School Description

Welcome to Lincoln Elementary School, a pre-K to 6th grade school dedicated to providing educational excellence to both General Education and Special Education students. The Lincoln staff is dedicated to meeting our students' personal and academic needs within a safe and collaborative environment so that all are able to reach their full potential. We believe that all students must be given opportunities to express themselves in their own unique way. To this end, teachers strive to create academic rich lesson that incorporate the most up to date research based practices that allow for students to express their learning through many avenues. The Lincoln teachers also conduct regular and ongoing assessments to identify student academic gaps that are impeding individual student learning. Through ongoing analysis of this data, effective interventions are implemented to remedy these learning gaps before they escalate and effect future learning. With these approaches to instruction and intervention, we are preparing our students to be college and career ready.

We believe that all students have the right to fully participate in all school related functions and events. Therefore, we embrace inclusion opportunities wherever possible for our Special Education students and commit to working to find ways to deepen this integration school-wide. The use of technology is also a huge focus at Lincoln in order to prepare our students for the careers and the world they will shape in the future. Every first thru sixth grade student has a computer assigned exclusive to them and our kinder classes have a computer cart that they share. Special communication software tools are provided to our Special Education students to enrich their academic experience.

We hope you will partner with us as your child travels through their educational journey. We have several opportunities for parents to become active participates in their child's education. Back to School Night, Potluck with the Principal, Family Nights, Awards Assemblies, and Parent Conferences are only some of the events we host throughout the year. Please keep a look out for our flyers, join us on Twitter, Instagram and watch as we recognize and applaud your child's many successes. Lincoln Elementary School is a great place to learn and grow!

Sincerely,
Jessica Perry, Principal

Our mission at Lincoln Elementary School, a highly diverse, dynamic and uniquely integrated educational community, is to ensure all students a quality education through a commitment to excellence.

Lincoln Elementary School, a unique innovative learning environment, serves both general education classes and special education classes from preschool through grade six. Presently, both general and special education students participate in an integrated schedule, where all students interact during breakfast, recess, lunch, assemblies, intervention and instructional "Buddy Class" opportunities. Additionally, Lincoln's integral student body fosters opportunities for our general education students to build understanding, caring and nurturing relationships with our special education students. Simultaneously, it creates opportunities for our special education students to develop positive relationships with their same-aged general education peers.

At Lincoln Elementary we strive to provide the most effective instruction to all students enrolled in our programs. To this end, we have implemented several research-based programs that support ALL students. Each student's individual program is data-driven, with ongoing data collection and analysis. Our data-driven approach, coupled with ongoing collaboration with parents, support staff, support agencies, and classroom staff jointly contribute to the ultimate goal we have for all students, which is to be as independent and successful as possible within the larger community, as well as to excel in higher levels of education.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Lincoln Elementary School has adequate classroom, staff, and ancillary spaces. Lincoln Elementary School has 22 classrooms, front office, library and cafeteria in the main building and 15 portable classrooms. The main campus was built in 1976 and was known as a developmental center. In 1982, general education classes were added and the name was changed to Lincoln. The portable classrooms were constructed started in 1982 and the last ones were in 2000 due to adding 1st - 6th grades and increased enrollment.

To promote safety, Lincoln Elementary School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at the office. All staff members have been provided with district ID badges. Ontario Elementary School offers student supervision before school, during school and after school. Supervision in the mornings is done by administrative team, support team, and noon aides. Recess duty supervision is offered by teachers, and noon aides. Adult noon aides supervise lunch and lunch recess. After school supervision is offered by administration team, support staff as well as teachers.

Ontario-Montclair School District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Ontario-Montclair School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the Ontario-Montclair School District uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office or Ontario-Montclair School District office. The LEA governing board has adopted cleaning standards for all schools in the Ontario-Montclair School District. A summary of these standards is available at the school office or at the Ontario-Montclair School District office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

OMSD participates in the state's School Deferred Maintenance Program, which provides state matching funds in order to assist schools with the expenditures for major repairs and upgrades. Typically, this includes the following: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor, and carpeting. Each year the district matches the required allotment set by the state in order to participate in the deferred maintenance program.

