I. ABOUT WILTSEY

International Baccalaureate Programme

Wiltsey Middle School is an International Baccalaureate (IB) World School. The mission of IB is to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end, the organization works with schools, governments and international organizations to develop challenging programs of international education and rigorous assessment. This program encourages students across the world to become active, compassionate and lifelong learners who understand and respect others' differences and perspectives.

The IB learner profile is the IB mission statement translated into a set of learning outcomes. The learner profile provides a long-term vision of education. It is a set of ideals that can inspire, motivate and focus the work of students and teachers, uniting them in a common purpose. IB Learners strive to be: Inquirers, Knowledgeable, Communicators, Thinkers, Principled, Open-Minded, Risk-Takers, Caring, Balanced, and Reflective.

Growth Mindset

The term 'growth mindset' refers to a way of thinking, learning and taking on challenges. A person with a growth mindset is open to constructive criticism, accepts feedback and uses it to improve, takes on new challenges, pushes oneself outside of his/her comfort zone and shows resilience and perseverance. Studies show that it is people with a growth mindset (as opposed to a fixed mindset) who better persevere through challenges, are more successful in overcoming adversity and have a more positive outlook on life. Our aim is to foster this growth mindset in our students so that they can achieve their full potential.

Some key aspect of Growth Mindset at Wiltsey:

- Persevere through challenges.
- Take risks and try different approaches/strategies to solve complex problems or tasks.
- Learn from others. Our peers often make the best teachers.
- Don't compare yourself to others. You are unique and gifted in your own special way.
- Challenge yourself to see things from another point of view.
- Participate and get involved in your learning.
- Mastering something new gives a sense of accomplishment.

- The brain is making new connections all the time. You can learn anything!

II. SCHOOL SERVICES

Attendance & Tardy Procedures

It is very important that students attend school every day to be successful, and Wiltsey strives to be at the top of the district in attendance. The Attendance Office can be reached by calling: (909) 986-5838, ext. 225. Absences for oversleeping, bad weather, baby-sitting, vacations, transportation, personal or family business, etc. are not considered valid excuses by the State of California for missing school.

Absences: Parents/Guardians must call the school attendance office at 986-5838, ext. 225 as soon as they know their student will be absent so the absence can be verified. If unable to call, a written excuse signed by a parent/guardian must be turned in to the Attendance Office on the first day the student returns from the absence. Students returning from an absence, must report to the attendance office and receive a re-admit slip before they attend their first class of the day. Absences will be marked "TRUANT" unless the Attendance Office receives a note or phone call from a parent/guardian within three calendar days after the student is absent. Truancies (unexcused absences) & excessive absences will be referred to the Counselors, Administration, and possibly the District's School Attendance Review Board (SARB) for further action. Truancies make students ineligible for school dances and other extra-curricular activities.

Tardies: Students are expected to be in class on time with any necessary supplies (i.e. pencils, paper, etc.) every day before the start of each period. Zero period students will report directly to their class when they are tardy. For late arrivals to first period, between 8:15 A.M. to 8:25 A.M., students will report directly to their first period class. If students arrive to first period after 8:25 A.M., they must report to the Attendance Office for a tardy slip. Teachers will not accept students into their first period classes after 8:25 A.M. without a tardy slip. Students arriving after their first period class will also need to get an admit slip from the Attendance Office the next day. Consequences for being tardy may include detention, referral to Administration, loss of privileges, and other appropriate actions that will prevent future tardiness.

Breakfast/Lunch Program

The Ontario-Montclair School District takes part in the National School Lunch and Breakfast Program. Nutritious meals are served every school day at Wiltsey, and all students receive breakfast and lunch at no charge. Each student's ID card will serve as their meal card. Their ID number must be scanned or entered each time the student receives a school breakfast or lunch. Students should memorize this number and not share it with any other students.

Counseling Services

Counselors are available to assist students who are having trouble keeping up with their schoolwork, making friends, or adjusting to the middle school experience. Additionally, they assist parents/guardians and students with any questions or concerns about attendance and academics, as well as offering available resources and services. As the result of self-referrals, parent/guardian referrals, and/or teacher referrals, some students may participate in individual or group counseling throughout the school year. Students may stop by the "PAWS Center" to see a counselor anytime during the school day.

Emergency Contact Cards

All students and parents/guardians are required to complete an emergency card with three working phone numbers as a requirement for enrollment. Students who do not have a completed emergency card on file may be excluded from school until it is completed and turned in to the school office. Parents/guardians must keep the school's office informed of any change of address and/or telephone number during the school year.

