A Message from the Principal...

Dear Families,

Happy New Year!! We hope that all families enjoyed their Winter Break. Classes did resume online on January 4, 2021 and we will remain in online learning until February 26, 2021. I just wanted to take the time to pass along some important information:

- **School Office Remains Physically Closed**—Just a reminder that due to the Regional Stay at Home Orders, all site staff are currently working from home. All staff are still available to serve you and can be reached by phone or by email. (Please see information below.)
- **Online Assessments**—During the next few weeks, students will be taking online assessments in reading and in math. We ask that you allow students to take the assessments on their own without any help from parents or older siblings. We understand that caregivers are tempted to give students help, but our teachers need an accurate picture of a student's ability in order to provide instructional support, so please let students work independently.
- **Meal Service**—Meals will no longer be served on Mondays at any OSMD schools. Students will receive extra food on Fridays to make up for the Monday meal. Please continue to monitor Class Dojo for additional information.
- **Computer Care**—Please make sure your child and your family are being careful with their device and charger that was loaned to them by the school. We have replaced many computers and chargers in the last two months that were dropped or damaged. *Please, please help us to keep devices in good working order!!*

Please stay safe and stay healthy!! We miss you!!

Sincerely,

Ms. Castillo

OMSD Parent Tech Helpdesk Hotline: 909-687-1036

Vista Grande School Office: 909-988-2234

If your call is not answered, please leave a voicemail message, so that office staff can return your call.
