A LETTER FROM THE PRINCIPAL

Dear Parents:

Welcome to Corona Elementary School. I want to take this opportunity to thank you for entrusting your child to our school. We are very proud of the many successes that our students have accomplished throughout the years and the energy that they have contributed to make this school a wonderful place.

Corona Elementary is special because the stakeholders have worked collaboratively and carefully to create a school where students are challenged to grow to their full potential and realize their dreams. They are guided in the learning process by our teachers, administrators, and support staff. All constantly search for ways to ensure that standards are mastered and important learning takes place in every classroom by every student.

It is with great enthusiasm that we have put together this handbook in an effort to enhance our parent school partnership and help provide a clear understanding of the Corona school rules and procedures. It is my hope that this handbook will enhance our collaboration for the benefit of all our students.

I have great expectations that together we will make this school year the best year ever!

Warmly,

Sal Flores,
Principal

School Attendance

Establishing a routine of outstanding attendance and punctuality is critical to student achievement. Research shows that students with outstanding attendance habits do better on tests, get better grades, are more likely to complete high school, attend college, and get better jobs as adults.

■

All students are required by state law to attend school daily. The only legal exceptions for absence from school are illness, medical necessity, and funeral services for a member of the immediate family. All absences must be verified by a note or phone call from the child’s parent or guardian. These are due when a student returns to school and can be turned in to the office. All unverified absences are considered truant/unexcused. A student is considered “truant” when they have 3 or more unexcused absences, early outs or tardies more than 30 minutes.

Instruction begins at 8:00 a.m. Tardiness due to doctor or dental appointments will be excused only when the school is provided with an original note, signed and dated by the doctor’s office.

This school year, it is our goal at Corona to increase daily student attendance to 97.7% for the school year. As parents, you play a very important role in setting the importance of daily school attendance. This year we will have new and continuing attendance incentives and interventions as listed below.

Incentives/Rewards

Eagles Are Here On Time! Each class will work towards earning a class reward through completion of a poster displayed in the classroom. Every day that the entire class is in attendance and on time, teachers will fill in a letter on the poster. Classes have a chance to work together to complete posters and receive class rewards such as pencils, a popcorn party, and more!

Perfect Eagle Attendance: Each trimester, students with Perfect Attendance (zero days absent, zero tardies, and zero early out days) will be rewarded. Students with Perfect Attendance for the entire school year (zero days absent, zero tardies, and zero early out days) will be recognized at the End-of-Year Awards Assembly.

Interventions/Consequences

Attendance Letters: If absences or tardies become excessive, attendance letters will be sent home.

School Attendance Review Team (S.A.R.T.): If excessive absences or tardies continue to accumulate, a meeting will be scheduled with the Principal, Outreach Consultant, and parent to address the situation and to identify steps for improving the student’s attendance.

School Attendance Review Board (S.A.R.B.): In the event that the above steps do not result in improvement, the student and parent will be referred to the OMSD S.A.R.B. This meeting is held in the presence of district officials, probation officers, a District Attorney representative, and a Department of Child Services representative to address the situation. A contract will be signed by the parent and S.A.R.B. to improve attendance.

Secure Campus

Your child's security is very important to us. School gates will be closed during school hours and we ask that you check into the office when coming on the campus. This will enable us to identify all who are present on campus. Please sign in at the office and obtain a Visitor's Badge. If you would like to visit or help in the classroom, please give your teacher 24 hours' notice and he/she will clear your arrival with the office. All volunteers must complete a volunteer application as well as take a tuberculosis (TB) test.

Homework Policy

Homework is a teacher planned learning or practice activity, which takes place largely outside of the student's regular school hours. Homework reinforces classroom learning and expands on a student's school experience. Homework is expected at all grade levels and may vary from class to class. Students are expected to return all homework assignments completely and neatly each day that it is assigned. In addition to the assigned homework, students are expected to read daily. Homework is most productive when done in one sitting and when parents provide a quiet place to work. Homework assignments may also affect grades. Please contact the teacher if there is a problem with completing homework.