Health Office

The health office is a first aid station equipped for minor injuries and illnesses. Student's who display symptoms of a serious illness such as fevers higher than 100 degrees, chills, vomiting, and breathing problems should see a doctor and stay home until all symptoms have passed. Students who become ill or injured at school may report to the health office with written consent from their teacher or another staff member. If a child is found to be too ill to remain at school, a parent, guardian or emergency contact will be notified to pick up the student. Students are not allowed to leave campus during school hours under any circumstance without permission or use their personal cell phones during school hours to contact a parent regarding their illness (unless they have been given direct permission to do so by staff personnel). The school nurse or health assistant will make all parent/guardian notifications. Inform the school nurse or health assistant of any serious health concerns and/or to report any changes to a student's emergency card or health information. Make sure to update, and provide a copy to the school, of all changes to immunization record.

Medication

If a student requires medication during school hours, a Medication Administration Form must be filled out by a physician and signed by a parent/guardian. This policy also applies to any over the counter medication, such as; Tylenol, aspirin, cough drops, etc. This form should be returned to the Health Office with the prescribed medication. All medications must have a prescription label with the student's name, birth date, medication name, dose, prescribing doctor and expiration date. All medications will be administered by the school nurse, health assistant, or a trained staff member, according to the doctor's directions. Any Student who is prescribed an inhaler for Asthma, may self carry his/her medication, if a signed medication form with permission from the child's doctor has been received by the school. All medications must be delivered and or picked up at the end of the school year by a parent/guardian. If there are changes in your child's medication, inform the school and have a new Medical Administration Form completed by the student's physician. All medications without proper paperwork are prohibited. Please contact the School Nurse or Health Assistant at (909) 986-5838 ex.229 for details or further questions.

Independent Study Program

A short-term independent study program is an optional educational alternative to classroom instruction available to students who are absent for five (5) or more consecutive school days. A written independent study agreement must be completed by a parent/guardian and the student. The agreement documents may be obtained from the main office. Requests for an independent study program must be submitted a minimum of five (5) school days in advance of the leave.

Work assignments and needed resources will be determined and provided by the student's teachers and a due date for the assignments will be established. For attendance purposes, the absence will be marked unexcused until such time that the work is graded and placed on file. If all the conditions of the agreement have been met, including deadlines and satisfactory work performance, the attendance record will be changed so the student receives credit for the days absent.

III. POLICIES & PROCEDURES

Arrival/Dismissal Times

It is the responsibility of each student to be in class on time and prepared to learn! Zero Period begins promptly at 7:20 a.m. zero period students will enter campus through the "G" Street gate. All first period students will enter campus through the G Street gate, which opens at 7:35 a.m. daily. The first period bell rings each day at 8:10 a.m. and class starts at 8:15 a.m. School is dismissed at 2:30 p.m. on Monday,

Wednesday, Thursday and Friday and at 1:15 p.m. on Tuesday. All students are required to leave campus immediately at the end of the school day, unless they are participating in an authorized after school activity. All students who are not picked up by 2:45 p.m. will be directed to the MPR, where parents will be required to sign out their student.

Bicycles, Skateboards & Scooters

Bicycle, skateboard, and scooter racks are provided in the area next to the main office. Bicycles, skateboards, and scooters are not to be ridden or used on school grounds, or while entering and exiting the school. All items are to be locked and secured in the proper area using a personal lock. No "lock-sharing" is allowed. The school is not responsible for damage or theft of these items while locked in the rack area. In traveling to and from school, all traffic laws, city ordinances, and safety rules must be obeyed. Bicycles, skateboards, and scooters will be confiscated if students do not have a helmet in their possession. In order to return the confiscated item the student must bring a helmet to school.

Acceptable Use of Technology

All Wiltsey students and parent must sign an OMSD Acceptable Use of Technology Agreement which establishes policies for responsible student use of technology and related resources. Use of technology including cell phones, iPads, computers and social media to bully or harass students or staff will not be tolerated. Students may not visit web sites without express permission from their teacher. Searches for "inappropriate" sites and images are prohibited. Misuse of equipment, such as etching on it or removing keys, is considered vandalism and will result in disciplinary action and replacement charges.

