

## Principal's Message

Mr. Gormaz

Dear Edison Families,

We are incredibly thankful this time of year for our students and the community we serve. This month will be a unique opportunity as we have our parents and teachers conference around how best to support our students, celebrate their successes and continue to encourage them to be the best they can be!

Conferences will be scheduled during the week of November 13, 2023. It is our expectation to have 100% of families attend their school conference and provide our teachers with the opportunity to provide feedback on the progress of your child. To enable your participation, we will provide the opportunity for families to attend in person and for those families who prefer the flexibility of a virtual conference, we will provide a virtual option as well. We value your partnership with you and look forward to seeing you during conference week!

Our Thanksgiving Break is an opportunity to reflect on the many blessings we have as a school and a community. The entire Edison team feels grateful to be part of our community and working with your children. Being a part of your child's education is a blessing and for as in many ways Edison is our second family. Our staff welcomes the Thanksgiving Break as an opportunity to spend time with our own families at home and to reflect on our blessings here at Edison and at home. We hope you enjoy the break with your friends and loved ones as well.

We look forward to a special and memorable November here at Edison and welcome your partnership in the education and support of our students during Parent Conference Week.

Respectfully,

Mr. Gormaz

## PBIS

### Positive Behavior Intervention Supports (PBIS)

Spruce up a conversation of how your Bobcat Perseveres through the day at school. Perseverance is one of our school expectations. We are teaching our students to keep going even if it is tough. How are they persevering at home?

## LEARNING

In preparation of our upcoming Spelling Bee, classroom teachers will be giving spelling tests on the grade level words on Friday, November 3. Any students who get 100% will participate in a grade level spell off on Tuesday, November 7 to find our grade level representatives. Each grade level winner will take part in our school-wide Spelling Bee in December.

## ATTENDANCE

11/5/23 is daylight savings. The time changes we gain an hour, make sure to adjust your clocks and alarms accordingly. So this does not affect your attendance.
