

Principal's Message

Mr. Gormaz

Hi! My name is Jennifer Thomas and I'm the intervention teacher here. I've been teaching over 20 years and have been at Edison since 2004. I work with a wonderful team of people in Room 1: Ms. Ganda, Miss Lugo, Miss Landgrave, Mrs. Barajas and Mrs. Buenrostro. We have the pleasure of working with students in grades TK-5 in the areas of: phonics and decoding skills, reading comprehension, fluency and vocabulary. I enjoy supporting the students and staff with our new Accelerated Reader program. We are excited to celebrate all of the students who made their 2nd trimester AR goal during the week of March 11-15.

I am also the Multilingual Coordinator so I work closely with Mrs. Buenrostro to support the needs of our English Learners. Our team conducts the ELPAC testing to assess English proficiency. We are currently doing the Summative testing and will continue until the end of this school year. Summative results are typically available in August.

I absolutely LOVE working at Edison and it has been a pleasure getting to know the amazing families in our Edison community.
