I understand that I am responsible for any damage to the student device. The District/school may request the student device and software be returned at any time. Upon request by the District/school or termination of the agreement, I must return the student device to the District/school, in the same condition as on the agreement beginning date, reasonable wear and tear excepted. Some common sense actions that I must and will take to protect the laptop, software and confidential data that may be on the student device include, but are not limited to the following:

- Do not leave unattended in a car, an unlocked home, or in a public place
- Keep information password--protected; log off when I am away from the computer
- Protect from liquids or dampness
- Protect from extreme temperatures (i.e. do not leave in trunk of car for long periods of time)
- Do not decorate, mark up or otherwise deface the computer.

I agree to accept the student device and software "as is." In no event shall the District be liable to me for my use of the student device.

I agree to the terms of this agreement. I understand that in the event of loss, theft, misuse or carelessness, there is no provision for replacement. I understand that if loss or damage occurs while the student device is in a car, at my home, or anywhere outside of a district building, I am responsible for any damage, and in case of theft, for filing an official police report and informing my school immediately.
