Dear Parents,

I cannot believe we are starting the third month, October, online! We miss seeing your children's faces in person, but also recognize how difficult this has been for you and your children. Our teachers have received hours of training for online academic instruction and engagement. We are proud of their lesson plans and their ability to simulate (as much as possible) a classroom experience for your students through Zoom. We are remaining connected as a school community through our video announcements and spirit activities. We hope you encourage your child to participate and remain connected to their Lehigh community. We miss you all and are working hard to ensure safety measures are adhered to for when we return to in person instruction.

## Goal Setting!

**I have asked every student to set a personal goal and work toward. Many of our second- sixth grade students set goals based on their reading scores. The next reading test (SRI) will be given on October 22<sup>nd</sup> and October 23<sup>rd</sup>. Please ask your child what their goal is. In addition, I encourage you to ask your child what they are doing to achieve their goals. Finally, remind them that Lehigh has incentives, such as certificates and prizes to give them when they achieve their goal. I am excited to see how many of our Lehigh Lions reach the goal they set to achieve. This is about each student reaching his or her personal best. We are always working hard to move forward and be our best!**

## Good News!

October is Kindness Month and Red Ribbon Month. We will be planning fun spirit activities to promote kindness and Red Ribbon Week. Please send your teachers a picture when you participate in our spirit days! We love to see our Lehigh Lions!
