Discipline Policy

The staff and students of Elderberry Elementary School are proud of our school. As a staff, we are committed to providing a safe, secure, and orderly environment for one another. The Discipline Plan has been developed at Elderberry based on PBIS, or Positive Behavior Interventions and Supports, for the students' safety and to help them develop self-discipline and responsibility.

Parents, school staff, and students work together to maintain a safe, secure, and orderly school. Shared cooperation and expectations between home and school will ensure that each student reaches his/her fullest potential. The purpose of the school Discipline Plan is for each student to be responsible for his/her own behavior. We also want children to be aware of both positive and negative consequences they can expect for positive and negative decisions.

BE A CHAMPION!

Champion Pledge

“Champions are respectful, responsible, honest and strive for academic excellence!”

CHAMPION CHARACTER AND BEHAVIOR

Champion Behavior is all about trying your very best, making good choices and learning from mistakes! Elderberry Champions are:

THREE STEP APOLOGY

Sometimes we make mistakes/poor choices and hurt others by our actions or words. In these cases, an apology would be in order. Follow these 3 simple steps when apologizing to others:

1. State specifically why you are sorry.
2. Make a commitment to never make that same mistake or poor choice again.
3. Ask the person for forgiveness.

BEHAVIOR REFERRALS AND LEVEL CONTRACTS

Students will receive an Office Discipline Referral (ODR) if they have violated a school and/or classroom rule. These rules, written on the referral, were established to help facilitate a safe campus and safe learning environment for all. Office Discipline Referrals are NOT, in themselves, part of a student's permanent record. If your student receives an ODR, please take the opportunity to talk with your son/daughter and explain the importance of following established/expected school behaviors. Please sign and return the white copy of the Office Discipline Referral to the teacher. Infractions of rules are categorized as Minor or Major on the Office Discipline Referral.

Minor Infractions: Three Office Discipline Referrals for Minor Infractions will trigger a Major ODR I Conference/Contract, and two more ODRs after that will trigger a Major ODR II Conference/Contract. Two more Behavior Tickets after a Major ODR II will trigger a Major ODR III Conference/Contract. Minor Infractions, which may result in detention or other appropriate consequences, could include:

1. Rough Play
2. Not following rules/directions
3. Use of foul language
4. Rudeness to others
5. Misuse of equipment
6. Enforcement of classroom discipline plan

Major Infractions: The Elderberry School Staff reserves the discretion to place a student on a Major ODR I contract after one Office Discipline Referral for a Major Infraction and Major ODR II after an additional ODR for a Major Infraction. A student can be placed on a Major ODR III contract if they receive one more ODR for a Major Infraction while already on a Major ODR II contract. DUE PROCESS -PROGRESSIVE DISCIPLINE (ODR or Office Discipline Referrals)

Each teacher will review with parents the classroom management system, rules used, and the behaviors or process (ODR-**O**ffice **D**iscipline **R**eferral) that will trigger or initiate a Major ODR I, II, and III . The ODR Process re-sets at the beginning of each trimester with the exception of students who have been suspended during the year.

Major I A Major ODR I is a student-teacher conference/contract with a copy of the contract sent home to be signed by the parent and returned to the classroom teacher. A follow up telephone call will result if the

note is not returned.

Major II A Major ODR II is a student-parent-teacher conference/contract.

Major III A Major ODR III is a student-parent-teacher-administrator conference/contract.

***NOTE* ANY SERIOUS OFFENSE AS LISTED IN EDUCATION CODE 48900 MAY BY-PASS Major ODR I AND Major ODR II. SCHOOL ADMINISTRATORS MAY SUSPEND FOR UP TO 5 DAYS FOR EACH SUSPENSION PERIOD.**

WELLNESS ROOM

In order to maintain a standard for safety in our classrooms, Elderberry has added a Wellness Room to provide a safe space for students to reflect on their behavior, regroup, and prepare themselves for re-entry to the classroom. Students who pose a safety risk to themselves or others may be assigned to the Wellness Room.

