

Dear Moreno AVID Academy Families;

Thank you for attending our Virtual Back to School Night; we enjoyed sharing our vision and goals for the school year! I believe in a strong school-home connection as it is critical to student achievement. When families are involved children do better in school. Ensure you are connected on ClassDojo to receive information on school events, meetings, reminders, class assignments and how to contact your child's teacher. Also, the school website provides school contact information, student and parent links.

We are starting to rebuild our Parent Teacher Organization (PTO) and need you!! If you are interested in joining the Moreno AVID Academy PTO, please click on this [link](#) to complete the interest survey.

I look forward to meeting you all and working with you to continue to support our school community! Please feel free to reach out to me or stop by to say "hi".

Sincerely,  
Kimberly Martindale, Principal

### Daily COVID-19 Family Screening

In an effort to maintain a healthy school environment and to mitigate the spread of the COVID-19 virus, we ask that all parents screen their child for COVID-19 symptoms each morning before they send them to school, and keep them at home if they are sick using our [Daily Checklist for Families](#).

This shared responsibility is critical to our ability to keep everyone safe, healthy and attending in person each day.

Please report your child's illness with details of all symptoms to our health office at 909-445-1661. Our Health Office will follow up on all students that are at home with COVID-19 symptoms.
