OAKS Middle School**

2020-2021 SSC Bylaws

Selection

The means of selecting SSC members is not specified in law, except that members must be chosen by peers. No additional membership qualifications may be required. Beyond the composition requirements stated above, no seat on the SSC may be reserved for any group or individual. Membership in most school site councils is determined by ballot, but could be decided in an open meeting by voice vote.

To ensure broad support for the selection process, and to avoid controversy over the selection of SSC members, board policy, or SSC bylaws may specify:

- The means of selecting members and officers
- Terms of office for members and officers
- The notice of elections for each peer group
- The responsibilities of the SSC and time commitment involved
- A policy of nondiscrimination, as may occur by limiting membership to a select group

Many schools elect members for a two-year term, with elections for half the members held in even years and half in odd years. This practice ensures that the SSC will not be composed entirely of new members each year. Some schools assure additional continuity by electing non-voting alternate members, who are seated as voting members by the SSC in the event of a midterm vacancy on the school site council.

Officers

In order to conduct business effectively, the SSC needs to include officers with stated responsibilities and authority, including:

- A chairperson to organize, convene, and lead meetings of the SSC
- A vice chairperson to serve in the absence of the chairperson
- A secretary to keep SSC records
- A parliamentarian to resolve questions of procedure, often with the help of *Robert's Rules of Order* or similar guide
- Other officers as necessary to perform stated duties in support of the work of the SCC

**2020-2021
SCHOOL PLAN MODIFICATION
PROCEDURE**

All schools receiving funds under the Consolidated Application must develop a school plan that contains an accounting of all program services provided by consolidated programs. Each Student Plan for Student Achievement (SPSA) is to identify instructional strategies to be used to reach program goals and desired outcomes. During the school year, SPSA modifications may be needed to prioritize program requirements and develop modified strategies and activities to meet the identified areas. Any modification to the SPSA is to be jointly developed between school staff and the School Site Council (SSC). The modification plan is to be reviewed for compliance by the Assistant Superintendent and Regional Directors. Listed below are the steps for completion of a School Plan Modification Form.

2019-2020 School Plan Modifications will be covered at the first ILTM of 2021