Basic Dress Guidelines / Prohibited Items

School district personnel have the responsibility of maintaining proper and appropriate conditions conducive to learning. We are asking your cooperation regarding conformity to the following dress guidelines for students:

1. Clothing, jewelry, and personal items shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive, or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.

4. Hair may not be sprayed by coloring that would drip when wet.
5. Clothes shall be sufficient to conceal undergarments. See-through tops and bare abdomens are prohibited.
6. Gang-related apparel is prohibited.

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and co-curricular activities.

In the interest of protecting the health and safety of all students, please note the following Prohibited Items List:

The purpose of these Basic Dress Guidelines and Prohibited Items List and school uniform policies is not to infringe on any individual student's rights to freedom of expression, but rather to encourage students to "dress for success" and come to school properly prepared for participating in the educational process. Again, we ask your support and cooperation in providing a safe and orderly environment in which your children can learn.

Cell Phone and Smartwatch Policy

Elderberry School follows the district's "Student Use of Cellular Phone Policy" which is included below.

Smart Watches are considered "other electronic communication devices" and fall under this policy.

ONTARIO-MONTCLAIR SCHOOL DISTRICT STUDENT CELL PHONE POLICY

California law allows student possession and limited use of cell phones and other electronic communication devices while at school. **Students must, however, obey the following district guidelines as well as individual school rules for use.**

Students may possess or use cell phones and other electronic communication devices on a school campus **provided that such devices do not disrupt the educational program**, or any school activity, and are not used for illegal or unethical activities such as cheating on assignments or tests.

Electronic communication devices shall be turned off and kept out of sight during class time, or at any other time, as directed by a school employee, except where deemed medically necessary or when otherwise permitted by a teacher or administrator.

Students shall not be prevented from using their cell phone in case of an emergency, except where that use inhibits the ability of school district employees to effectively communicate instructions for the safety of students.

Students shall not use cell phones or other electronic communication devices, such as a smartwatch with camera, video or voice recording function, in a way or under circumstances which infringe the privacy rights of other students and adults and **without express permission from a school employee (BP 5131).**

Violations of this policy shall be subject to each school's progressive discipline plan. If a student's use of an electronic communication device causes a disruption, a school district employee on the first offense may direct the student to turn off the device or give a verbal warning to the student. On subsequent offenses, the employee may confiscate the device and return it to the student at the end of the class period, school day or activity. Continued violations could result in confiscation and hold for parent pick-up and loss of permission to possess the device on campus, **except where deemed medically necessary.** Students may be subject to additional disciplinary measures when their use of an electronic communication device violates individual school rules **(BP 5131).**

Students are responsible for personal electronic communication devices they bring to school. The district shall not be responsible for loss, theft or destruction of any such device brought onto school property, except that it shall be the responsibility of the school to ensure the safekeeping of any confiscated devices. **Confiscated electronic communication devices shall be stored by school district employees in a secure manner (BP 5131)**

In the case of a serious matter or emergency, a school official may ask the student or parent/guardian to view the content of the student's electronic device. This may include inappropriate or illegal access of the district network, software and operating equipment.

Please contact your child's school office or the Ontario-Montclair School District's Office of Child Welfare, Attendance & Records for questions or concerns.

We have read and understand the Ontario-Montclair School District policy regarding Student Possession & Use of Cell Phones and other Electronic Communication Devices and the related legal considerations.

Suspensions

SUSPENSIONS

Many behaviors can be successfully managed by the classroom teacher. **However, there will be immediate and consistent intervention/consequences by the administration for any behavior that impedes orderly classroom procedures or interferes with the orderly operation of the school.**

Suspension by Principal/Designee

Suspension shall be imposed when other means of correction fail to bring about proper conduct, however, a student, including students with exceptional needs, may be suspended on a first offense for any reason in Education Code 48900 if the student violated subdivision a, b, c, d, or e if the principal/designee finds and declares that the student’s presence causes a danger to person or property, or threatens to disrupt the educational process. As in the case of suspension from class, the student has the right to know the charges and offer an explanation of what happened. In the case that the decision of the principal is to recommend expulsion of a student, further due process is afforded the student and the family.

