## Welcome Back To School

The entire Corona staff would like to extend a warm welcome to all of our returning and new families. As the 2019-2020 school year begins, we are eager to continue our work with the entire school community to guarantee that every student at Corona Elementary receives a high quality education. We truly appreciate the ongoing partnership between parents, faculty, and staff that has made Corona an extraordinary learning community.

Corona Elementary is an AVID school, and therefore places a major emphasis on the fact that all of our students are college bound. This year we will continue our commitment to enhance our college bound atmosphere school-wide. All classrooms have adopted and will learn about a college or university. In keeping with the spirit of our college bound atmosphere, all students and staff are encouraged to wear college themed shirts every Monday throughout the school year. Students in grades 2-6 will be receiving a binder and pencil pouch with basic school supplies and students in grades TK-1 will have folders to organize their papers. Teachers will be reviewing strategies for students to use to organize their work and time as organizational skills are needed for college and career success. You can support your child in learning to be organized by maintaining an organized space at home for studying, reading, and completing homework. Students in grades 2-6 will also bring home an agenda that lists homework assignments and weekly goals. We ask that parents check this agenda daily and initial at the bottom that they have checked completion of assignments.

Your partnership is essential to the success of our Corona students, so we ask your assistance with several matters. Please ensure that your child always wears a uniform. Wearing our Corona uniform shows a sense of pride and commitment to being a serious scholar. Students are strongly encouraged to wear a college themed shirt on Mondays and a Corona themed shirt on Fridays. We are also requesting your assistance in getting students to arrive to school every day by 7:55 a.m. Regular, on time attendance is essential to strong academic achievement. This year we are implementing the *Strive for Less Than Five* attendance campaign, asking Corona families to be aware of the importance of attendance and committing to students missing **less than 5 days** of school. We thank you in advance for your continued support with all that we do here at Corona. We look forward to a productive year of learning for all!

### A NOTE ABOUT SAFETY:

- The driveway area is for loading and unloading students only.
- Vehicles must not be left unattended so busses and traffic can keep moving.
- Pull your vehicle all the way forward to allow as many cars as possible to pull in off the street.
- Students should enter or exit the vehicle once it is stopped next to the red curb.
- Always use vehicle turn signals to let other drivers and pedestrians know your intentions.
- If walking your child to or from school, use the sidewalk areas and the crosswalk only.
- Update your contact information to ensure quick communication in case of emergencies.
