A Message from the Principal...

Dear Families,

It is hard to believe that we have just completed the first trimester of the 2020-21 school year. While the beginning of the school year has been online, rest assured that Vista Grande teachers have been committed to providing a rigorous online experience. Teachers have continued to teach California state standards and they have continued to use the district curriculum. The time has now come to review your child's progress during the first trimester during Parent-Teacher Conferences. Parent conferences provide an opportunity for teachers to review student learning with parents and set new goals for the next trimester.

Since we are not able to meet in person, all parent-teacher conferences will be via Zoom. If you do not have a device, please use your child's computer to access your conference appointment time, which are scheduled for 15 minutes. Please be on the lookout for additional information from your child's teacher. We ask that all families attend their child's parent-teacher conference this year.

Finally, due to the current rates of COVID-19 in our local community, our Superintendent, Dr. James Hammond has extended our online learning through December 2020. We will be distributing additional student materials on November 5 and 6 to all students. Please look for the distribution schedule on DoJo School Story.

Sincerely,
Ms. Castillo

As we approach the Thanksgiving Season, I want to take a moment to thank every member of the Vista Grande Community for working together during our online learning phase. The collaborative efforts of staff, teachers, students and parents has been incredible. While each of us has faced challenges during this time, I am grateful for the commitment that everyone has shown to our students. We will get through this together!

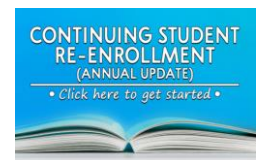

May you all enjoy a well-deserved break from November 23 to November 27. Please continue to stay safe☺.

HAPPY THANKSGIVING TO THE VISTA GRANDE COMMUNITY!!
