacuate our campus our primary evacuation location will be the corner of Princeton st. and Berlyn Avenue. Our secondary location is Edison Elementary on 6th Street and Sultana Avenue.

Emergency Contact and Release Form

- The law requires that children not be released to anyone other than their legal parents, guardians or persons stated on their emergency card.

- Emergency cards are required for each child. This form is maintained in the office and must have a current phone number where the parent/guardian can be reached during school hours. It is required that there are two additional adult contacts in the event we cannot reach parents.
- Please be sure this information is kept up to date in our office. Information on the emergency cards will enable the school to proceed efficiently in case of illness, accident, or emergency.
- Photo id may be required in order to release a child to a parent, guardian, or emergency contact.

STUDENT ATTENDANCE

Parents are responsible for ensuring that their child/children attend school regularly in accordance with California law. Education Code Section 48200 states that every person between the ages of 6 and 18 is subjected to compulsory full-time education. Except for medical reasons, ALL students must attend school every day.

Reporting an absence

Parents must report absences either by phone, (909) 986-8995, or by sending a note to the office. Absence notes must include the following information: child's name, teacher's name, date of absence, reason for absence, parent's signature. Doctor's notes are also required in order to excuse a doctor's appointment. All absences must be verified or the absence becomes an unexcused absence or truancy.

Excused Absences

The following are considered excused absences:

- Personal illness (doctor's note is required to verify absence after 10 days)
- Quarantine under the direction of a health officer
- Personal medical, dental, optometrist or chiropractor appointment
- Funeral services for a member of the immediate family (limited to one day if in California, and three days out of state)
- Personal court appearance (child is required for court).
- Observance of a religious holiday or ceremony

Unexcused Absences

All other absences are considered unexcused by the state of California. When proof of any of the above absences reasons is not provided (i.e. doctors note, court appearance document, etc.), or a parent/guardian does not communicate the reason for an absence, the absence will be considered unexcused.

Chronic Absenteeism

Students are considered Chronic Absentee when he or she is absent from school for any reason for 10% of the school days in one school year from the date of enrollment to the current date.

Tardiness

All students are expected to be at school ON TIME EVERY DAY. This means that students are expected to have entered through a campus gate entrance before the arrival bell rings at 8:00. When students/parents arrive late, students are required to check in at the front office to obtain a tardy pass. Repeated tardiness is considered truancy under California law.

Early Pick-up

Although discouraged, in the event a parent must pick up his or her child early from school, the parent or guardian must check in at the office. OMSD policy states that only parents or individuals over 18 years of

age listed on the emergency card may pick up a student. For your child's safety, a photo ID (driver's licence, state issued ID card, etc.) will be required for student check-out.

SART/SARB Process

Students identified as chronically absent and/or tardy will be monitored by our site attendance team. Parents/guardians will receive notifications regarding excessive absences, tardies or early outs. If student attendance becomes a concern, a Site Attendance Review Team (SART) meeting will be scheduled with our attendance team. This meeting is to support the family in improving student attendance. If student attendance continues to be a concern, the family may be referred to the district's School Attendance Review Board (SARB). SARB is a multi-agency team including Children and Family Services, probation, law enforcement, parents/or other community representatives, community-based organizations. This team is charged with identifying barriers and finding solutions to unresolved student attendance and discipline problems.

Attendance Make-up Academy

Students in TK-6th grade may make-up an absence by attending a Saturday Make-Up Academy offered a minimum of 5 times per year. Saturday AMA is from 7:45AM-12:15PM. Students will receive a notice if they qualify for AMA the week prior to the scheduled AMA Saturday. Students who have missed a day of school will be invited to participate in our Attendance Make-Up Academy to make-up or recover their absence. According to District policy, attending one Make-Up Academy session will recover one past absence.

Tardy Make-Up Academy

Students who have tardies are invited to attend the Tardy Make-Up Academy the Monday following an Attendance Make-Up Academy. Students are to arrive to school at 7:15 AM in order to receive credit for attending. Attending one Tardy Academy will allow the student to recover one tardy.

Perfect Attendance

Students qualify for the Perfect Attendance Award each trimester and at the end of the school year if he or she maintains 0 absences, and 0 tardies or early outs for each trimester. Saturday Attendance Make-up Academy can be used to clear absences. Exemplary Attendance Award 1 absence, 1 tardy, 1 early out, Saturday Attendance Make up Academy and Independent study can be used to clear absences. For 6th grade promotion, however, plaques are awarded to students who have 0 absences and 0 tardies since TK or Kindergarten through 6th grade. Attendance Make-up Academy will not apply for the attendance plaque awarded at promotion.

Independent Study

Inquire with the office about independent study for making up an absence.

