School Description

At Del Norte Elementary our mission is to provide an academically challenging and supportive environment to the whole child. We will utilize best teaching strategies through our focus on Science, Technology, Engineering, Arts, and Mathematics (STEAM). We will challenge our students to achieve their personal best and prepare them to be College and Career Ready, while supporting their social-emotional and behavioral needs.

Del Norte is located in the eastern portion of the Ontario Montclair School District and serves approximately 455 students in Preschool through fifth grade with 34.1% being English language learners. Del Norte is home to two Special Day Classes that serve grades PK and first through sixth grades. Del Norte also has on campus the Let's Talk Program, a speech and language program that works with preschool students. Del Norte is a school-wide Title 1 school. Del Norte is a Provision II school, providing breakfast and lunch to all students at no-cost. Del Norte is a community school with the majority of our students walking to/from school. There are many opportunities for students at Del Norte to engage in after-school activities, such as the Think Together Program, coding classes, GATE enrichment activities, and other between the bells and after-school intervention programs.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Del Norte School was originally built in 1956. The school was designed to accommodate 480 students. Currently, Del Norte serves about 450 students in grades Pre-School through Fifth. There are 35 classroom spaces, including 17 portable classroom buildings added between 1986 and 2009, and a multi-purpose room completed early 2008. One of the classrooms has been divided into office space for support staff, including instructional coaches. An additional building houses the district pre-school speech and language program called The Let's Talk Program. The total school site sits on 10.2 acres. Playground space for students comprises approximately 7 acres. There are 13 student and 5 adult restrooms, with all well-maintained and in good working condition. The cafeteria is located in the multipurpose room, where students also eat meals and attend performances and assemblies. The school facility offers a good learning environment with fully functioning lighting, heating, and cooling systems and noise negation. Del Norte underwent modernization in 1995. The general condition of the facility is good. New HVAC units were installed in 2010 in 13 of the portable classrooms, to provide more efficient and quieter air conditions. New HVAC units were installed 2017 in 19 of original classrooms to provide more efficient and quieter air conditions. Internet access is available in the offices and in all classrooms, with the district adding wireless access in 2009. The district Information Services Department maintains a content filter for all Internet traffic, including email, in accordance with the Children's Internet Protection Act (CIPA) guidelines.

Maintenance and Repair:

Del Norte School is maintained in a manner that ensures it is functional and in good repair. The school employs two full-time and one half-time custodians. The school administrators work with the custodial staff to make certain that classrooms, restrooms and the school grounds remain clean, safe and orderly, and that the floors, walls and plumbing system are all in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. To assist in this effort, the district Operations Department annually conducts an in-depth evaluation of each school to determine the condition of the facilities and to identify situations that need maintenance, repair or an upgrade. The district uses a facility survey instrument developed by the State of California Office of Public School Construction to assess the data gathering during the inspections. All findings are shared with the principal, and work orders for needed repairs are created at that time. The results of this survey are available in the school office or the district office. For the 2020-2021 school year, no sites in the district were open for in-person learning therefore facilities inspections were not conducted. Inspections will take place once sites re-open for in-person learning.

Williams Visit Findings:

On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. At the time of publishing, a facilities inspection had not been conducted for the 2020-21 school year as this site was not offering in-person instruction due to COVID-19. A visit will be conducted once the site resumes in-person learning.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Del Norte has many opportunities for parent involvement. A large number of parents are involved in the designated parent groups of School Site Council (SSC) and the Student English Language Parent Advisory Committee (SELPAC). Other opportunities for parents to be involved are as follow:

- District Parent Advisory Committee (DPAC)
- District English Learner Parent Advisory Committee (DELPAC)
- English as a Second Language classes
- Coffee with the Principal
- Classroom volunteers, chaperones for school trips
- Open House, Back to School Night, parent conferences
- Student recognition assemblies and the Student Success Team Process.

Del Norte contracts with Family Solutions in order to provide mental health services, case management, and other services to the students and families of Del Norte. Additionally, Del Norte employs a part-time Outreach Assistant who works with families and students in the areas of academics, social-emotional needs, and attendance. Contact Person: Paulette Eaton, Outreach Assistant 909-986-9515.

Regular school-to-home communication is provided in both English and Spanish. Information about current events and school activities can be found on the Del Norte school website, Del Norte Class Dojo, flyers, and twitter account. Del Norte mails important news and announcements to parents at home, utilizes Del Norte's telephone system to contact parents verbally sends text messages to parents via Blackboard Connect, Class Dojo and twitter.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Del Norte’s safe school plan is comprised of the following goals:

All students and staff members are provided a safe teaching and learning environment.

