Message from the Principal

Dear Kingsley Families,

Our Kingsley community has done it again! In early September we received communication that we have again earned a Platinum PBIS award! This special, and highest-level recognition, is a reflection of our commitment and dedication to our students.

Students attending every day and on time is important. When students are tardy just five minutes each day, those minutes add up. Over the course of a week that makes twenty-five minutes of lost instruction and 100 lost minutes during a twenty-day school month. Our Kingsley Attendance Committee has incentives planned, and we look forward to recognizing our perfect attendance students for August and September at our assemblies this month. We appreciate our families getting our kids to school on time each and every day. As a reminder, breakfast is served from 7:15-7:35, and our back gate is open from 7:30-7:45 to help ease the traffic in our front traffic circle.

Two ways parents can help support our students at home is by encouraging reading and supporting with iReady lesson completion. Our expectation for students is that they complete two lessons every week in both reading and math and read at least twenty minutes every night in a book at their level. We know our students are excited to earn special prizes and incentives that we have planned as they meet these goals AND show growth on our future iReady diagnostic tests.

This month we will celebrate some of our lions at our first honor assemblies of the year. Parents of students who will be receiving these special awards have received invitation letters from their child's teacher. While our families are welcome to attend our assemblies in person, we will also have a Zoom option. The Zoom link for all assemblies is here

As always, we are thankful for the support and partnership we receive from our amazing Kingsley families. Together, we make Kingsley a great place for our kids.

Sincerely,
Mrs. Troesh

Kingsley's Conservatory of Music

Welcome, Ms. Lee, our new Music Teacher! Thank you for supporting students who are just beginning to learn their instruments. It can be tempting for student to quit their instruments when they are just learning. Thank you for encouraging them to practice, practice, practice. Things worth doing well take time and energy, and they will be glad they stuck with it. Learning an instrument teaches discipline and perseverance. Our annual Winter Concert will be on Thursday, December 18th with both a morning and afternoon show.
