School Site Council Meeting Minutes

Meeting Date: Wednesday, February 28, 2024

Scheduled Start Time: 3:00 p.m.

Scheduled End Time: 4:00 p.m.

Location: Room 5

Public Comment Instructions:

By 2:00 PM, the day of the meeting on February 28, 2024, email Mauricio Gormaz, Principal at (mauricio.gormaz@omsd.net) the comments to be read at the committee meeting. All public comments should begin by listing the following information: (Subject Line) SSC Comment, (Body of Email) Your name and item on the agenda you wish to address.

All staff, parents, and members of the public are invited to attend this meeting.

I. Call the Meeting to Order

The meeting was called to order at 3:05 p.m.

II. Roll Call of Voting Members

Roll call of voting members and quorum was established.

III. Changes or Additions to Agenda

No changes or additions were made to the Agenda.

IV. Public Comment on Agenda Items

There were no public comments on Agenda items.

V. Reading, Revision, and Approval of Minutes from last SSC Meeting

Council read minutes from September 13, 2023 meeting. No revisions were made. Motion to approve by Mr. Williams, seconded by Mrs. Tamayo and unanimously approved.

VI. Reports from Officers, Committees, and/or Representatives

No reports were made.

VII. Unfinished Business

There was no unfinished business.

VIII. New Business

Agenda Item #1 | Action: Approval of SSC Bylaws

Bylaws were reviewed and discussed during the September 13, 2023 meeting. No revisions were suggested by council members and were approved unanimously after motions by Mr. Williams and Mrs. Tamayo.

Agenda Item #2 | Discussion: Parent Input on Food/Candy Distribution for special occasions

Mr. Gormaz shared the parent and community survey results regarding food and candy distribution for special occasions. The council reviewed the results of the survey and processed the comments made on the survey. The results were also shared with the site Leadership Team and a policy was jointly developed to provide clarity. Mrs. Tamayo asked about the narrow scope of the Valentine's Day policy and suggested also developing a similar clear policy for non-special occasions (like student birthdays) that would provide parents and families clear guidelines. Parents shared this new policy was clear and would be helpful in communicating the clear policy for future Valentine's Day.

Next Meeting: Wednesday, April 17, 2024 at 3:00 p.m.

The new policy will be memorialized in writing and ensure students can celebrate Valentine's Day in a safe and productive manner, while giving parents the option to opt out. The new policy is also in line with OMSD Board Policy and Administrative Regulations.

Agenda Item #3 | Action: Review and approve Comprehensive School Safety Plan (CSSP)

The CSSP, which was jointly developed and informed by input from all stakeholders, was reviewed. Discussion revolved around Edison specific initiatives embedded in the presentation. Mrs. Tamayo expressed support for the privacy fencing and suggested adding it to the double gate just south of the MPR on Sultana. A motion to approve the CSSP was made by Mr. Williams and seconded by Mr. Garcia. Edison's CSSP was approved unanimously.

Agenda Item #4 | Action: Approval of SPSA Mid-Year Modification Form

Mr. Gormaz proposed our mid-year budget modification based on adjusted Title I allocations for the 23-24 school year. Most of the proposed Title I expenditures (except for the library book purchase) would be budget transfers for allowable Title I expenditures which had already been paid with site discretionary funds. Approving the budget transfers would enable Edison to fully utilize the Title I allocation. Mr. Williams motioned to approve the budget modification and was seconded by Mrs. Munoz. The SPSA Mid-Year Modification was unanimously approved.

IX. Public Comments on Non Agenda Items

Comments were read which were submitted in advance of the meeting. The council asked to review awards given at each trimester (including attendance and honor roll for elementary grade students). The council also commented that due to limited space a dedicated "gaga" area would be difficult to establish. Mr. Garcia also mentioned his experience with the game resulted in some student hand injuries.

X. Announcements

No announcements were made.

XI. Adjournment

The meeting was adjourned at 4:11 p.m.

Accessibility-Special Accommodation: Individuals requiring special accommodations or modifications, including, but not limited to, any disabilities, including an American Sign Language interpreter, auxiliary aids and services, accessible seating, or documentation in accessible formats, should contact Mauricio Gormaz, Principal at mauricio.gormaz@omsd.net at least two (2) days prior to the meeting date.

The majority of the responses indicate a strong desire for improvement in the quality of school meals, with students expressing dissatisfaction with the current food options. They emphasize the importance of healthy, tasty, and varied food choices, as some students rely on school meals as their primary source of nutrition. Additionally, students express a need for more time for work, better communication, and more engaging teaching methods. They also suggest more breaks between classes, more field trips, and the inclusion of real-world topics in the curriculum. A few responses also mention the need for better physical education uniforms and the addition of vending machines for snacks.

Out of 10 months of being in school and working hard, We only get to go on like 2 field trips.

This is important because I feel like be should be able to go to more field trips becuae of our hard work.

Make sure teachers don't yell at students

It breaks their confidence and that slows them down.

More Communication amongst staff. And I mean all staff not just admin include kitchen staff as well.

Because if something changes or times change for anything kitchen needs to be made aware if lunch times will be changed. Also if school is on lock down

More field trips to the many local museums or having representatives come to the school to expose children to what's available in their area.

Museums offer children a chance to see art, history and different cultures they might not see otherwise. Sparking new learning interest.