Cell Phones & Electronic Devices

Students are strongly discouraged from bringing electronic devices to school. Electronic devices and cell phones brought to school may only be taken out and/or used before school, during lunchtime, and after school. These items will be confiscated and returned to an authorized parent/guardian if they are turned on, taken out, or are visible at any other time during the day, which includes passing periods and class time. Cell phones used as cameras will be confiscated. Photographing or videotaping is prohibited without the permission of a school official. It is recommended that these items never be stored in an unattended backpack. Loss or theft of these items will not be investigated by the administration, nor will the school or district be responsible for their replacement. Students who violate the conditions of this agreement may be subject to a warning, parent phone call, parent conference and loss of technology use privileges, and/or disciplinary proceedings.

Confiscated Items

Wiltsey is not responsible for confiscated items. These items include, but are not limited to, balloons, toys, stuffed animals, cell phones, music players, candy, gum, food, hats or any other personal items being used in the classroom or on campus that are not part of the academic learning program. Any prohibited items, or items used in violation of school rules, may be confiscated and are required to be picked up by an authorized parent/guardian. Remember this general rule: If you do not have permission from a school official to bring an item to school, don't bring it!

Physical & Health Education Dress Requirements

Physical & Health Education (PHE) is a required daily class and is extremely important to a student's physical health and well-being. Students are expected to dress out and participate every day in the PHE program. The PHE Department has a very strict policy regarding dressing out and has specific consequences for failing to do so. Students who do not dress out are still required to participate. Non-dress students will lose points each day they fail to dress out, which will result in a lower effort score and

possible detention. Students who forget their clothes will be provided loaner clothes. PHE uniforms must be cleaned weekly. The preferred Physical & Health Education uniform is defined as a Wiltsey t-shirt, Wiltsey shorts, or plain green, gray or black sweatpants and athletic shoes and socks. (Wiltsey shorts, shirts, and sweats are available for purchase from the PHE Department).

Physical & Health Education Excuses

If a student is sick or unable to participate in physical exercise for the day, a written note with a working phone number from the parent/guardian is required. A note from the parent/guardian may excuse a student up to three consecutive school days. If a student needs to be excused from his/her PHE class for more than three consecutive school days, a doctor's note is required.

Student Searches

As set forth in OMSD Board Policy 5145.12, Wiltsey Administrators or designee may search any individual student, his/her property, or district property under his/her control when there is a "reasonable suspicion" that the search will uncover evidence that the student is violating the law, OMSD Board Policy, and/or other rules of the district or school. Searches may be conducted without prior approval of parents/guardians. Parents/guardians will be notified as soon as possible after the search. The type of student property that may be searched includes, but is not limited to, clothing, lockers, desks, purses, backpacks, cellular phones, and/or other electronic communication devices.

Selling Items at School

The selling of candy, food, or other items by any student or group, without authorization by the school administration, is prohibited.

IV. ACADEMICS

At the end of the year the most outstanding eighth grade students will be recognized for their accomplishments in a variety of categories during an evening honors ceremony.

Sports Banquet

All students who participate in a sport and meet eligibility requirements will be invited to an annual sports banquet held in May.

Ineligibility Guidelines for School Activities

Wiltsey Middle School provides a wide range of extra-curricular and co-curricular opportunities for students to participate in throughout the year. Participation in these activities is a "privilege," not a "right." Minimum requirements have been established for students to participate in these school activities, events, and sports. Students will be deemed ineligible if they meet one or more of the following criteria. Note that the Administrative Team may use discretion on a case by case basis.

Homework Policy

The OMSD School Board acknowledges the educational validity of homework as an extension of the instructional program of the school. Homework is defined as school-related assignments by a teacher or through mutual agreement of the student and teacher, which will require time and effort outside of the regular classroom for successful completion. Daily homework assignments should normally include an average 90 minutes, 4-5 days per week.

Progress Reports & Report Cards

IB report cards are issued two times a year, at the end of each semester. Students will also receive progress reports for their classes every nine weeks between report cards. A school-wide parent/guardian phone notification is made the day the progress report is sent home with your student so that parents/guardians will be expecting them.

Student Led Conferences

Student Led Conferences take place at the middle of each semester. During the conference, students reflect and take ownership of their learning. Parents are strongly encouraged to participate in person to support their students' academic growth. During the student led conference, parents and students jointly develop goals that will be reflecting on at the next student led conference.

