## State Testing—CAASPP Coming This Month

Students in grades 3-6 take the California Assessment of Student Performance and Progress (CAASPP) each year. This assessment is given on the computer and measures proficiency in language arts and math as well as science for 5th grade students. We ask your cooperation in assuring that your children arrive to school on time, as testing begins promptly in the morning. Please avoid making medical or dental appointments during testing days so students do not miss the opportunity to take the tests with their class. In order for students to be ready for the test and do their best in school, please ensure you and your child follow these guidelines:

- \* Students should sleep 8-10 hours every night so they are well rested and alert.
- \* Students should eat a nutritious breakfast every morning (be at school before 7:40am for breakfast).
- \* Students should have a positive attitude about testing. This is a chance for students to demonstrate what they have learned.
- \* Assist your child with homework and ensure that your child is completing assignments.
- \* Promote the importance of good study habits, thinking skills and a positive attitude towards learning and school.
- \* Ensure that your child has good attendance at school.
- \* Stay in communication with your child's teacher.
- \* Encourage your child to read as much as possible, and to increase vocabulary.
- \* Remind your child learn to follow directions carefully, including multiple step directions.

## Open House

It is the time of year to have Open House and highlight this year's learning. The book fair will be open during Open House so you can purchase books for your children to read over the summer. We hope your family is able to attend so you can see all the work your children have completed this year. The Book Fair (Room 51) and the sale of food/drink items will begin at 4:00 pm. Classrooms will be open for visitations from 5:30-6:30 pm. Book Fair Week runs from Monday, April 8th to Friday, April 12th.
