17th Edison Eats: Craft Night

2018

Please continue to collect Box Tops and put them in your child's classroom collection box.

Did you know... our Membership Drive ends September 28th but you can join at any time? We want to be able to say “yes” when the school needs something. Dances, referees, buses for field trips, and anything else that will make this school an environment the students want to be.

Parent involvement is ALWAYS needed and appreciated. Come to the meetings or leave us a message in the office.

PENNY WARS

November 26-30th: Kids can drop pennies in their classroom penny jars. The class each month with the most money collected wins! But watch out, there are sabotage days when students can deposit silver coins into OTHER classroom jars. These take away from the class total.
