

Principal's Message

From Mr. Gormaz

Dear Edison Families,

The recent transition of Mrs. Swanson to Vista Grande Elementary School means we will not be hiring an assistant principal this year. I am very confident in our capacity to continue to provide exemplary administrative support to our staff, our community and our students. On occasion, I will be asking both Mrs. Meyer and Mrs. Peterson to serve as our administrative designees. They are both former teachers and have the administrative authorization to serve in this capacity. Please take a moment to read their introductions below:

Hello, Edison Families my name is Brandee Meyer and I have been a Bobcat for the past 16 years here at Edison. I began as a classroom teacher where I had the opportunity to teach 1st and 3rd grade. I then stepped into the role of Intervention teacher. I am currently the ORC (Outreach Consultant) here at Edison and my focus on helping students has broadened into helping families and supporting teachers. I am proud to be an Edison Bobcat and I love the work I do.

Hello, Edison Families! I am Renee Peterson. This is my third year at Edison but my 28th in the district. I have taught 1st - 6th grades and, for the past five years, have been supporting teaching and learning as an Instructional Coach. I love working with the students and teachers here at Edison and look forward to connecting with you.

I am very confident and excited in the support roles of our two teachers on assignment this year and we look forward to working with you this year. Should you have any questions, please do not hesitate to contact me.

Respectfully,

Mr. Gormaz

PBIS

Positive Behavior Interventions and Supports

Unity is one of our new expectations. We are working on ways to show Unity with our students. Having unity at school will allow students to feel connected to one another and safe on campus. Showing unity to others looks like including others, encouraging others and accepting others differences. Ask your students how they are showing unity at school.

LEARNING

We are so excited to have Accelerated Reader this year! All students have taken the STAR Reading test to determine their ZPD (Zone of Proximal Development). ZPD identifies books at the right level to provide appropriate reading challenge without frustration. You can go onto arbookfind.com to find books within their ZPD. After students read a book, they can take a quiz on the book at school. When students pass quizzes, they earn points towards their reading goal. One way to help your child meet their goal, is by making sure they are reading nightly within their ZPD.

ATTENDANCE

Help your child succeed with their education. Make sure they are in school every day on time. Make up an absence on:

- 10/28- SMUA 8am-12:15pm
