

SCHOOL UNIFORM POLICY

Central Language Academy is a uniform school. The uniform policy is widely supported by staff and parents. Parents say that it is easier and less expensive to prepare their children for school and staff reports that students are better able to focus when there is this consistency. Uniform assistance is available for students whose parents lack the funds to purchase uniforms.

CLA believes that school attire can influence a pupil's behavior and potentially impact the academic environment.

School uniforms:

- enhance school safety
- promote school pride
- create a sense of unity amongst students
- improve the learning environment
- promote attention and focus
- bridge socioeconomic differences between children
- promote good behavior
- improve children's self-respect and self-esteem
- produce cost savings for participating families

Our official school uniform is available from French Toast and can be ordered online at www.frenchtoast.com → shop by school → School Code: QS5TMUY

IMPORTANT: Because students are representing CLA, **ALL students** who participate in extracurricular activities such as student government, afterschool sports, groups/clubs will be expected to follow the uniform guidelines. Special uniforms within student government, sports or clubs may be required.

Violations of the uniform policy will result in consequences.

Formal Tuesday

On "*Formal Tuesday*" students can dress in uniform but add our more formal collegiate pieces for a more professional look. *Formal Tuesday* will be observed every Tuesday of each month. When participating in *Formal Tuesday* boys can wear their uniform with a button down shirt and tie, CLA blazer (preferred but not required), with a belt. Girls can wear their uniform with a button down shirt, cross colored tie and CLA blazer (preferred but not required). If students do not dress in formal attire, they must wear school uniforms.

CLA's Formal Tuesday is a great way to show our students the importance in dressing for success.