Suspension by Teacher From Class

When other means of correction fail to bring about proper conduct, a teacher may suspend a student from class for up to two (2) school days under provisions of Education Code 48910. The student has a right to know the reason(s) for the suspension and to have the opportunity to offer an explanation of what happened. As soon as possible after the suspension, the teacher must notify the parent of the suspension and arrange a parent/guardian/teacher conference regarding the suspension. A teacher may also refer a student to the principal/designee for consideration of suspension from school.

Due Process

Prior to the decision to suspend a student (except under emergency conditions) an informal conference must be held with the principal or principal/designee and pupil to afford the pupil an opportunity to know what he/she is accused of and to tell his/her side. The parent shall be notified as soon as possible by telephone or other reasonable means of the decision to suspend a student. A Notice of Suspension must be mailed to the pupil’s parent/guardian.

Bullying and Harassment Policy

ONTARIO-MONTCLAIR SCHOOL DISTRICT

LEGAL NOTICE FOR PUPILS & PARENTS/GUARDIANS REGARDING OMSD BULLYING AND HARASSMENT POLICY

The Ontario-Montclair School District prohibits discrimination, harassment, intimidation, and bullying based on the actual or perceived characteristics of a person's disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. This policy applies to all acts related to school activities on campus and may include acts occurring off campus during non-school hours.

Bullying is defined as any **severe or pervasive** physical or verbal act or conduct, including communications made in writing or by means of an electronic act, known as cyber-bullying, and including one or more acts committed by a pupil or group of pupils directed toward one or more pupils that has, or can be reasonably predicted to have, the effect of causing a reasonable pupil to experience a substantially detrimental effect on the pupil's physical or mental health, academic performance, or ability to participate in school activities.

REPORT IT

Any student who has been a victim of bullying or harassment, or someone who has witnessed bullying or harassment, on school grounds, during school activities, going to and coming from school, or when applicable, off-campus during non-school hours, is highly encouraged to report the incident. Students should immediately contact an administrator, counselor, teacher or other school staff member to report an incident. Students who wish to remain anonymous may report an incident by completing a Bullying/Harassment Incident Form and submitting it to any school staff member. These forms are available in the school office or online at the OMSD District website.

INVESTIGATION

The principal or designee shall promptly investigate all complaints of bullying or sexual harassment. The student who reports the complaint shall have an opportunity to complete a Bullying/Harassment Incident Form, providing details of the event, including the identity of the alleged perpetrator, a detailed description of the event, known witnesses, and anyone else they have shared the information with. Within 10 school days of the reported incident, the principal or designee shall provide a written response to the complainant and his/her parent/guardian. The report shall include the administrator's findings, decision, as well as the rationale for the decision. If the student or parent/guardian is in disagreement with the outcome of the investigation, an appeal may be filed at the Department of Child Welfare, Attendance & Records at 950 West D Street, Ontario, CA 91762.

TRANSFER REQUEST

A child that has been reported as the victim of a violent offense as defined by state law is entitled to transfer to another school within or outside of the district, under California Education Code 46600 § (b). Placement at a requested school is contingent upon space availability. Transfer requests can be obtained at the Department of Child Welfare, Attendance & Records located at 950 West D Street, Ontario, CA 91762.

Student Attendance Policy

Establishing a routine of outstanding attendance and punctuality are critical to student achievement. Research shows that students with outstanding attendance habits do better on tests, earn better grades, are more likely to complete high school, attend college, and get better jobs as adults.