Sunshine Club / Club Sunshine

Each month students who have been identified as having excessive tardies will be invited to participate in Sunshine Club. Students participating in Sunshine Club will check in daily with the School Family Outreach Assistant to ensure that they have arrived at school on time. Upon arriving on time and checking in, students will earn PBIS points that they can redeem in the Shout Out Store. When students demonstrate their ability to arrive on time consistently 80% of the week, then they will earn a celebration activity and be exited from Sunshine Club.

Attendance Heroes/Héroes de asistencia

Each month students who have been identified as having excessive absences will be invited to participate in Attendance Heroes. Students participating in Attendance Heroes will check in daily with the School Family Outreach Assistant when they arrive at school. Upon arriving and checking in, students will earn PBIS points that they can redeem in the Shout Out Store. When students demonstrate their ability to attend school consistently 80% of the week, then they will earn a celebration activity and be exited from Attendance Heroes.

COMMUNICATION

We have several means to communicate with you in the event of an emergency. As stated, earlier Blackboard Connect phone calls will go to the phone number you have provided us. Our main platform for communication is through the Parent Square Application. This platform will allow for two-way messaging between the home and school, as well as allowing for posts for school events and information. More information will be provided by your child's classroom teacher. We may also post updates on our school website and you can now also follow us on Instagram @berlyn_omsd. Berlyn has expanded communication efforts to email and text messages, so please continue to keep those contacts updated with the front office as well.

Requests to Speak with a Teacher

Berlyn teachers are available to meet with parents throughout the year and we believe that a strong partnership with families will positively impact our students' achievement at school. Please consider the following ways to communicate with your child's teacher:

1. Schedule an appointment by contacting the office or the teacher directly
2. Email the teacher
3. Parent Square app

Please use the above methods to communicate with teachers and they will respond in a reasonable timeframe. We value instructional time and limit the amount of disruptions to classrooms.

*Formal Parent-Teacher Conferences are scheduled in November and March. *

Requests to Speak with an Administrator

Berlyn's site administrators have an open-door policy. We are here to serve you and your child. We want to listen to any concerns or requests you have and will do so, either by phone or in person. However, there are times when we are not always available when a parent requests and at those times, this is the protocol our team follows:

1. An office staff member will speak with the parent to identify the concern or request.
2. Next, the office staff member will check the availability of the administrators. If an administrator is available, she will meet with the parent and determine a plan of action to address their concern.
3. If the administrative team is not available, the parent may be offered the opportunity to speak with an Admin Designee, who will then gather as much information as possible regarding the parent's concern and will communicate with the administrative team.
4. A member of the administrative team will respond by contacting the parent within 24 – 48 hours.

FAMILY REQUEST FOR ASSISTANCE

If your family would like assistance with academic support, emotional needs, behavior concern either at home or at school, counselling services, case management or any other need please complete a Request for Assistance form. <https://forms.gle/Hpgyw1xBzAxS5iCSA>

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (PBIS)

The staff at Berlyn School believes that our main objective is to ensure student safety and achievement. To accomplish this goal, we are committed to providing a safe, secure, and orderly learning environment. We believe that in order for your child to meet the challenges that he/she faces in our society, the development of self-discipline and individual responsibility are essential.

It is important that parents, school staff and students work together to maintain a positive atmosphere. The following behavior expectations have been established for the protection of all students. Students are expected to understand and adhere to these behavior expectations.

PBIS Rewards & Shout Out Store

We invite parents to download the PBIS Application so that you and your child can see the PBIS points that they earn on a daily basis. Students are then invited to “shop” in our PBIS Shout Out Store, using the application to purchase prizes and fun experiences with their PBIS points. Our Shout Out Store is open once per month for student shopping.

Behavior Interventions

Once a behavior occurrence has been identified there are several intervention options a teacher/ administration may implement with a student.

Behavior Interventions	
<ul style="list-style-type: none"> • Reteach Behavior Expectation • Practice Behavior Expectation • Restorative Questions • Restorative Circle • Proximity • Extra Assistance • Non-Verbal Prompt • Self Monitoring • Behavior Contract • No Contact Contract • Remove Obstacles for Student • Social Stories 	<ul style="list-style-type: none"> • Student Success Team Meeting • Social Skills Group • Apology Letter • Counseling Referral • Acknowledgement of emotions • Tangible Recognition • Modify Assignments • Positive Corrective Feedback • Check for Progress • Check in Check Out (CICO) • Redirection • Peer to Peer Support

Behavior Consequences

Once a behavior occurrence has been identified as minor or major, there are several consequence options a teacher may implement with a student. All major behavior consequences will be determined by administration.

