What does a Dual Language Immersion Program offer?

This unique program offers English and Spanish speaking students the opportunity to learn and excel in two languages, English and Spanish.

Students in a Dual Language Immersion Program are taught in the 90/10 model. Students in kindergarten receive 90% of their instruction in Spanish and 10% in English. Each subsequent year, English is gradually increased into the program. By 4th-6th grade instructional time will be 50% in Spanish and 50% in English.

All instruction (Except 10%) and assessments are in Spanish.

What is required to be considered for Dual Language?

*Attendance to a Parent Informational Meeting, receive information regarding what program entails.

*Parent **Commitment** for the duration of the program. Support with homework and encouragement for students to persevere during their dual language journey, particularly in the primary years.

Benefits and goals of a Dual Language Immersion Program...

- Students will be biliterate, bilingual, and bicultural in Spanish and English.
- Academic Performance at, or above grade level in both languages.
- Proficiency in Reading, Writing, Speaking and Listening in Spanish and English.
- Increased career opportunities in a global society.
- Acquire cognitive flexibility that also leads to higher-order thinking and increased problem-solving abilities.
- Positive self-esteem, cultural awareness and sensitivity.

Why do parents select a Dual Language Immersion Program for their children?

- To stimulate their child's cognitive, social, and linguistic development.
- To prepare their children with advantages for future careers.
- To provide their children with the skills needed to live and work in a multicultural global economy.