AVID Binders for grades 2-6 will be provided by the school along with a Daily Homework Planning Agenda. Students are expected to write their homework in their agenda daily. Parents are to initial that they have seen their child's completed homework each night. Students in grades TK-1 will be provided with folders for classwork and homework.

After School Enrichment Program

Corona offers after school enrichment through a partnership with Think Together. This is an opportunity for students to complete their homework and have structured activities and a safe place after school hours. The students are required to stay a total of 15 hours a week to qualify for the program. The program is open to all students. If you are interested, call the school for an application or contact (909) 331-7723.

Interventions/Extended Learning Opportunities Program

Corona will invite students to attend the after school and/or Saturday programs for targeted interventions and extended learning opportunities. These classes will take place throughout the year. Students invited will receive invitations. If you have questions about our intervention or extended learning programs, please talk to your child's teacher.

Parent Conferences & Report Cards

Conferences are held with all parents at the end of the first and second trimesters. During conference week, all 1st through 6th grade classes are on minimum day in order to provide time for teachers to conference. Conferences may also be scheduled at other times, upon request. The following are the weeks for conferences:

<i>Fall</i>	<i>November 18-22, 2024</i>
<i>Spring</i>	<i>March 17-21, 2025</i>

Report cards (Student Achievement Reports) are reviewed at each parent conferences and are sent home at the end of the school year. Corona utilizes a computer generated report card.

Back-to-School Night and Open House

Back-to-School Night is held early in the school year. Teachers provide information that parents need to know including curriculum, homework, grading, schedules, special events and behavior standards.

Open House is held later in the year and provides an opportunity for students and teachers to share accomplishments with parents.

Please mark these important dates in your calendar:

<i>Back to School Night</i>	<i>August 6, 2024</i>
<i>Open House</i>	<i>February 19, 2025</i>

Lost and Found

Parents should mark their student's name on clothing, lunch bags and other belongings. When lost items are found, the student who finds the item must turn it into the Lost and Found. Smaller items are returned to the office. We will keep the items behind the office building until the last Friday of the month. On the last Friday of the month, we will clear the lost and found items and donate them to local agencies. Please have your children look through items in lost and found regularly.

Bus Transportation

The Ontario-Montclair School District provides bus transportation for eligible students. Bus schedules may be obtained from school or the district office. Only children who are regular bus riders may ride the bus. Parents are urged to review with their children proper behavior, both on the bus and at the bus stops. Students must follow the directions of the driver and show proper respect. Violation of bus rules may result in denial of bus privileges.

Class Parties

Occasionally, the teacher may plan a class party during a special occasion (only 2 times a year). Such parties are a privilege and students may be required to maintain disciplinary and academic standards to attend. All treats must be store bought and cleared with the teacher. Such events can only be celebrated the last fifteen minutes of the school day or at lunch time. In class student birthday

celebrations are not encouraged. Parents must have teacher permission to bring in birthday treats for the class and will be passed out only in the last 10 minutes of class. Please check with your child's teacher for children who may have food allergies prior to the event.

Student Records

Cumulative records are kept for each child. Parents have the right to inspect and receive copies of the contents of these records within 5 days of a request. If you wish to see your child's records, please contact the school principal.

Student Health

Emergency Cards

Emergency cards will be sent home at the beginning of the school year. WE MUST HAVE AN EMERGENCY CARD WITH THE HOME PHONE AND AT LEAST TWO WORKING EMERGENCY PHONE NUMBERS FOR EVERY CHILD. Please follow the directions attached to the card and fill out the entire card. If your child becomes ill or is injured at school, only the people listed on the emergency card are notified. By law students will only be released to adults listed on the emergency card. It is important that information on the emergency card is up to date. If you move, please advise us of the new address and phone numbers. The school must have accurate information for the safety of students.