All students are safe and secure while at school, when traveling to and from school, and when traveling to and from school-related activities.

District programs and community resources are made available to students and parents.

Our School provides the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Some of Del Norte’s accomplishments have been to send teams for first response training and AED training, participate in all preparedness drills (C.C.R. Title 5 section 560), implement district policies that pertain to sexual harassment, hold regular SST meetings, and contract with Family Solutions Collaborative. Del Norte is committed to being a Positive Behavior Interventions and Support Schools (PBIS) which promotes safe behavior and expectations throughout our campus. Del Norte is the proud recipient of the Silver PBIS medal awarded by the California PBIS Coalition Fall 2017 and 2018. In 2019, Del Norte was the proud recipient of the Gold PBIS medal and in 2020 was awarded the Community Cares recognition. The plan was last updated and discussed with the staff during Fall of 2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	49	49	36

Staff development is based on district initiatives and individual school and teacher needs. Student performance data, teacher surveys, and principal observations help determine professional needs. On-site training and support have been provided in the focus areas of Learning Objectives, Technology, Wonders ELA Program, Wonders ELD (English Language Development), Embedded and Integrated ELD, Eureka Math, Kagan Cooperative Learning, Passive vs. Active Reading, deepening understanding of Cooperative Learning versus Collaborative Learning, and NGSS training for teachers. Our school has worked to deepen knowledge of Eureka Math to strengthen lesson delivery and teachers attended several math study workshops. Teachers also work in grade level collaboration meetings to analyze student data, create high leverage activities, and plan deliberate decisions to increase student achievement. We work together to enhance our rigorous Language Arts Common Core standards and are digging deeper into a new adoption that meets our students' needs. Additionally, teachers were provided time for structured teacher planning time for the purpose of analyzing student data and sharing effective teaching strategies. Teachers collaborate to create and promote rigorous and engaging lessons with tools that are research-based.

The support for teachers at Del Norte Elementary has come from the Principal, Elementary Administrator, a full-time Instructional Coach, and Outreach Assistant. They provide assistance to teachers by offering instructional support, support with data analysis and staff development in English Language Development, Language Arts, and interventions for at-risk, and mathematics. They meet with teachers to plan, conduct coaching cycles, share engagement strategies, look at data and plan for differentiated instruction based on needs. They also provide a number of technology resources and other instructional materials to support instruction and student learning. Finally, Del Norte's Principal and Elementary Administrator serve as the instructional leaders, by planning meetings, presenting researching effective techniques, conducting classroom walk-throughs, and embracing the district goals.

Del Norte provides many opportunities for teacher collaboration by grade level. The first and third Tuesdays of the month each Monday afternoon during the pandemic) are dedicated days for grade level training and meetings where teachers discuss strategies, curriculum and generate questions or concerns for the support staff. In addition, Del Norte has an instructional coach that work with grade levels to plan to share engagement strategies, to look at data and to alter instruction based on data and student targets. During Data meetings, teachers analyze benchmark data, plan teaching activities and collaborate on new instructional strategies during this process. Towards the end of the school year, horizontal and vertical articulation of grade level standards helps teachers formulate deliberate decisions to implement in the classroom. Our teachers pride themselves in designing rigorous lessons to promote Common Core.

Types of Services Funded

All students receive a standards-based education at the appropriate grade level. Students receive small group, differentiated instruction during Universal Access time in all grade levels. Students also receive 30 minutes of English Language Development instruction each day in which students are grouped, assessed, and regrouped appropriately in order to meet each student's language proficiency needs. In addition, fourth and fifth-grade students who are two or more years below grade level participate in the reading intervention program, the iLiT program, as well as differentiated mathematics instruction. Extended learning opportunities are offered throughout the year, to provide support after the bell rings each school day. In addition, intervention opportunities are offered in a small group setting throughout the instructional day based on students' academic needs.

Various extended education programs have been offered before and after school to meet the needs of these students. Instructional decisions are based on data derived from Benchmark, Interim Assessments, Formative assessments and grade level common assessment test results along with Unit Assessments. The school year is launched with deliberate decisions taken from an intensive review of academic data from the California Assessment of Student Performance and Progress (CAASPP). In addition, categorical funds support an Outreach Assistant and Instructional Coach to coordinate all assessments and interventions for all student subgroups and to further support classroom teachers in the development and delivery of best practices for all students. Additionally, they assist and train teachers in data analysis and effective instructional strategies.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