Minor Consequences	Major Consequences
<ul style="list-style-type: none"> • Conference with the student • Student completes a reflection on behavior incident • Loss of group or individual privilege • Parent contact • Time out (i.e. buddy class time out)/ Classroom detention • Individualized Instruction within the classroom • Student seat change temporarily or permanently • Have student complete a re-do (i.e. re-do the assignment) • Other: Teacher determines a different consequence not identified and documents it in the notes section of the SWIS referral. 	<ul style="list-style-type: none"> • Conference with student • Parent contact • Student completes a reflection • Time in Office • Alternative Placement • Time out/Detention • In-School Suspension • Loss of group or individual privilege • Additional Attendance/Saturday School • Individualized Instruction • Bus Suspension • Restitution/Community Service • Community Service • Out of school suspension • Expulsion • Other: Administration determines a different consequence not identified and documents it in the notes section of the SWIS referral.

Problem Solving Steps

Most problems can be solved at the student level if every student follows the problem-solving steps correctly. Parents, you can help your child learn to become more independent in his/her own problem solving by

discussing these steps at home and making it your problem-solving technique as well. Open communication with your child's teacher is helpful as well.

- If someone is bothering you, ask them to stop the behavior. Be specific in your request.
- When a student asks another student to stop doing something that is irritating, the other student should stop.
- If the problem continues, you have options:
 - Walk away
 - Play somewhere else
 - Report problem to a proctor or duty teacher
 - Report problem to your teacher
- Adults can help you solve problems if you are unable to solve them yourself, but you must report it so they know what is going on. You must also be willing to take responsibility for your part in the problem in order to help fix it.

DIGITAL CITIZENSHIP

Each student at Berlyn signs an Acceptable Use Policy (AUP) that details the expectations for the use of technology at Berlyn. It's just as important to treat people with courtesy and respect online as it is in real life and to use the technology available at Berlyn to enhance learning. The policy is as follows:

Acceptable Use:

- I will always be polite, exhibiting proper and respectful behavior
- If I see something that is offensive or inappropriate, I will tell my teacher or other staff member

Unacceptable Use:

- I will not use the district's computer systems for anything illegal

BULLYING PREVENTION AND ANTI-BULLYING POLICY

Berlyn students are provided with information on how to avoid becoming a bully or a victim of bullying. It is the responsibility of every student to:

- Treat others as you want to be treated.

- Not support, accept or ignore the actions of bullies.
- Break the “code of silence” and report bullying to an adult.

The Ontario-Montclair School District takes all bullying (actual or perceived) accusations very seriously.

The Ontario-Montclair School District prohibits discrimination, harassment, intimidation, and bullying based on the actual or perceived characteristics of a person’s disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. This policy applies to all acts related to school activities on campus and may include acts occurring off campus during non-school hours.

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, known as cyber-bullying, and including one or more acts committed by a pupil or group of pupils directed toward one or more pupils that has, or can be reasonably predicted to have, the effect of causing a reasonable pupil to experience a substantially detrimental effect on the pupil’s physical or mental health, academic performance, or ability to participate in school activities.

Please report any incidents of bullying to school administration immediately.

ACADEMIC PROGRAM, SUPPORTS AND RESOURCES

Berlyn Elementary School offers an academically rich program for TK-6th graders utilizing technology as an avenue for learning. We focus on technology skills, positive behavior and higher-level thinking strategies to ensure students are engaged in learning to move forward towards college and career.

Enrichment Programs

Instrumental Music

OMSD offers an instrumental music program to third and fourth graders. A song flute program is taught weekly for 10 weeks. Additionally 4th-5th grade students may take weekly lessons with an instrument of choice.

Accelerated Reading (AR)

Accelerated Reading (AR) is a district wide reading program which assesses students’ comprehension of leveled reading books. Students may take reading tests on the computer in the classroom as permitted by the teacher. Students may be eligible for AR rewards based on their attainment of trimester goals.

Academic Interventions

I-Ready

I-Ready is a computer-based program, which includes diagnostic assessment and instructional lessons in English Language Arts and Mathematics. Students are administered the I-Ready Diagnostic Assessment three times during the school year. Each student’s learning path is then created, based upon their performance. Their learning path includes targeted and specific intervention lessons for each student, based upon their identified instructional needs.

What I Need (WIN) Time / Intervención intensiva “WIN”

Our school provides specific and targeted interventions to students to support their proficiencies in English Language Arts and Mathematics. There is allotted time included into the daily instructional schedule for instruction and interventions designed to give each student specifically what they need in regards to ELA

and math. The school has developed a tiered intervention program, which allows for intervention to take place in the form of small group and individual instruction within the classroom, as well as in the intervention classroom. Students also engage in I-Ready instruction, which provides targeted lessons that have been selected and designed for the specific areas of need for each student. Students who have been identified to receive more intensive intervention, receive instruction in a smaller group setting from the Intervention Teacher and instructional assistants in the intervention classroom.