Cleanliness

A student may be sent home if he/she is not neat or clean. He/she may be required to correct such a condition before entering the classroom. (California Administrative Code, Title 5 Education, 302). Certificated personnel have the responsibility of protecting the health and safety of pupils and maintaining proper and appropriate conditions conducive to learning (California Education Code 44807). If you need assistance in meeting this requirement please contact our school nurse for support.

Immunizations

Certain immunizations are required by the State of California for entry into school and throughout your child's school years. Immunizations need to be kept up to date. If you have questions about requirements, call the county health department or the school nurse.

Medications

No medications (prescription or over the counter) may be administered to a student at school until the school has received a medication consent form completed and signed by the student's physician and parent/guardian.

No student may keep any medication (prescription or over the counter) on his/her person except in the case of inhaler or epi-pen and only if approved by a doctor and parent. If you have any questions or concerns, please contact the school.

Contagious Disease

Students with a contagious or infectious disease should be kept at home for the protection of themselves and others. The school should be notified if a child contracts a communicable disease. Students who have had chicken pox may return when all pox marks are scabbed over, no fever exists and no sore throat is present. Rashes, Impetigo, Ringworm and Scabies need to be properly treated before re-admission to school. Students will be re-admitted when there is no sign of rash or lesion or a doctor's note clears them.

If your child contracts lice please advise the office. Children may not be absent more than three days or they will be referred to the public health nurse. All students having recovered from the above conditions must re-enter school through the Health Office.

Emergency/Disaster Plan

Corona has a disaster plan which all staff members will implement to ensure your child's safety. In the event of an emergency or disaster such as a fire, earthquake or special circumstances, students practice one of these procedures monthly in order to be prepared. If there is an emergency or disaster, the following procedures will be in effect:

- Depending on the type of emergency, the students will seek protection in the classroom and then will be evacuated safely from classrooms to the assembly area on the field.
- Parents or other authorized adults picking up the child are to proceed to the student release station located near the front office gate. Students will only be released to people whose names are on the emergency card. Keep this in mind when completing the emergency card for students at the beginning of the school year. One should include the names of people that you would have your child return home with in the event of an emergency.
- Upon arrival at an emergency site, parents should bring identification.
- The school staff member will complete the release form. Once the paperwork is complete, school personnel will get the student and release the child to the parent or authorized adult. At that point, the student may leave the school.
- NO CHILD WILL BE RELEASED TO AN ADULT UNLESS THAT PERSON IS LISTED ON THE EMERGENCY CARD. Please keep your emergency card current at all times.

Lock Downs

Lock downs are instituted when there is an emergency within the school or the school community and it may be unsafe to allow students to be outdoors. In the event of a lockdown, students will not be allowed to leave the classroom or the school until the safety concern has been resolved. **Be advised that during lockdowns parents will not be allowed on the school premises or in the classrooms until the emergency has been deemed safe for students to leave the classroom and the school.**

Parent Involvement

Corona Elementary believes that parents should be involved in their child's education in as many ways as possible. Consequently, we take pride in creating multiple opportunities for parents to be involved in the school. If you are interested in participating in any of the following activities, please contact the school at (909) 984-6411.

- *Coffee with the Principal:* Once a month parents are invited to discuss many of the issues surrounding the school. This is a structured way of becoming informed and having your voice heard. Meetings are held in both English and Spanish. Representatives of the different parent groups including PTO, SELPAC and School Site Council provide quick updates to parents and ask for feedback. These meetings also are topic oriented. Each session includes a specific topic such as Discipline, College Awareness, How to be a Better Parent, How to Help Your Child with Homework and other topics that are taken from our school parent survey.
- *School Site Council (SSC):* The School Site Council is an elected decision making body of the school and is directly involved in the planning and reviewing of the school plan. At least one member serves on the District Advisory Council. Parents may run for election for open School Site Council seats on a yearly basis. These meetings are open to the public.

