of differentiated learning

December
2024

Dear Edison Families,

I hope the winter break brings you close to your family, friends and loved ones. During this special time of year, let us take a moment to reflect on our achievements as a united community. Your partnership with us does not go unnoticed, and it fills me with pride to be part of such an inspiring school community. Each one of you plays an important role in making our school a nurturing and supportive place where our kids have the comfort and safety to be their best selves.

I hope this new year finds you with renewed energy to engage fully in doing our best for our families, our community and to one another. I hope you are able to take some time to relax, reflect, and to re-connect to friends and family during the holiday season. Wishing you all a very Merry Christmas filled with joy, love, and peace.

Respectfully,

Mr. Gormaz
