

## Principal's Message

From Mr. Gormaz

Dear Edison Families,

November presents a special opportunity for families, our staff and community to come together to celebrate and support our students. Everything we do is with our students' best interest and well-being in mind and we are looking forward to your participation during Parent Conferences and our November recess.

Your child's teacher will be in contact with you to schedule your conference this year, Conferences will be scheduled during the week of November 14, 2022. It is our expectation to have 100% of families attend their school conference and provide our teachers with the opportunity to provide feedback on the progress of your child. To enable your participation, we will provide the opportunity for families to attend in person and for those families who prefer the flexibility of a virtual conference, we will provide a virtual option as well. We value our partnership with you and look forward to seeing you during conference week!

Our Thanksgiving Break is an opportunity to reflect on the many blessings we have as a school and a community. The Edison staff and I are truly grateful for the opportunity to work with you, your children and your families. Having a part in your child's education is a blessing and, in many ways, our second family. Our staff welcomes the Thanksgiving recess as an opportunity to enjoy our own family at home and to reflect on our gratitude to serve our second family right here at Edison. We hope you enjoy the break with your friends and loved ones.

We look forward to a special and memorable November here at Edison and welcome your partnership in the education and support of our students.

Respectfully,

Mr. Gormaz

## PBIS

### Positive Behavior Interventions and Supports

Spin It! & The Bobcat Shop

Every other Friday, students have the opportunity to purchase raffle tickets with their PBIS Rewards points for Spin IT!

Once per month, students are able to purchase items with their points from the Bobcat Shop. Items include bracelets, pencils, erasers, puzzles, stickers, slap bracelets, board games, drawstring bags, gift cards, etc. If you are interested in donating items for Spin It! or our school-wide Bobcat Shop, please contact Ms. Espinoza, Student Mentor at [victoria.espinoza@omsd.net](mailto:victoria.espinoza@omsd.net)

## LEARNING

Talking with your child about their day creates healthy communication habits that can last a lifetime. Edison is looking forward to talking with you at conferences this month!
