Thank you for working collaboratively with our team at Vernon to ensure the success of your child. We appreciate your partnership during our school year. Please read below for important details regarding **Virtual Parent/Teacher/Student Conferences**. **Please contact teachers via School Loop to request a conference date/time. Your child’s teacher will provide you with a Zoom link as we will not hold in-person conferences.** If you are not registered on School Loop, see details below. You are encouraged to communicate with teachers throughout the school year to ensure student success.

Students who are in danger of failing- D’s or F’s on Progress Reports- Please reach out to your child’s teacher/s via School Loop to schedule a conference date/time for any class period that your student is in danger of failing.

Students who have C’s or above - Conferences will NOT be required for students who have C’s and above. However, if you would like to have a conference with your child’s teacher you can email them through School Loop and they will work to schedule a date and time for you to meet.

All students will be released at 12:45 on Monday, Wednesday, Thursday and Friday, and at 12:32 on Tuesday.