Lincoln Elementary School is a Williams school. On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. At the time of publishing, a facilities inspection had not been conducted for the 2020-21 school year as this site was not offering in-person instruction due to COVID-19. A visit will be conducted once the site resumes in-person learning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

There are many opportunities for parent involvement at Lincoln Elementary School. An active School Site Council (SSC) and School English Learner Parent Advisory Committee (SELPAC) continue to be in place and meet consistently throughout the school year. The agenda for the meetings is given to participants and all parent are invited to attend. The School Site council follows the State Guidelines and also includes teachers, site staff, and administration. Both groups are included in discussions regarding school site decisions and the SSC approves all budget-related items.

Lincoln School also hosts Potluck with the Principal- a one-hour time for an open dialogue between Families and the principal to discuss topics or concerns shared by families and is translated in both English and Spanish. Lastly, Lincoln Elementary School has an Outreach Consultant who is a direct link to our families and our community. The Outreach Consultant works very closely with parents to ensure student and parent needs are met.

We have service available from Family Solutions, which provides parenting classes including sessions on strategies that parents can use at home with their children. The partnership has services such as health care and counseling for students without insurance.

We also hold parent informational meetings and provide parents with training. Some of the topics we have addressed include GATE, Behavior Classes, Sign Language Classes, Healthy Eating, Math strategies, Language Arts Strategies, Common Core, Camp, and Special Education. This is a time for parents to become informed on what is happening on different topics. Parents come and learn about the different ways to help support at home. They always leave with handouts and resources to use at home.

All school events such as parent conferences, back to school night, family night, and award assemblies provide an opportunity for parents to visit Lincoln and learn about the wonderful things that are happening on the site.

For additional information, contact J Tovar, ORC at (909) 983-9803.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Lincoln School reviews its school Safety Plan annually. The plan describes procedures for the safe operation of the school including care, and evacuation of students and staff during fire, earthquakes and other disasters that would require evacuation. Practice drills are held on a regular basis to ensure that all students and staff know and execute the correct safety procedures and evacuation. In addition, there is a disaster committee that meets to discuss specific site concerns.

Students are on school grounds before, during, and after school. School employees provide supervision at all times. Locked gates and fences keep unauthorized adults from being on campus. Visitors must enter through the front office where they check-in with the RAPTOR system and are given a visitor's badge to wear while on campus. All district employees are required to wear identification badges and are instructed to question anyone seen on campus without proper identification.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5%	0.3%				
Expulsions	0%	0%				

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0.8	
Expulsions	0	0	0.08%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

The Ontario Montclair School District offers research based professional development for certificated, classified and management employees aligned with the district's long-term goals. Professional development is designed to help employees enhance their knowledge and develop needed skills to provide quality services in order to maximize student learning and achievement. Professional development courses and programs are developed and coordinated through the school's Principal. The focus of all professional development is based on the instructional and management priorities outlined in the goals and objectives of our strategic and school improvement plans.

Professional development at the site and district levels address the core curriculum, instructional strategies, standards-based instruction, and classroom management. In addition, district level professional development. Includes workshop sessions and classroom support for beginning teachers (Induction), courses for teachers working towards their teaching credentials, technology training and classroom support, leadership development for administrators, compliance related workshops and a variety of job specific and mandated trainings for classified employees.

Lincoln administration has followed the district's lead in focusing on standards through data-driven curriculum planning and evaluation of instruction, teaching strategies, and staff development. The teaching staff has participated in STPT (structured teacher planning time) meetings every two-three months. The STPT meetings include grade level teachers and administrators. Both evaluations of progress and support are provided to individual teachers through coaching, administrator, and walk-throughs. In all training, coaching, consulting and discussions of progress, appropriate data is referred to and used to help clarify, set goals, and drive instructional practice.

Purpose: After School Program operated through a joint venture with city and district.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