All students are required by state law to attend school daily. The only legal exceptions for absence from school are illness, medical necessity, and funeral services for a member of the immediate family. All absences must be verified by a note or phone call from the child's parent or guardian. These are due when a student returns to school and can be turned in to the office. All unverified absences are considered truant/unexcused. **A student is considered "truant" when they have 3 or more unexcused absences or tardies.**

Please have your child arrive at school no later than 7:40 a.m. Staff is on duty beginning at 7:15a.m. Students seated after 7:45 a.m. will be considered tardy. Tardiness due to doctor or dental appointments will be excused only when the school is provided with an original note, signed and dated by the doctor's office.

For safety reasons, students may enter campus no earlier than 7:15 a.m.

It is our goal at Elderberry to increase daily student attendance to 97.7% for the school year. As parents, you play a very important role in setting the importance of daily school attendance. This year we will have several continuing attendance incentives and interventions as listed below.

PERFECT ATTENDANCE RECOGNITION

Perfect Attendance: Each trimester, students with Perfect Attendance will be rewarded. A student may have **no more than 3 tardies and/or early outs per trimester and 0 absences to be recognized for perfect attendance.** An absence may be made up by attending 1 Saturday School or completing Independent Studies.

INTERVENTIONS/CONSEQUENCES

Attendance Letters: If absences or tardies become truant or excessive, attendance letters will be sent home and may require a conference with an administrator.

School Attendance Review Team (S.A.R.T.): If excessive absences or tardies continue to accumulate, a meeting will be scheduled with the student and parent to address the situation and to identify steps for improving the student's attendance.

School Attendance Review Board (S.A.R.B.): In the event that the above steps do not result in improvement, the student and parent will be referred to the OMSD S.A.R.B. This meeting is held in the presence of district officials, probation officers, a District Attorney Representative, and a Department of Child Services representative to address the situation. A contract will be signed by the parent and S.A.R.B. to improve attendance.

STRIVE FOR FIVE

What is it?

STRIVE FOR FIVE is a program to reward good attendance. The goal is for each student and family to strive for only five or fewer absences in the entire school year. There are 180 days of school. Attending school 175 days or more means your student would have a 97% attendance rate for the year.

How does it work?

Throughout the school year, the students who have less than 5 absences cumulatively will get to participate in a fun activity celebrating their success.

In counting absences for our STRIVE FOR FIVE incentives, a student can make up an absence by attending one of our Academic Make-Up Academies (aka Saturday School) or completing Independent Studies.

Student Recognition

We believe that high achievement requires high expectations. Throughout the year, Elderberry Elementary recognizes student achievement in a variety of ways:

HONOR ROLL:

Each trimester students in grades 1-6 will earn membership to the Elderberry Honor Roll for receiving a “3” or “4” trimester grade in all areas. Honor Roll Certificates will be presented at a special assembly for Honor Roll students. Parents will be notified of the recognition and assembly time about a week prior.

CHAMPION OF THE MONTH RECOGNITION:

Each teacher selects students based on character traits and/or academic achievement.

CHAMPION TICKETS:

Champion Tickets are given to students by Elderberry Staff members for outstanding achievement, demonstration of positive behavior choices and school service. Champion Tickets are used in the Student Store to purchase rewards of the student’s choice.

BE A CHAMPION!

General Information

EMERGENCY CARDS

Parents are required to fill out an emergency card every year. It is very important for the safety of your child that the emergency card is kept up-to-date. The emergency card is used by the office in the event your child becomes ill or has an accident at school.

ANY CHANGES OF ADDRESS, TELEPHONE NUMBER, PARENT'S WORK OR NAME OF PEOPLE WHO HAVE PERMISSION TO PICK UP YOUR CHILD SHOULD BE REPORTED TO THE SCHOOL OFFICE IMMEDIATELY

BIKES & SCOOTERS AT SCHOOL (Grades 3rd-6th):

All bikes must be securely locked (space is limited) during the day and must be **walked** on and off campus. Scooters are allowed and must be **walked** on and off campus. Bike and/or scooter privileges will be taken away if rules are not followed. Skates, and skateboards are not allowed and will be taken away and held until an adult picks it up. Remember, there is only a limited amount of bike spaces, and **it is the law that ALL students wear safety helmets when riding a bicycle or a scooter.**

LOST AND FOUND:

The Lost and Found is kept in the quad. Please ask your children to check it frequently in the event they have lost an item of clothing, lunch box, etc. Placing your child's name on personal items is important. At the end of each trimester, items still remaining in the Lost and Found will be donated to charity.