- *Site English Learner Parent Advisory Council (SELPAC):* The SELPAC advises the school on programs and services for English Language Learners. At least one member from SELPAC serves on the District English Learner Parent Advisory Committee (DELPAC).
- *Parent Teacher Organization (PTO):* The PTO meets on a monthly basis to help provide support to our instructional program. The PTO is involved in helping organize school events, fundraisers and supports our school activities.
- *Classroom and School Parent Volunteer Program:* Corona Elementary is well known for parent involvement and parent volunteers. We highly encourage our parent community to become involved as school volunteers. Many student events and activities would not be possible without our parent volunteer help. Classrooms have parent or community volunteers who help in many different ways throughout the year. We also have parents that help plan and coordinate school activities throughout the year. Parents wishing to volunteer must fill out an application, have a tuberculosis test (TB), go through a short training, and comply with volunteer requirements.

District Dress Code/Uniform Policy

In an effort to provide a safe and orderly school for our students and in response to a desire to keep district schools free from the threats or harmful influence of any groups or gangs which advocated substance abuse, violence or disruptive behavior, the Ontario-Montclair School District Board of Trustees has adopted Dress and Grooming Guidelines and a Prohibited Items List which will be implemented in all district schools. In addition to these guidelines, individual schools may establish a policy requiring students to wear a standard uniform.

Parents have the primary responsibility to see that students are properly attired for school. School district personnel have the responsibility of maintaining proper and appropriate conditions conducive to learning. We are asking your cooperation regarding conformity to the following dress guidelines:

- Properly sized shoes must be worn at all times. Thongs, backless or open-toe shoes or sandals are not acceptable. Shoes must be securely fastened.
- Clothes shall be sufficient to conceal undergarments at all times. Extremely tight garments, see-through or fishnet fabrics, halter tops, off the shoulder or low cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
- Hats with a bill or brim may be worn outdoors for sun protection (no flat bills or brims). Caps must be worn properly (bill forward).
- Clothing, jewelry, hats, and personal items (backpacks, fanny packs, gym bags, etc.) shall be free of writing, pictures, or any other insignia which are gang-related, crude, vulgar, profane or sexually suggestive, which display drug, alcohol or tobacco company advertising, promotions and likenesses or which advocate racial, ethnic, or religious prejudice.
- Gym shorts may not be worn in classes other than Physical Education (P.E.) without the expressed permission of the Principal.
- Hair shall be cleaned and neatly groomed. Hair may not be sprayed with any coloring that would drip when wet.
- Tattoos are to be covered at all times.
- Only prescription glasses are allowed.
- Gang attire of any kind is strictly prohibited.
- Earrings or other jewelry which may present a safety hazard are not suitable for school wear.
- Hair color and style should be appropriate for school and not create a disruption to the learning environment.

School administration/personnel will make the determination if the attire violates the above guidelines and reserves the right to determine if any of clothing, accessories, or hair are deemed inappropriate or disruptive to the learning environment.

CORONA'S MANDATORY SCHOOL UNIFORM POLICY & UNIFORM STANDARDS:

The School Uniform, Dress and Grooming Guidelines were adopted to provide a safe and orderly school environment for our students and to keep our school free from the threats or harmful influence of any groups or gangs that advocate substance abuse, violence, or disruptive behavior. All students are expected to be well groomed and neatly dressed in uniforms at all times, following the guidelines below.

Any sweatshirt, T-shirt, or other garment bearing the school name, logo, etc., is acceptable school attire. Outer wear/jackets must be in compliance with the district-adopted dress and grooming policies. No plaid or flannel (Pendleton style) outerwear is allowed.

Consequences for Not Wearing a Uniform

Students out of compliance with uniform standards should be sent to the Front Office at the first recess break, not during class time. Administrators may have students sent to the office before school if necessary. Office Staff will use a file card from the 'black box' to record student name and action taken. Cards will remain in the front office, alphabetized in the box. A notation will be made pertaining to 1st, 2nd, or 3rd violation.

1st violation- If a loaner shirt is available, student will change garment and leave original shirt in the office to be picked up at dismissal. If an adequate replacement shirt is not available, parents are contacted to provide a change of clothing. Parents will also be contacted to furnish pants or skirts as the office will not be able to supply those on a regular basis. A YELLOW **Uniform Reminder** will be signed by the student and placed in the classroom teacher's mailbox for the student to take home.