School Loop

School Loop is an online grading system that teachers update weekly. Parents and students have the ability to log into the system at any time to inquire about their student's academic progress and attendance. If registered, School Loop sends home a daily notification of the student's current progress in the MYP. It is essential for students to log into School Loop to monitor their individual progress and ensure, if permitted, that they make up all missing assignments. Parents/guardians are encouraged to conference by phone, email, or in person with the teacher at any time in order to address ways of improving their student's grade. Parent accounts can be created by contacting the PAWS Center Office Clerk at (909) 459-2821. Parents and students can email teachers, counselors and administrators through School Loop. VI. STUDENT SERVICES

Daily Student Bulletin

The daily student bulletin is read each morning and posted in classrooms. The student bulletin contains notices, announcements, information, and Words of Wisdom that are important to the daily school program.

Parent/Guardian Participation

Parents/guardians are encouraged to be involved with their student's education at Wiltsey. We welcome parent/guardian visits and phone calls. Parents/guardians are welcome to visit their son/daughter's classes throughout the school year. Parents should sign in at the front office, and receive a "visitor's pass" before they are allowed to visit a classroom. Parents/guardians are encouraged to attend Student Led Parent Conferences, Back-to-School Night, Open House, and Family Nights. Parents/guardians are invited to become involved with Wiltsey's School Site Council and SELPAC (Site English Learner Advisory Committee), AVID Parent Group, and more. These are important parent groups that provide valuable input into our many school programs, our school plan and ongoing educational programs.

"PAWS" (Pawsitive Action With Students) Counseling Center

Wiltsey has counseling services available to all students and their parent/guardian. The Counseling Center is open from 7:45 a.m. to 3:00 p.m. (Later times are available by appointment.)

Student ID Requirements

Students will be issued an ID card at the beginning of the school year. The ID card must be presented to purchase tickets and participate in school events. The bar code on the card is also used for accounting purposes every time a student receives a meal from the cafeteria. Lost ID cards may be replaced in the PAWS Center for \$2.00. ID's should only be used by the owner and should not be shared with others. Use of another person's ID will result in disciplinary action. Altering the ID card in anyway is prohibited.

Student Planners

Every student will be issued a student planner at no charge at the beginning of the school year or when the student first enrolls at Wiltsey. The Student Planner must be brought to school every day. Homework

assignments must be recorded in the planner daily. With guidance from the teacher, students will map out important deadlines for each IB unit. Lost, stolen, or damaged Student Planners must be replaced immediately by the student. Replacement Planners can be purchased for \$5.00 from the PAWS Center.