VISITORS/VOLUNTEERS TO CAMPUS:

Elderberry would like to extend an open invitation to all parents who want to come visit our school. However, due to safety concerns, Elderberry is a closed campus. All parents, guardians, volunteers, or other persons wishing to visit our campus must check in and out at the front office using a photo ID. Communication should be made with the teacher prior to volunteering in the classroom. Volunteer packets are available in the front office and must be completed in order to volunteer in the classroom or on field trips.

RELEASE OF CHILDREN:

The law requires that children not be released to anyone other than their legal parents, guardians or persons stated on their emergency card. If you desire otherwise at any time, please inform the office in writing. Court papers indicating legal custody must be shown to the School Administrator to prevent release to a parent not having custody. ***Release of students to parents during the school day must follow this procedure:***

1. The parent goes to the office and gives the child's name and room number to the office staff.
2. The parent signs the sign-out sheet in the office.
3. Parent must present a photo ID upon request.

LUNCH/BREAKFAST:

Elderberry will be serving breakfast and lunch daily during the school year. Breakfast is served beginning at 7:15. Please see the front office or cafeteria lead with any questions. Breakfast and lunch is free to all students.

MEDICATION AT SCHOOL:

All medication taken at school must be authorized by a doctor. The district requires that:

1. All medication be brought in its original container to the health office
2. Properly labeled by the pharmacy
3. Registered with the school Health Office
4. Given with a signed parent and doctor consent, using the district form
5. Brought to the school by a parent or guardian and **NEVER** in the possession of the student.
6. All over-the-counter medication must be given by parent/guardian and must not be in the possession of the student.

PARENT CONFERENCES/REPORT CARDS:

Report cards are issued three times each year. Parent conferences are scheduled two times per year. Through this process, parents and teachers may work more closely toward helping the child in any areas of need. Parents may also request a meeting with the teacher at any time. Please schedule this meeting by calling the front office or emailing the teacher.

TEXTBOOKS

Your child will be issued textbooks for use during the school year. The following rules apply to the use of school textbooks:

- 1) Books are loaned to students for use during the school year free of charge, including consumable workbooks and are expected to be returned in the same condition as when received (except workbooks) less normal wear and tear. Each pupil is held responsible for the proper care of materials loaned to him/her. Failure to pay for lost or damaged books will result in report cards being held.
- 2) If books are lost or destroyed while issued to the student, the school must be reimbursed for the cost of the book before another can be issued.
- 3) It is the policy of Elderberry School to follow the provision of section 48904 of the Education Code, which states that schools may "...withhold the grades, diploma, and transcripts of the pupil responsible for the damage until the pupil or the pupil's parents or guardian has paid for the damages...". Parents will be notified if their child is required to pay for a lost or damaged book. The prices for books on the California State Instruction Materials Price List range from approximately \$5.00 to approximately \$100.00.

NUTRITION POLICY

New state guidelines were established that further regulate what students can be given to eat at school. They are based on nutritionally sound principles that promote healthy living and learning. The Ontario-Montclair School District took these new guidelines and developed a nutritional policy.

The staff at Elderberry School applauds this renewed emphasis toward better health for our students – your children. We ask that parents not bring any items no longer permitted. These include cakes, cookies, candy, sodas, or any homemade goods. If you would like to bring a food item to a classroom, it is now especially important that you speak with the teacher beforehand. She/he will suggest **items that are now permitted**, such as fruit bars, baked chips, graham crackers, pretzels, yogurt, and 100% fruit juices. She/he will also be able to plan when that item can be shared.

