

Del Norte's School-Parent Compact for Achievement

What is a School-Parent Compact?

A **School-Parent Compact for Achievement** is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents and staff of Del Norte Elementary meet throughout the school year to discuss student learning needs based on current data. Our Del Norte Parent Compact for Achievement is revised based on these discussions. Teachers suggest strategies parents can use at home and parents add ideas and identify ways we can support them.

We invite parents to communicate by phone, email, text or submit in writing any comments and/or suggestions. We welcome interested volunteers to contact their classroom teacher or check in the front office for details.

Activities to Build Partnerships

Del Norte Elementary School, in partnership with OMSD will provide parents the opportunities to formulate suggestions and to participate in decision relating to the education of their children.

Del Norte's Goals for Student Achievement

Ontario-Montclair District Goals

-All students will demonstrate progress in academic achievement through an instructional program aligned to the California State standards and frameworks with materials, resources, and staff professional development that integrate technology, over a broad course of study (English Language Arts, English Language Development, History-Social Science, Math, Science, and other content areas) within a Multi-Tiered System of Supports.

-Individual student needs will be met through a Multi-Tiered System of Supports designed to foster student academic and social-behavioral engagement with peers, staff, and the community, which includes providing support.

-Support student learning and well-being through family engagement efforts to seek consultation and input into the decision-making process, promote meaningful family participation in their child's learning, and enhance our community partnerships.

Del Norte School Goals

-Prepare Del Norte students to be college and career ready with 21st century skills.

-Increase by 5% each year the percentage of students from all subgroups meeting or exceeding grade level expectations in ELA, Math, Science, and Social Studies.

-Increase student attendance rate and reduce the percentage of students considered chronically absent.

-Increase parent, family, and community engagement.