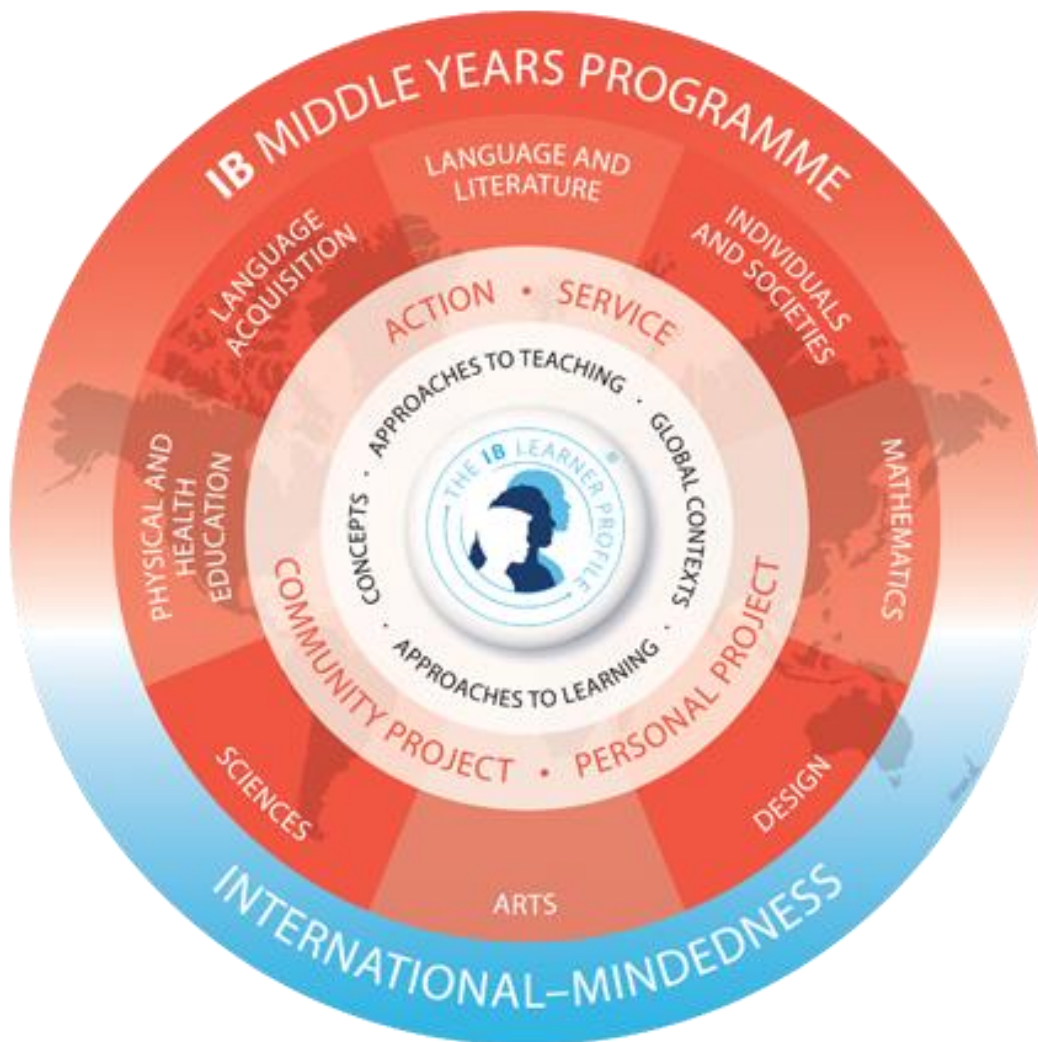

Textbooks

A set of all required textbooks are loaned to students for their use at home during the school year, and are the responsibility of the student. Textbooks are very expensive and are to be used for reference, class work, and homework. They are to be handled carefully, and are not to be written in. Parents/guardians are responsible for the replacement cost of lost, stolen, or damaged books. Promotion certificates and other records will be withheld, and students will be excluded from all extra-curricular activities until the debt is paid in full.

VII. INTERNATIONAL BACCALAUREATE

The IB Middle Years Program (MYP) Philosophy

The MYP fosters holistic learning, inter-cultural awareness and communication, which are the three fundamental concepts of the International Baccalaureate Programme. An IB education empowers young people for a lifetime of learning, both independently and in collaboration with others. It prepares a community of learners to engage with complex global challenges through a dynamic educational experience framed by inquiry, action and reflection.

The IB Learner Profiles

The IB learner profile represents ten character attributes valued by IB World Schools. These attributes help our students become responsible members of local, national and global communities.

- **Inquirers** We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.
- **Knowledgeable** We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.
- **Thinkers** We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.
- **Communicators** We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.
- **Principled** We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.
- **Open-Minded** We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.
- **Caring** We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

- **Risk-takers** We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.
- **Balanced** We understand the importance of balancing different aspects of our lives – intellectual, physical, and emotional – to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.
- **Reflective** We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

Approaches to Learning (ATL)

Through the IB Approaches to Learning (ATL), students develop skills that are transferable across the curriculum and relevant to real world application. ATLs provide a solid foundation for learning independently and with others and they provide a common language that students and teachers can use to reflect on the learning process. Ultimately, ATL skills help to prepare students for responsible participation in local and global communities.

Approaches to Learning	Description
Communication Skills	<ul style="list-style-type: none"> • Exchanging thoughts, messages and information effectively through interaction • Reading, writing and using language to gather and communicate information
Social Skills	<ul style="list-style-type: none"> • Working effectively with others

Affective skills	<ul style="list-style-type: none"> • Managing state of mind Reflection skills
Research Skills	<ul style="list-style-type: none"> • Finding, interpreting, judging and creating information • Interacting with media to use and create ideas and information
Thinking Skills	<ul style="list-style-type: none"> • Analyzing and evaluating issues and ideas • Generating novel ideas and considering new perspectives • Using skills and knowledge in multiple contexts

IB MYP Assessment

At Wiltsey we recognize that students learn in different ways, and in keeping with a holistic view of education, we think it is important to provide a variety of different ways for students to demonstrate what they have learned. This is the guiding principle of the MYP assessment. The IB program provides teachers with a structure for assessment based on fixed objectives. Students should be assessed in a variety of different ways: written assignments, oral presentations, field work, practical work, role-play, debates, exhibitions, performance, tests, research papers and peer and self-assessment.