Thank you for your cooperation with this new policy. The children of Elderberry School will be healthier, stronger – and therefore even better learners – as a result of our cooperation.

Promotion/Retention

The Board of Trustees expects students to progress through each grade level within one school year. Toward this end, instruction shall be designed to accommodate the variety of ways that students learn and provide strategies for addressing academic deficiencies as needed.

Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

Student Achievement Review Process Promotion/Retention Guidelines *An Overview*

Educational failure is a crisis for any student, any learning organization, and society. Pupil Promotion and Retention legislation is designed to ensure that schools continually monitor student achievement and support those students who are at-risk of retention. Data from classroom instruction and in-class intervention as well as from extended learning programs are recorded in order to provide a global view of their academic progress. This academic information, along with social/emotional or health considerations, and parent's input provide the basis for determining appropriate educational interventions.

Every child is entitled to receive comprehensive instruction in core academic subjects provided by highly qualified teachers. Research demonstrates that direct, systematic instruction, using materials that offer multiple opportunities for guided and independent practice, frequent monitoring of academic progress, early intervention, and intensive supplemental instruction will ensure academic achievement. The Pupil Promotion and Retention legislation (Ed. Code Section 48070) as well as the Ontario-Montclair School District Board Policy (BP 5123) state that students who are at risk of failing be identified as early as possible in order to receive supplemental instruction to accelerate academic growth.

The Ontario-Montclair School District Student Achievement Review Process (Guidelines for Promotion/Acceleration/Retention) provides sites with the guidelines and forms for monitoring student achievement. These documents include forms for recording intervention data, forms for creating an intervention plan with the parent at conference time, guidelines for gathering documentation for presentation to the Student Success Team, guidelines for contents of the Student Achievement Review Folder (Green Folder) and the Promotion-Retention Recommendation form used to record student placement.

Providing students with a consistent, coherent instructional program that provides appropriate and timely interventions, offers intensive supplemental instruction on targeted skills, and establishes a partnership with parents will promote academic achievement and ensure all students are prepared for the challenges of the next level of learning.

Title 1 Parent Involvement Policy

Title I School-Level Parental Involvement Policy Elderberry Elementary

2025-2026

Elderberry Elementary has developed a written Title I parental involvement policy with input from Title I parents. *Input is collected from parents through various parent meetings.* It has distributed the policy to parents of Title I students. *The policy will be distributed with the beginning of the year packet that is sent home with all students. It will be given to new students after the first day with enrollment packets.* The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

Involvement of Parents in the Title I Program

To involve parents in the Title I program at Elderberry Elementary, the following practices have been established:

- The school convenes for an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. This is done at our parent meetings, where the principal shares a presentation to families.
- The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening.
- Title 1 presentation is shared at various parent meetings.
- The school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review*, and improvement of the school's Title I programs and the Title I Parental Involvement Policy.
- Principal reviews data, and seeks input from parents from School Site Council, SELPAC, GATE, and Special Education parent Committee.
- The school provides parents of Title I students with timely information about Title I programs.
- Elderberry Elementary provides information about Title I programs during SELPAC, School Site Council, and Gate Parent meetings and Special Education meetings.
- The school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. Parents of Title 1 students are available to participate in the decision making process relating to the education of their children at School Site Council, GATE Parent meetings, Student Study Team meetings, and parent engagement committee meetings.

School-Parent Compact

Elderberry Elementary distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities
- Parent input is taken to jointly develop the school-parent compact. The compact is distributed with the beginning of the year information or as students enroll throughout the school year.

Building Capacity for Involvement

Elderberry Elementary engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices.

