School Description

The mission of El Camino Elementary School, a progressive community of educators and learners, is to empower every student with knowledge and skills to become a productive member of society through a dynamic educational environment. At El Camino Elementary is a school in the Ontario-Montclair School District. We are committed to working collaboratively with families, community members, teachers and staff to ensure that our El Camino students receive the skills needed to be college and career ready. We currently serve a diverse population of approximately of 470 students from preschool to sixth grade. This consist of 90% socioeconomically disadvantaged, 25% English Language Learners, 38% students with disabilities, and 0.7 % foster youth. Additionally, El Camino is an integrated school that serves both mild to moderate students who participate in the district's Autism Program and general education students.

El Camino Elementary School continues to support the “whole child” approach, academically, behaviorally and socio-emotionally. We participate in the school-wide implementation of Positive Behavior Interventions and Supports (PBIS). PBIS focuses on creating and sustaining school-wide and classroom behavior management systems, as well as individual systems of support that improve the educational environment for all children. Our aim is to explicitly teach behavior expectations and then reinforce the positive behaviors displayed by students through recognition. We implement specific interventions to reshape behaviors and support individual students with their social/emotional/behavioral needs. This includes silent mentoring, PBIS class, Check-in Checkout, and other restorative practices. At El Camino, we also teach empathy and acceptance for others through PBIS, in addition to our Peer Buddy program in which general education students serve as companions or partners to students with special needs within our Autism Program, working with them on social skills. We are dedicated to making sure that ALL students have the tools and resources they need to be successful. The dedication of our staff to teach our students how to serve as positive and contributing members of our society has been recognized by the county when our school was recently awarded a Civic Learning Award, as well as our school receiving PBIS gold recognition for the second year in a row.

El Camino continues to be committed to providing 21st century learning. We use technology as a tool for the classroom and throughout our campus, implementing one-to-one devices in Kindergarten through sixth grades. We have a school library that is available for all students. In order to encourage reading, we implement a Reading Counts incentive program. Different incentive programs to encourage reading, as well as providing awards to students who meet their lexile level reading goal at each trimester. We continue to be committed to building a strong literacy program to foster student's love of reading and increase the level of reading among our students.

El Camino Elementary has implemented a Multi-Tiered System of Support to ensure that ALL students are successful in achieving state academic success. Our primary grades (K-3) are implementing a systematic reading intervention program 5 days per week, and our upper grades are implementing targeted instruction to students in homogenous group 5 days per week. All grade levels are also implementing Math intervention 4 days a week, targeting specific math skills. We then monitor our students' progress every six weeks in order to determine the need for further intervention, as well as using the data to drive instruction. We provide our English Learners with explicit and targeted instruction to develop their English proficiency through daily Designated ELD, as well as Integrated ELD.

At El Camino Elementary, our students learn that they ALL will and can earn a college degree. We have adopted and implement the Advancement Via Individual Determination or AVID theory. 72% of our teachers are AVID trained; however, all of our teachers integrate AVID strategies into their daily practices and lessons. Our students continue to have multiple opportunities to enhance their learning by participating in Robotics classes, Coding classes, band, Chess club, Young Authors, GATE classes, sports programs and other enrichment activities. Students also have the opportunity to take different field trips to enhance their learning. Student achievement and effective teaching go hand in hand and these are the most important things we do each day to ensure that ALL students are successful.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

El Camino Elementary School was constructed in 1955 with 24 permanent classrooms. Over the years, portable classrooms have been added to accommodate the growth of the student population. An additional portable was purchased by the PTSO and El Camino's categorical funds for parent meetings. There is also a Multipurpose Building, staff lounge, staff workroom, resource support program room, speech room, and several small rooms used as offices and for student testing or counseling. All of the preschool and kindergarten classrooms have access to restrooms. There are boys' and girls' restrooms for both primary and upper grades, and adult restrooms in the office. All restrooms function properly. During the 2006-07 school year, local bond funds, Measure M, and state matching funds were used to construct the multipurpose room. Drinking fountains and bathrooms were also modernized with those funds.

There is a primary grade playground, upper-grade playground, and a pre-school/kindergarten playground. Each playground is clean and adorned with shade trees, shrubs, and flowers. Additionally, there is a large field for soccer and softball. Adjacent to the school is Gibbs Park, which is available for all school groups. Proctors supervise children while at recess and lunch. Gates are locked and all visitors must register with the front office before entering the premises. Signs have been placed at all gates directing visitors to check in with office personnel, at which time they sign in and wear a visitor's badge while on campus. Preschool students are escorted to their classroom where they must be signed in and out. Students who either arrive late or leave early or are picked up late after dismissal are also signed out. At all times, the safety of children is the most important focus of the school so that all students and parents feel safe.

The district maintenance department maintains an active facilities inspection and repair system to ensure that all schools are clean, safe, and functional. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Emergency repairs are given the highest priority in order that the educational process continues without interruption or problem.

The three custodians, as well as the entire El Camino staff, are keenly aware of the need to provide a clean, safe, and orderly campus for staff, students, and parents. The custodians are supervised on-site by the Elementary Administrator, and also through the district's director of Maintenance and Operations. They have developed cleaning schedules that reflect daily, weekly, monthly cleanings as well as deep-cleaning opportunities such as during winter, spring and summer breaks. Additionally, the site regularly submits and monitors work orders as needed to repair or replace any damaged or broken equipment.

The last state inspection mandated under the Williams Settlement was completed in October 2019. The report on this inspection was forwarded to the Superintendent of Schools.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2020-2021)

El Camino Elementary School is one of thirty-two schools in the Ontario Montclair School District with traditions dating back to 1884. El Camino Elementary School has a pupil body of approximately 470 and is served by a dedicated staff. Both staff and parents comment on the positive changes that are ongoing in our school.

El Camino Elementary School faces challenges in maintaining a safe school. This section of the Comprehensive Safe School Plan will describe programs in place at our school as well as strategies and programs of our school site council for continued improvement in providing a safe, orderly, school environment conducive to learning.

Accomplishments/Areas of Pride:

1. El Camino has a closed campus. This means that all visitors follow a check in/out procedure through the office and wear a visitor badge to identify that they have followed the process and can be on campus.
2. All El Camino staff visibly wears badges to identify themselves.
3. El Camino adheres to a closed and locked door policy on our campus for safety.
4. Our office staff greets each person who enters our campus with a smile and helpful attitude.
5. We offer opportunities for inclusion of our general education and special education programs on campus.
6. All staff establishes and maintains high expectations for student achievement and behavior throughout the school.
7. Staff members are visible and accessible to all students and parents.
8. El Camino supports many enrichment opportunities, such as Young Authors club, chess club, after school sports program, and coding classes.

Findings & Desired Improvements:

Continue to address student bullying by teaching lessons.

Priorities/Goals:

Address bullying by implementing anti-bully programs and lessons.