Assessment is not based on how many questions a student can answer or the percentage achieved, but rather, what skills have been learned or what level of understanding can be demonstrated. Assessments are criterion-related based upon the MYP objectives for each subject area (see chart below). These standards are given to students in rubric form at the beginning of each IB unit. Assessments are on-going and reflective, allowing students to evaluate their progress and set targets for improvement.

Subject	Criterion A	Criterion B	Criterion C	Criterion D
Language and Literature	Analyzing	Organizing	Producing text	Using language
Language Acquisition	Comprehending spoken and visual text	Comprehending written and visual	Communicating	Using language

Visual and Performing Arts	Knowing and Understanding	Developing skills	Thinking creatively	Responding

IB Grading

Through formative assessments, students are given continuous feedback on their work in progress. Summative assessments are performance tasks that are administered at the end of each IB unit. The summative assessment impacts the final grade more than the formative assessments. All formative objective scores for each IB criterion A, B, C and D are each worth 15% of the students overall grade, whereas, the summative task at the end of each unit is worth 40% of the students final unit grade.

IB grades are based on what students "can do" in meeting the rubric objectives in each curricular area. Students are scored on a 1-8 IB rubric for all assessments. The scores are combined from each subject area criterion A, B, C & D and are translated into an IB reporting score of 1-7. The information for each scale score is described in the chart below.

Final Grade	Descriptor
7	A consistent and thorough understanding of the required knowledge and skills, and the ability to apply them almost faultlessly in a wide variety of situations. Consistent evidence of analysis, synthesis and evaluation is shown where appropriate. The student consistently demonstrates originality and insight and always produces work of high quality.
6	A consistent and thorough understanding of the required knowledge and skills, and the ability to apply them in a wide variety of situations. Consistent evidence of analysis, synthesis and evaluation is shown where appropriate. The student generally demonstrates originality and insight.

5	A consistent and thorough understanding of the required knowledge and skills, and the ability to apply them in a variety of situations. The student generally shows evidence of analysis, synthesis and evaluation where appropriate and occasionally demonstrates originality and insight.
4	A good general understanding of the required knowledge and skills, and the ability to apply them effectively in everyday situations. There is occasional evidence of the skills of analysis, synthesis and evaluation.
3	Limited achievement against most of the objectives, or clear difficulties in some areas. The student demonstrates a limited understanding of the required knowledge and skills and is only able to apply them fully in everyday situations with support.
2	Very limited achievement against all the objectives. The student has difficulty in understanding the required knowledge and skills and is unable to apply them fully in normal situations, even with support.
1	Minimal achievement in terms of the objectives

AVID, ASB, ALD and Yearbook/Journalism classes do not follow the IB grading guidelines described above, but use a seven point grading scale so that the final grade reflects the same point scoring system.

The following three custom grading codes can appear in place of a rubric score in School Loop:

- E - Excused Assignment (No numeric value is associated when an assignment is excused)
- M - Missing Assignment (A score of zero is automatically recorded to all missing assignments)
- A - Absent (A zero score is automatically recorded until the work is made up and scored)

Research shows that effort and behavior are the best indicators of success. Consequently, great emphasis is placed on these two categories of the report card. It is our hope that parents will focus on this part of the report card as well. A student with a high rubric score in a specific subject area and a low effort or behavior mark is an indication that your student is not performing and learning to their full potential. Likewise, if a student has a lower rubric score but is rated as outstanding in both effort and behavior is an indication that he/she is struggling but is fully engaged in the learning process to improve. If effort is the best indicator of lifelong success, than the student with high marks in these categories is on the correct growth path to meet their potential.

VII. ACADEMIC HONESTY POLICY

Integrity

Academic honesty in the advancement of knowledge requires that all students and teachers respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property.

As members of an academic community, students and faculty assume certain responsibilities. One of these responsibilities is to engage in honest communication. Academic dishonesty is a serious violation of the trust upon which an academic community depends.

Violations

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

Cheating: Using unauthorized notes or other study aids during an examination; using unauthorized technology during an examination; improper storage of prohibited notes, course materials and study aids during an exam such that they are accessible or possible to view; looking at other students' work during an exam or in an

assignment where collaboration is not allowed; attempting to communicate with other students in order to get help during an exam or in an assignment where collaboration is not allowed; obtaining an examination prior to its administration; altering graded work and submitting it for regrading; allowing another person to do one's work and submitting it as one's own; submitting work done in one class for credit in another without the instructor's permission; obstructing or interfering with another student's academic work; undertaking any activity intended to obtain an unfair advantage over other students.

