

# Oaks Middle School Academic Incentive Programs

## Reading Counts:

**Overview:** A reading program that motivates students to read books and allows them to take quizzes on the books they have read.

**Incentive program:** Students earn points by passing Reading Counts tests. Your points will accumulate within each quarter to earn a degree. The more points you earn, the higher your degree. Awards are given and points are reset quarterly (~45 school days/see chart at the bottom right)

	Associate's	Bachelor's	Master's	Doctorate
Points earned	125	250	375	500

## i-Ready (ELA/Math):

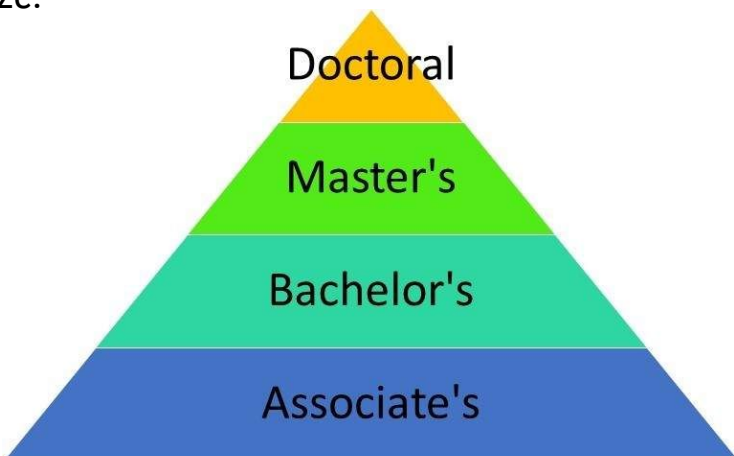

**Overview:** Personalized Instruction that targets specific skills to help students reach grade level ability and above.

**Incentive program:** Students earn degrees by passing lessons through the personalized instruction of i-Ready. The more lessons you pass, the higher your degree. Awards are given and points are reset quarterly (~45 school days/see chart at the bottom right)

	Associate's	Bachelor's	Master's	Doctorate
Lessons passed	15	20	25	30

## Rewards

Rewards for both Reading Counts and i-Ready will be awarded at the end of the quarter. Each degree has its own set of rewards. Reach the Doctoral level to be entered into a raffle for a grand prize.
