

School-Parent Compact for Achievement 2021-2022

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents and staff of Kingsley meet at various times during the school year to discuss student learning needs based on current grade-level data. Meetings include School Site Council, SELPAC and other designated parent meetings. Our School-Parent Compact for Achievement is revised based on these discussions. Child care and translation for Spanish-speaking parents is provided.

Our Goals for Student Achievement

District Goals

The Ontario-Montclair School District is committed to the academic and socio-emotional success of each and every student by...

- Increasing the number of all students in all subgroups who attain or exceed grade level performance expectations on multiple measures including standardized tests in ELA, math, science, and social studies.
- Increasing the number of students who are college and career ready, the number of English Learners that become English Proficient, and the rate of reclassification of English Learners.

Teachers, Parents, Students—Together for Success

At School

All Kingsley staff members will work collaboratively to provide and maintain a safe learning environment for students through our Positive Behavior Intervention System (PBIS). Our system will reinforce student choices and actions that are “Respectful, Responsible and Compassionate.”

Teaching staff will utilize instructional practices and strategies aligned to the Common Core State Standards while monitoring student progress through a variety of assessments. These assessments will inform instructional decision-making and assist teaching staff in providing the appropriate support and interventions for students not meeting academic learning targets. Teaching staff will also provide opportunities for students to learn about and appreciate music through a variety of offerings unique to Kingsley.

Support staff will assist in connecting families with resources as needed.

Kingsley parents and guardians will

- Ensure regular and on-time school attendance

- Provide a time and place for students to complete homework and learn and appreciate music
- Require students to read
- Provide uniforms for their students
- Support school efforts in maintaining a safe and orderly learning environment