Plagiarism: The representation of another person's work as one's own, or the attempt to blur the line between one's own ideas or words and those borrowed from another source. It is the use of an idea, phrase, or other materials from a written or spoken source without acknowledgment in a work for which the student claims authorship.

A student can avoid the risk of plagiarism in written work or oral presentations by clearly indicating, either in footnotes or in the paper or presentation itself, the source of any idea or wording that he or she did not produce. Sources must be given regardless of whether the idea, phrase or other material is quoted directly, paraphrased or summarized in the student-writer's own words.

Fabrication: Falsifying or inventing any information, citation, or data; using improper methods of collecting or generating data and presenting them as legitimate; perpetrating hoaxes unbecoming to students in good standing or potentially damaging to Wiltsey Middle School's reputation or that of the members of its academic community of students.

Facilitating Academic Dishonesty: Aiding another person in an act that violates the standards of academic honesty; allowing other students to look at one's own work during an exam or in an assignment where collaboration is not allowed; providing information, material, or assistance to another person knowing that it may be used in violation of course, or school academic honesty policies; providing false information in connection with any academic honesty inquiry.

Falsifying Records and Official Documents: Forging signatures or falsifying information on official documents sent home for a parent's signature.

Avoiding Plagiarism & Crediting Sources

Academic honesty and integrity is at the core of the International Baccalaureate ideal of being a principled learner. Whether you are presenting a formal research paper or an opinion paper on a current event, you must be careful to give credit for any ideas or opinions that are not your own. Presenting someone else's ideas, research, or opinion as your own - even if you have phrased it in different words - is plagiarism, the equivalent of academic stealing, or fraud. Do not use the ideas or research of others in place of your own. Read from several sources to draw your own conclusions and form your own opinions. Incorporate ideas and research of others to support your points. Credit the source of the following types of support:

- Statistics
- Direct quotations
- Indirectly quoted statements of opinions
- Conclusions presented by an expert
- Facts available in only one or two source

When you credit a source, you acknowledge where you found your information and you give your readers the details necessary for locating the source themselves. Wiltsey, has adopted MLA format to appropriately cite all resources in one's work. To find out more information on how to appropriately cite sources using MLA format please reference page 29 in the planner.

Ignorance of these standards will not be considered a valid excuse or defense. If a student is ever in doubt about an issue of academic honesty, or has any hesitation about a contemplated course of action, the student should consult with his or her teacher or seek the advice of a school counselor.

SRI READING SCORES & GOALS

Reading is an important indicator of student success in high school and beyond. The Ontario-Montclair School District uses the Scholastic Reading Inventory (SRI) to assess students' reading ability. Your student is administered this assessment in August, November, February and May. Independent reading is critical in building strong fluency, comprehension and vocabulary skills to raise these scores. You can best assist your child by ensuring that they are engaged in independent reading.

Example Prompt: What can community members do to help recycle?

R: There are many ways to help recycle.

A: Something easy that community members can begin doing is to sort their recyclable materials.

Te: According to recycleworks.org, the most beneficial thing community members can do to help the environment is to sort their everyday materials into the following categories: paper, glass, cans, plastic, and compostable. After these materials have been sorted, they can be taken to a local recycling center. Often, community members are paid in exchange for their recyclables which makes recycling all that more appealing.

S: Most importantly, recycling has the power to **change** our environment for the better because it creates a cleaner and more sustainable world for our future generations.

This guide provides basic guidelines and examples for citing sources using the MLA Handbook for Writers of Research Papers, 7th ed. (2009).

In-Text Parenthetical References in MLA Style MLA citation style requires that writers cite a source within the text of their essay at the end of the sentence in which the source is used. The parenthetical reference should be inserted after the last quotation mark but before the period at the end of the sentence.

Note: The following document should only be used as a quick reference guide. For more information, please see the *MLA Handbook for Writers of Research Papers*, 7th edition. Copies of the *MLA Handbook* are available in the UVU Writing Center, LI 208, and at the Library 1st Floor Circulation Desk.

