Important Announcement for Parents

PANDEMIC EBT BENEFITS COMING SOON

Get help buying food while schools are closed

While schools are closed due to COVID-19, families may receive food benefits for eligible children. These food benefits are called Pandemic Electronic Benefit Transfer (EBT), or P-EBT. P-EBT is meant to help families buy meals for their children while schools are closed.

In order for your students to receive their benefits without delay, it is important that your school has your current mailing address. Please call your school as soon as possible if your mailing address has changed. If you have students enrolled in other school districts you will need to do the same for each district.

This institution is an equal opportunity provider.
