

Edison Academy

of differentiated learning

November
2024

Dear Edison Families,

Edison continues to rely on an incredible partnership with our families and our community stakeholders. We value your input and are always looking for ways to meet our student and community needs. As part of our ongoing efforts to refine our instructional program, we regularly solicit your input. A key survey we have used in the past is our annual Community Survey. Last year we had just over 600 surveys completed which was most in our district! We are again soliciting your input with a goal of having 550 responses this year. If you haven't already taken the survey, we hope you take a few moments and provide your input. Here is the link:

<https://my.thoughtexchange.com/scroll/392135352/welcome>

In response to last years' survey and a more detailed survey we conducted at the start of this school year, we are excited to announce that we have hired Ms. Jasmine Padilla, a former Edison alumni, and our new Visual and Performing Arts (VAPA) support provider. Mrs. Padilla will work directly with teacher teams to provide enrichment opportunities for all students in the areas of visual and performing arts. You can view the monthly VAPA calendar that will be included in our Sunday weekend messages to view more detailed information of focus areas each month. She will also be hosting a variety of after school VAPA related clubs. We are very excited to have Ms. Padilla join our staff and are looking forward to our students having the opportunity to explore their artistic side!

We continue to be excited about continuing to build on the historical success that has made Edison a special place for students. This cannot be done without your support, input and partnership. During this month of Thanksgiving, I am very thankful to be your principal and on behalf of the entire staff, thank you for the opportunity to be a part of your extended "village." Should you have any questions, please do not hesitate in contacting me directly at mauricio.gormaz@omsd.net.

Respectfully,
Mr. Gormaz

Community Survey

Let's see Mr. Gormaz and Mrs. Peterson pucker up for a Pig!

Scan Here to help us reach our goal!

We only need 146 more completed Surveys to reach our Goal of 550

Visual Arts and Performing Arts (VAPA)
