Learning & Teaching Division

March 19, 2020

Dear OMSD Families,

Cara Molina
Director II, Family &
Collaborative Services

As we continue navigating the 2019 Novel Coronavirus (COVID-19) and its impact on our communities, I wanted to assure you our Family & Collaborative Services department is continuing case management and mental health services during school closures within the parameters provided by district, county, and state officials.

Mental Health Services

All clients currently receiving counseling or other mental health services should have received a phone call from your service provider to set up continuing sessions over the phone. If you have not been contacted, or have questions, please contact our OMSD Counseling Center at:

- Telephone – (909) 930-6793
- Email – Gabriela.Layseca@omsd.net

Case Management Services

If you are a current case management client and have a question about your current services, or if you have never received services and have a need for resources, please contact our Case Management office according school:

- *Arroyo, Berlyn, Bon View, Central, Corona, De Anza, Del Norte, Edison, Euclid, Hawthorne, Lincoln, Mariposa, Sultana, Vina Danks, Vineyard, and Wiltsey*
 - Telephone: (909) 418-6923
 - Email: Carmen.Perryman@omsd.net
- *Buena Vista, El Camino, Elderberry, Haynes, Howard, Kingsley, Lehigh, Mission, Moreno, Monte Vista, Montera, Oaks, Ramona, Serrano, Vernon, Vista Grande*
 - Telephone: (909) 445-1616
 - Email: Mindy.Chavez@omsd.net

If you are receiving any services from an outside agency (i.e., South Coast, House of Ruth, Mental Health Systems, etc.), please contact that provider directly. In case of an emergency, I am including a list of local community providers and resources that can provide additional support. Due to the current statewide “Stay home” order, please call all agencies to see how to access their services instead of showing up to their facilities. If you are in need of non-emergency medical services, and do not have a primary care provider, please contact:

- Ontario – Park Tree Clinic (909) 469-9017
- Montclair – Montclair Medical Clinic (909) 281-5800

Again, the Family & Collaborative Services department is here to support the needs of our OMSD community in any way we can during COVID-19 and beyond. Should you have any other questions, feel free to contact me directly at (909) 418-6398, email at Cara.Molina@omsd.net, or visit our website at <https://www.omsd.net/>, and click on “Departments” then click on “Family & Collaborative Services.”

Yours in education,

Cara Molina, Director II

“Our Community, Our Children, Our Commitment, Our Future”
