

# DRAGON GAZETTE

March 2025

## Principal's Message

### Dear Sultana families:

As we approach our long-awaited spring break, I want to take a moment to thank you for all your continued support in your children's education. We'd like to remind you of our upcoming parent conferences, which will be an excellent opportunity to discuss your children's progress, strengths, and areas for growth.

Additionally, we are pleased to announce that registration for next year is now open. We encourage all families to register new students online beginning March 3rd. Re-registration will open on March 11th for those continuing into the new school year.

Ms. Melgoza, Principal
