Elementary Administrator - Mr. Roberto Garcia

Corona + ClassDojo = Connectedness

Hello Parents!

This year Corona is using ClassDojo to encourage important skills, like working hard and participating. It's an excellent tool to promote our school's PBIS expectations. We're also using it to communicate with you: we can instantly share messages, updates and photos from class. It's the easiest way for you to see how your child is doing at school and to get in touch with us.

We'd like all families to join us and sign up for ClassDojo! You can use it on any device: it is a simple free mobile app for iOS and Android, and can also be used from a computer at: www.classdojo.com. You can also see Class Story (all of your classroom photos and announcements) in your preferred language instantly.

If you have not done so already, register to receive communications from Corona and your child's teacher. Ask your child's teacher for your ClassDojo class code to connect today.

ClassDojo

Parent Conferences Week—November 18-22

Parent Conferences Week is coming soon. Students in grades K-6 will be dismissed at 12:45 pm every day during that week. The preschool and TK schedules will remain the same. Teachers will send home notices to schedule your parent conference appointment. These meetings are an important part of maintaining a home-school partnership in which staff and families work together on the common goal

of improving achievement for all students. At this conference, your child's teacher will:

- * Review your child's report card for the first trimester of this year along with assessment results from RI, Reading Counts, District Benchmarks, and State Testing.
- * Provide information on your child's specific strengths and areas in need of growth, along with suggestions for you to help your child at home.
- * Answer any questions you may have regarding classroom policies and procedures, homework, classroom assignments and/or projects, and expectations.
- * Give you an opportunity to share information about your child that will help the teacher to better address his/her educational needs.

As a parent, you are your child's first and most important teacher. Let's work together to help your child reach his/her potential.

Corona Eagles SOAR to Excellence: Spotlight on Organization

- Have all belongings ready to arrive to school on time each day.
- Label personal items with your name.
- Carry all belongings in an appropriate container.
- Place all trash in the proper receptacles.
- Walk in a straight and quiet line with no gaps when walking with your class.
- Take notes of lessons and organize your work in your AVID notebook or folder.