- The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. Parents of Title I students are given information regarding the curriculum used at school, the assessments used to measure student progress, and the proficiency levels students are expected to meet during Back to School Night, School Site Council, Parent Conferences, Open House, and Student Study Team Meetings, (and at any time a parent requests a meeting with teacher and, or administration.)
- The school provides Title I parents with materials and training to help them work with their children to improve their children's achievement. This training is provided through graded level parent workshops and parent conferences.
- With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and on how to work with parents as equal partners.
- The school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children. Parent workshops and parent education opportunities are offered throughout the year at the school site and through the district parent center.
- The school distributes Information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand. All written parent notices and ConnectEd messages are sent in English and Spanish (or can automatically be translated via ParentSquare).
- The school provides support for parental involvement activities requested by Title I parents. Parents are surveyed to determine focus areas appropriate each year. Parent input is also collected at all parent meetings.

Accessibility

Elderberry Elementary provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand. All parent meetings and notifications are translated in Spanish. Information is distributed to appropriate groups or school-wide depending on the topic and purpose of the meeting.

School-Parent Compact

School-Parent Compact for Achievement

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to ensure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in their child's learning

Jointly Developed

The families, students, and staff of Elderberry School Site Council and parent advisory committees meet multiple times a year to discuss student learning needs based on current grade-level and district data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers identify home learning strategies for students and share these strategies with parents. Parents are encouraged to contribute in the process. Then students and teachers identify ways to support learning goals.

Building Partnerships If you would like to volunteer in a classroom, please contact our front office at: or (909) 986-0108.

Activities to Build Partnerships

- Elderberry Elementary School holds parent meetings including SSC (School Site Council) and SELPAC (Site English Learners Parent Advisory Committee), SWD (Students with Disability Parent Advisory Committee) to actively communicate updates and topics relevant to families.
- Support staff work with parents needing assistance with social or emotional issues.
- Parents participate in school and district committees and involvement activities.
- The Parent Engagement Center is provided with materials to aid parents in their work as volunteers. The Center serves as a hub for parent volunteers to meet and engage with one another.
- Various family engagement opportunities are calendared throughout the year to build relationships and fundraise for student incentives. Events include: Jog-a-thon, Spring Festival, Field Trips, Grade level parent workshops, Back to School Night, Open House and parent conferences.

Bike and e-bike Policy and Permission Slips

ONTARIO-MONTCLAIR SCHOOL DISTRICT

Dear Parents/Guardians:

To ensure the well-being of all of students, we are informing you of our policy on bike and e-bike safety. It is imperative that all students are aware of the rules and regulations, the responsibilities and the dangers of riding these vehicles. It is our hope that by working together we will help our students attain the knowledge necessary to ride safely.

Effective immediately, it is the policy of Ontario-Montclair School District that all students riding bikes and e-bikes, if allowed to and from school **MUST** wear a safety helmet. This is a state law, as well as a school rule. The helmet may not be held in the hands of students or carried on handlebars; **THEY MUST BE WORN**, while riding the bike or e-bike. Any child who enters the campus without a helmet on their head will have their bike or e-bike confiscated immediately. **Students cannot ride motorized scooters or level 3 e-bikes, as they must be age 16 or older.** The vehicle will not be released until a parent comes to campus to retrieve it.

Enclosed please find a Safety Agreement. If your child rides a bike or e-bike to school, the agreement must be signed by you and your child and returned to the front office as soon as possible. If the agreement is not kept, the student will not be allowed to ride his/her bike to school.

Please discuss the following critical traffic safety tips with your child:

- Cross streets only at designated crosswalks.
- Even when the light turns green at a stop signal, wait and ensure all cars have stopped before crossing.
- Always walk bikes and e-bikes when crossing the street in a crosswalk.
- Riding double on any vehicle is extremely dangerous and illegal.
- Be aware of municipal laws regarding riding on sidewalks.

Thank you for your attention. Ensuring the safety of our students remains a top priority.

IT'S THE LAW

Children ages 17 and under must wear a safety helmet whenever riding a bike, e-bike, scooter and skateboard.

Children ages 16 and older are allowed to ride motorized scooters and motorized skateboards.

Wearing a safety helmet has been proven to prevent up to 85% of bicycle-related head injuries to children.

Make sure the helmet is fitted properly on the child's head for maximum protection.

