

## Principal's Message

Mr. Gormaz

Dear Edison Families,

It is hard to believe that the end of the academic year is quickly approaching. While students will continue to be engaged in their state exams through May, this month represents many meaningful opportunities to reflect back on the school year and to celebrate our students, our school and our community. Our staff looks forward to celebrating our students together in a variety of meaningful ways.

Please refer to our May Newsletter for the many events that will be taking place this month. The most important celebrations will be our promotion celebrations in Kindergarten, 6th and 8th Grade. Each of these promotion celebrations are rites of passage for our students as each group marks a meaningful stage in their academic journey. We are honored to have a part in the growth and development of each of our students and your families and it is during these events that we collectively take a moment to celebrate our students, our families and our school. Please look for promotion notices that will be sent to you at the start of May so you and your families can plan to celebrate with us.

We look forward to a wonderful end to this school year and look forward to celebrating our students together!

Respectfully,  
Mr. Gormaz

## Promotion Guidelines

Any siblings that attend Edison of students who are promoting will NOT be able to be pulled from class to attend promotion ceremonies. If your Edison student sibling is checked-out early or absent they must stay home. Please do not bring balloons, horns, or noise makers of any kind. If seen or heard these items will be confiscated and held until the end of the ceremony for parents to take home. Thank you for your cooperation.

First Day of School  
for the 2024-2025  
School Year

August 7th, 2024
