

## VINA DANKS MIDDLE SCHOOL

### Virtual Parent/Teacher/Student Conferences

**Note: In order to accommodate parent work schedules, two early evening days have been designated.**

**Students who are in danger of failing-** Parents will be notified or at request to check in with their child's teacher for any period that they are in danger of failing during the times listed below, Monday through Friday.

If you have already been in contact with your child's teacher, you do not need to attend the zoom/telephone conferences. Your child's teacher will provide more information on the specifics of logging in to a Zoom parent conference (please check School Loop and/or Google Classrooms for the specific information).

**Students who have C's or above** - Conferences will NOT be required for students who have C's and above after our first progress reports. However, if you would like to have a conference with your child's teacher you can email them through School Loop and they will work to schedule a time for you to meet.