FIRST PAGE

The diagram illustrates the layout of the first page of an MLA-format research paper. It is enclosed in a rectangular box. At the top right corner, the text "Jones 1" is positioned, with a line pointing to it from the label "PAGE HEADER". On the left side, the text "Davy Jones" is followed by "Professor Mills", "English 2010", and "7 July 2004" on separate lines. A line from the label "FORMAT" points to this section. Below this, the text "Understanding Whitman's Poetry" is followed by "By examining sectional divisions in Walt Whitman's *Song of Myself*, we can show that 1891 revisions underscore the function of". A line from the label "TITLE" points to the title "Understanding Whitman's Poetry". At the bottom right corner, the text "In-Text Citations" is positioned, with a line pointing to the citation text "By examining sectional divisions in Walt Whitman's *Song of Myself*, we can show that 1891 revisions underscore the function of".

FORMAT

Double space and use a standard font and type size, such as 12-point Times New Roman (*MLA Handbook*, p. 116, 4.1-4.2).

TITLE

PAGE HEADER

A page header includes your last name and the page number separated by about 4 or 5 spaces. Headers should appear in the top right corner of every page, including the Works Cited page (p. 117, 4.4).

IN-TEXT CITATIONS

The title should be 12-point font and centered, but *not* underlined, italicized, bolded, or put in quotation marks (p. 116, 4.3).

MARGINS

Use 1-inch margins on all 4 sides of each page (p. 116, 4.1).

QUOTATIONS

If you need to make additions to a quotation, put your own words in square brackets []. To omit words, use ellipses (three periods, with a space after each). Example: "She was . . . unhappy." (p. 100-101, 3.7.5-3.7.6).

each section as a unit of meaning governed by its own rhythm (Strauch 64). Roger Mitchell calls this "group size pattern":

Whitman is doing more than simply distributing a pattern of groups in some sensible fashion over the lines of a poem, creating what some critics are calling a group/line pattern. Whitman is also conscious of the size of his groups and of their progression in terms of size pattern. (16)

Such an analysis demonstrates the method governing Whitman's formation of stanzas and the meter governing the lines and verses of

BLOCK QUOTATIONS

Quotations that are four or more lines in length need to be set apart in a block. They should be double-spaced and indented 1" from the set margin. Quotation marks are not used with block quotations, and the final punctuation is placed before the in-text citation (p. 94, 3.7.2).

In-text citations should be used after quoting, paraphrasing, or summarizing. State the author's last name and the page number in parentheses without a comma. If the author is named in the text, only cite the page number. If the author is unknown, use the first few words from the title. The period is placed after the citation. If there is no page number, include the author and title within the text rather than using a parenthetical notation (p. 214, 6.1-6.2).

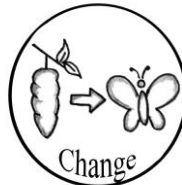

CITING INDIRECT SOURCES

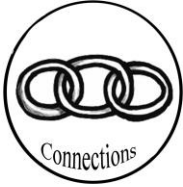

To cite information that your source has taken from a different source, put the original author of the information in the text and write "qtd. in" in your in-text citation followed by the author and page number of the work you found the material in. Example: (qtd. in Asay 352) (p. 226, 6.4.7).

Ontario-Montclair SD Board Policy Sexual Harassment

BP 5145.7 Students

The Board of Trustees is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

(cf. 0410 - Nondiscrimination in District Programs and Activities) (cf. 1312.1 - Complaints Concerning District Employees) (cf. 5131 - Conduct) (cf. 5131.2 - Bullying) (cf. 5137 - Positive School Climate) (cf. 5141.4 - Child Abuse Prevention and Reporting) (cf. 5145.3 - Nondiscrimination/Harassment) (cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Con. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

(cf. 5144 - Discipline) (cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

5. Un mensaje claro de que, en relación con el incumplimiento por parte del demandante de presentar por escrito, en un plazo de tiempo o de otro requisito formal, cada alegato de acoso sexual que tenga que ver con un estudiante, ya sea que sea como demandante, demandado o víctima del acoso, será investigado y se tomarán medidas inmediatas para detener cualquier hostigamiento, prevenir la recurrencia y abordar cualquier efecto continuo que tenga en los estudiantes.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

(cf. 1312.3 - Uniform Complaint Procedures) (cf. 1330 - Use of Facilities) (cf. 4131 - Staff Development) (cf. 4231 - Staff Development) (cf. 4331 - Staff Development) (cf. 6145 - Extracurricular and Cocurricular Activities) (cf. 6145.2 - Athletic Competition) (cf. 6164.2 - Guidance/Counseling Services)