Student Success Team (SST)

Berlyn Elementary implements the SST process to support students with academic, behavioral, social and emotional needs. When students struggle to respond to universal support and instruction, the student is recommended to the Student Success Team (SST) and the SST process is initiated. The SST consists of the parent/caregiver, teacher, Outreach Consultant, School Administrator and can include other school personnel and service providers, as determined relevant. The team then meets to review student progress, review information relevant to the child and early childhood milestones, discusses strengths and concerns, and proposes interventions and goals to support the student. The team then reconvenes 6-10 weeks to monitor progress and determine next steps.

AFTERSCHOOL PROGRAMS AND ENRICHMENT ACTIVITIES (ELOP)

Expanded Learning Opportunity Program (ELOP) is a program where students can participate in before/after school clubs/sports to gain educational and social skills. These activities are led by OMSD teachers and staff or outside vendors/companies. Students can participate in as many activities as they would like on a first come, first serve basis with parent permission. Students will be offered supper if clubs/sports are held after school. All school sites in OMSD offer ELOP as part of engaging and enriching OMSD student's lives. For more information, please contact the program coordinator, Mrs. Cary at (909) 957-7600.

2025-2026 Expanded Learning Schedule:

Session #1: August 25-October 3, 2025

Session #2: October 13-December 12, 2025- NO CLUBS/SPORTS: Conference Week: November 17-21, 2025

Session #3: January 12-March 6, 2026

Extra-curricular enrichment opportunities for students are provided throughout the school year. STUDENT PAW PRIDE AWARDS

Throughout the year the following awards are earned by students at Berlyn. Parents are invited to view our Paw Pride assemblies to help us recognize these outstanding students.

Monthly Awards

Each teacher in grades TK-6 will recognize students for Citizenship and Academic Achievement. See descriptions below.

Citizenship

The citizenship award is designed to recognize those students who demonstrate exemplary behavior, showing that they are safe, respectful and responsible citizens of our Berlyn community. Students may receive this recognition for consistently meeting our behavior expectations and conducting themselves appropriately at school.

Academic Achievement

The academic achievement award is designed to recognize those students who take their school work seriously and always strive to do their best. They are showing academic excellence in any or all subject areas or making excellent growth.

FAMILY/COMMUNITY OPPORTUNITIES AND PARTICIPATION

Berlyn encourages family involvement and engagement. Scheduled classroom visits and volunteer helpers in the classroom are encouraged. For the protection of all children and the continuity of teaching, all visitors must stop in the office before going anywhere on campus. The office will provide a sticker for all parents to wear while on campus. Teachers will not be able to discuss any matters relating to your own child during classroom instruction time. If you wish to speak to the teacher in this regard, please make an appointment for a conference.

Ontario Montclair District policy requires that each school site verifies that appropriate clearance processes have been performed before an individual can begin his/her volunteer service for the school district. Every volunteer, including field trip chaperones must complete a Volunteer Application and submit it to the school site annually. Completed applications must be filed by schools with identification information. Part of the application process requires attending a volunteer orientation meeting, which are held monthly. All volunteers are verified with Megan's Law website that any volunteer is not a registered sex offender. Volunteer Applications are available in Berlyn's school office.

Guidelines for Volunteers and Visitors

- Complete and submit a volunteer application each school year.
- Attend a volunteer orientation each school year.
- Abide by the behavior expectations of Berlyn and work cooperatively with the staff.
- Be patient.
- Remember that your interest, support and enthusiasm may be the single most important part of campus improvements.

SCHOOL-PARENT COMPACT

Berlyn Elementary distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities

The Berlyn Parent Compact is reviewed and revised annually at School Site Council meetings

Berlyn Parent Compact for Achievement

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate.

Jointly Developed

The parents and staff of Berlyn Elementary meet throughout the school year to discuss student learning needs based on grade level data. Our Berlyn Parent Compact for Achievement is revised based on these discussions. Teachers suggest strategies parents can use at home and parents add ideas and identify ways we can support them.

We invite parents to call, text, email or submit in writing comments and suggestions and we welcome volunteers. Please check with your classroom teacher or in our front office for details.

- Providing parent-teacher conferences for all parents
- Providing information to parents through Coffee with the Principal meetings and information in school newsletter and website.

The school provides Title I parents with materials and training to help them work with their children to improve their children's achievement.

- Providing parent-teacher conferences for all parents of students performing below expectations; and providing instructional resources that would assist parents in working with their children and understanding educational topics.

With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and on how to work with parents as equal partners.

- Professional Development
- Articles, newsletters
- Resource materials and brochures

The school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.