2nd violation- Same procedure as for 1st violation. A GOLD **Uniform Warning** will be signed by the student and placed in the classroom teacher's mailbox for the student to take home.

3rd violation- Same procedure as above, however, parent must be contacted for an appointment with an administrator to discuss the concern. A RED Uniform Citation is signed by the student and placed in the classroom teacher's mailbox for the student to take home. Appointment date and time should also be recorded on the Citation if possible.

Students that continuously break School Uniform Policy will be subject to appropriate progressive disciplinary measures. Administrators have the discretion to alter progression of actions as needed depending on the severity or frequency of the uniform violation(s) as well as the time frame in which violations were recorded.

Should there be special circumstances regarding being able to provide uniforms for your child, there are programs to assist in meeting our uniform policy. Should there be additional concerns, please contact the school within the first 10 days of school.

However, the use of, or the visibility of cell phones is strictly prohibited during school hours. Students must wait until they have left school grounds, not just their classrooms, before they remove their cell phones from their backpacks or other carrying places. The parents of students discovered using cell phones will be notified and students will be subject to appropriate progressive disciplinary measures.

ONTARIO-MONTCLAIR SCHOOL DISTRICT

Attendance Policy

Because of the school's commitment to quality education, we are concerned when a student misses school for any reason. The mission of the Ontario-Montclair School District is: Whatever it takes, we guarantee our commitment to the highest quality education for all students. Students who are excessively absent from school are not able to accomplish their educational goals. According to the California Compulsory Attendance Laws (Education Code 48200), parents and students are responsible for regular school attendance. Occasionally a student must be absent from school for reasons which are acceptable to the school and the courts, such as illness, medical appointments, or a death of family member. Please send a note to school following an absence explaining the reason for your child's absence.

The District policy states:

- 1. Ten or more days of excused absences within a school year are considered excessive and may require a doctor's note to excuse subsequent absences. The district has created a policy to address excessive excused absences which requires signing an Attendance Contract after 11 days and being referred to a School Attendance Review Board (SARB) hearing if the absences continue. Excused absences include full day absences and tardies or early releases for less than 30 minutes.**
- 2. Three (3) days of unexcused absences or tardies for more than 30 minutes or early releases for more than 30 minutes or any other partial day absence for more than 30 minutes without a valid excuse, or any combination thereof within a school year, will result in the school mailing the parent/student a 1st Truancy Report Letter asking for the parent's help with their student's attendance and warning of consequences for further absences.**
- 3. After six (6) days of unexcused absences or tardies for more than 30 minutes or early releases for more than 30 minutes or any other partial day absence for more than 30 minutes without a valid excuse, or any combination thereof within a school year, the school will mail a 2nd Truancy Report Letter. This letter requires the parent to attend a meeting at the school and sign an Attendance Contract. The intent is to create and implement a written plan and to determine if there are any services the school can provide to assist the family with attendance issues.**
- 4. After the 7th day of unexcused absences or tardies for more than 30 minutes or early releases for more than 30 minutes or any other partial day absence for more than 30 minutes without a valid excuse, or any combination thereof within a school year, the school will mail the 3rd Truancy Report Letter. This letter declares the student a "Habitual Truant" and informs parents that upon the next absence the family will be required to attend a School Attendance Review Board (SARB) hearing with the Deputy District Attorney of San Bernardino County. At this meeting a SARB contract is signed.**
- 5. After eight (8) days of unexcused absences and/or tardies within a school year, the district will mail the parent/student a summons to appear at a School Attendance Review Board (SARB) hearing. Failure to appear may result in a citation to be issued to parent/student. Parent and students who fail to abide by the SARB contract may also receive a citation.**

Feel free to check with the school attendance clerk concerning the number of excused or unexcused absences that your student may have. Your cooperation is needed to help us give your student a quality education.