- The straps must form a "V" on either side of the ears.
- The chin strap should have a 1/2 inch play.
- The helmet sits just above the eyebrows.

Basic Safety Tips for Bike & E-bike Users

Wear a helmet. Helmets are good for cyclists of all ages.

Stay visible. Wear brightly colored clothing for daytime riding.
At night, use reflective materials and lights (front white light + rear red light on e-bikes).

Use your bell or horn. A warning device alerts drivers, pedestrians, and other cyclists to your presence.

Ride on the right side and in a straight, single line. Obey traffic signs and signals.

Look, signal, and look again before changing lanes or turning.
Establish eye contact with drivers.

Don't wear earphones. You may wear one earbud, but keeping your ears clear is safer.

Ride predictably and defensively. Do not weave in and out of traffic and slow down in questionable situations.

Watch out for pedestrians or other path users and road hazards (i.e., car doors, wet pavement, objects in the path).

Keep your bike or e-bike maintained regularly. Inflate tires properly and follow the manufacturer's guidelines.

Learn local laws, where e-devices are allowed, and speed limits or regulations.

Always ride lawfully and responsibly.

E-Bike and E-Scooter Safety

The popularity of electric bikes and electric scooters (e-bikes and e-scooters) has taken off over the past few years. Lithium-ion batteries are usually the source of power for both, and if not used correctly, or if damaged, those batteries can catch on fire or explode. Whether you use e-bikes or e-scooters as your main way of getting around, or just for fun, there are important safety tips to keep in mind when charging or storing these devices.

The Problem

- Damaged or defective batteries can overheat, catch fire, or explode.
- Lithium-ion battery fires give off toxic gases and they burn extremely hot.

Safety Tips

- Only purchase and use devices, batteries, and charging equipment that are listed by a nationally recognized testing lab and labeled accordingly.
- Always follow the instructions from the manufacturer.
- Only use the battery and the charger that were designed for, and came with, the device.
- Do not keep charging the device or device battery after it is fully charged.
- Only charge one device or device battery at a time to prevent overloading the circuit.
- Keep batteries at room temperature when possible. Do not charge them at temperatures below 32°F (0°C) or above 105°F (40°C).
- Do not store batteries in direct sunlight or inside hot vehicles, and keep them away from children and liquids.

- Store e-bikes, e-scooters, and batteries away from exit doors and anything that can get hot or catch fire.
- Only have device repairs performed by a qualified professional.
- Do not put lithium-ion batteries in the trash. Recycling is always the best option. Take the batteries to a battery recycling location or contact your local waste department for disposal instructions.

Signs of a Problem

Stop using the e-bike or e-scooter if you notice any of these problems with the battery: unusual odor, change in color, too much heat, change in shape, leaking, smoking, or not keeping a charge.

If you see a fire ...

Leave the building immediately.

Don't try to fight the fire.

Call 911.

E-BIKE OR E-MOTORCYCLE?

With the increase in E-Bike popularity, the need for safety, education, and training is essential. Many “E-bikes” are **DANGEROUSLY** unlike traditional bikes: too fast for walking paths and not built with the safety requirements of our roads. Some E-bikes can travel at speeds that may classify them as motorcycles or vehicles. Young riders (untrained in road safety), combined with high-speed auto traffic, can result in major injuries or even death.

The California Highway Patrol offers a **FREE** training course in E-Bike Safety. Visit www.chp.ca.gov, to take the E-Bike training: “Electric Bicycle Safety and Training”.

4 KEY SAFETY TIPS

1

RIGHT SIDE OF THE ROAD

Like vehicles, bicyclists are required to ride on the right side of the road.

2

AVOID THE SIDEWALK

Avoid riding E-Bicycles on sidewalks, as it can be dangerous to pedestrians.

3

WEAR YOUR HELMET

Protect your head. If under 18, it's required by law.

4

MAINTENANCE

Always maintain your equipment. Regularly check brakes & tires before riding.

Questions? Consult the California Vehicle Code or DMV for more information regarding current laws.
