

Principal's Message

From Our Assistant Principal Mrs. Swanson

Greetings Edison Families,

I am honored to be able to share this monthly message with you at such a special time of year. The Holiday season is upon us! This is the time of year that we are keenly aware of those who are most important in our lives. We begin to reflect on the year that has passed, and to look with hope into the new year ahead.

Our Edison family can also reflect on the wonderful start we've had to the 2022-2023 school year. We are back together as a community, and we have shown a ton of school spirit! We've had a host of dress-up days, have generously contributed to our community by donating socks for SOCKtober, and hosted a can goods, and a toy drive. Not to mention a super fun October Trunk-or-Treat event! Our PFO is doing an amazing job and has planned so many wonderful events this year. This month families can participate in "Stars Night" and a "Holiday Craft Night." Be sure to keep an eye out for more information.

I would hope that with our new found freedom to get back to the hustle and bustle of the season, that we take positive lessons from the past few years, and make time to slow down, be present, enjoy our families and each other.

Happy Holidays Everyone,

Mrs. Swanson

Assistant Principal - Edison Academy

PBIS

Positive Behavior Interventions and Supports

Remind your student to be Honest, Responsible, Respectful and show Integrity to earn PBIS points, so they can participate in our Spin It days by using their PBIS points

Spin it Days:

12/9/22 12/22/22

LEARNING

Family game nights are a fun way to build valuable skills while solidifying important bonds. Playing games can become a special tradition that teaches fundamentals such as patience and turn-taking while also building skills like strategy and probability.

ATTENDANCE

- Help your student and their class earn a class reward for filling up their **Be On Time** chart by making sure your student is at school on time. Every minute matters and it starts with you.
- Attendance Make-Up Academy is a great way to make up an absence, **Attendance Make-Up Academy days:**

12/3/22

12/10/22.
