Central Language Academy Families if you are interested in having your child be part of our 2021-2022 after school program please click or copy and paste the Intent to Apply Survey link below. The Intent to Apply Survey does not guarantee enrollment nor is it an enrollment application. The purpose of this link is to gather information on parents/students interested in our program to begin the enrollment process. Once you have submitted your survey, the Site Coordinator will contact you to begin the enrollment process. Thank you for considering our extended after school program.
