TK—12:00pm
Gr. K-6—12:15pm

Summer Learning

As the school year is quickly coming to an end, families look forward to summer. There are many ways to involve your child in fun learning activities during the summer to keep their minds and bodies active:

- ◆ Join a summer reading program at your local library. The Ovitt Family Community Library offers story-time, family events, and ongoing children's programs throughout the summer <https://www.ontarioca.gov/library>
- ◆ Visit websites which offer games and activities to practice skills such as
<http://www.zearn.org>
<http://www.lexiacore5.com>
<http://www.typing.com>
<http://www.studyisland.com>
<http://www.khanacademy.org>
- ◆ Write about your summer adventures in a writing journal
- ◆ Spend an afternoon reading with the family and talking about what you read
- ◆ Activities such as cooking, shopping, arts and crafts, and playing games
- ◆ Outdoor activities—picnic, hike, swim, ride bikes, roller skate, visit a park
- ◆ Take a fun class in arts and crafts, dance and exercise, computer and robotics, playing a musical instrument, sports, or aquatics through the City of Ontario <https://www.ontarioca.gov/recreation>
- ◆ Visit a local museum—Ontario Museum of History and Art or the Chaffey Community Museum of Art
- ◆ Attend a Summer Series Event at the Ontario Town Square. These include movies on Fridays from 7-10pm and concerts on Wednesdays from 5-9pm <http://www.ontariotownsquare.org/events/>

With so many choices, children will be engaged throughout the summer.

May Edition
