School Description

Welcome to Mariposa Elementary School. We are a diverse community of learners who aspire to become leaders of the 21st Century. Our mission statement is: As Leaders, we will inspire and empower! You might ask who do we inspire and empower? The answer is... EVERYONE (students, staff, families and the community)!

We at Mariposa Elementary truly believe in our mission statement and strive to help our students achieve their potential. Through our Leader in Me implementation we have better defined our school's mission and live it more fully. By creating a focus on Leadership our school culture has improved and our students are not only learning the academic lessons they need but also acquiring the social-emotional skills they need to succeed in their future.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Mariposa Elementary has a total of 38 classrooms, a library, an administration building with a staff lounge, a multi-purpose room and three separate offices for the speech pathologist, psychologist and instructional coach. The school facility offers a safe learning environment with fully functioning lighting, heating and cooling systems, noise negation and solar panels. In addition to three separate play areas with playground equipment for kindergarten, primary and upper grade students, there is a large field with sufficient space for students to play. There are 13 restrooms available for students and 6 restrooms designated for staff, all of which are in working condition. The school has an outside covered area with tables and a fully enclosed multipurpose room that are used for breakfast, lunch and special school events. Wireless and/or network internet access is available in all buildings throughout the school.

Administrators meet weekly with the head custodian to discuss any maintenance, grounds, and/or cleaning issues. A routine cleaning schedule is in place. The head custodian maintains cleanliness on the grounds daily. At night, classrooms have trash emptied daily and are vacuumed every other day. Deep cleaning occurs during extended breaks and the summer months. The district takes great efforts to ensure that all schools are clean, safe and functional. Site and district maintenance and grounds staffs make sure that the work necessary to keep the school in good repair and aesthetically pleasing are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The floors, walls, and plumbing system are all in good shape.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district's Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair or an upgrade. The district uses a facility survey instrument developed by the State of California Office of Public School Construction to assist with the data gathering during the inspections. All findings are shared with the principal and work orders for needed repairs are created at that time. The results of this survey are available at the school office or the district office. The last state inspection mandated under the Williams Settlement was completed on August 21, 2019.

During the most recent Facility Conditions Evaluation conducted on August 21, 2019, by the County's William's Team, facilities and buildings, rooms, and grounds were found to be in "good repair." The Facility Inspection Tool was used throughout a walk through of our school. There were no extreme deficiencies found and no There were no good repair deficiencies.

The report on this inspection was forwarded to the Superintendent of Schools.

2020-2021: No findings to report. No sites in the district were open for in-person learning therefore facilities inspections were not conducted. Inspections will take place once sites re-open for in-person learning.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Mariposa parents have many opportunities for involvement in the school and their student's education. Parents are invited to participate in the following parent groups: School Site Council, English Learner Advisory Council, Special Education Advisory Committee, Gifted and Talented Education Parent Meetings, Coffee with the Principal, School-Wide PBIS Team (Positive Behavior Intervention and Supports) and LCAP Advisory Meetings. Mariposa parents are encouraged to attend meetings and provide input on such topics as safety and access, site strategic planning, school plan program decisions and advise the school leadership on the needs of English learners, GATE students and students with disabilities.

The School Action Plan for Parent/Community Involvement addresses the establishment of a parental survey to determine interests and needs of parents. Our school hosts a parent volunteer recognition event and various family nights to engage Mariposa families and the community. Other training opportunities are available such as training parents as volunteers, parenting skills training, roles and responsibilities of Site Council and SELPAC membership. Parent meetings are presented monthly to assist parents with strategies on how to support the academic success of their students.

Information about current events and school activities can be found on the Ontario Elementary School website, flyers and Twitter account. The school mails important news and announcements to parents at home, uses the school's automated telephone system to contact parents verbally, sends text messages to parents via Blackboard Connect."

Parents who want more information or wish to participate may contact our front office at (909) 983-4116.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The school safety plan was last updated in February of 2020. It was reviewed by staff in February of 2020. The school safety plan includes provisions for establishing a secure campus, including the requirement of visitor badges (or district badges for district employees), monitoring of the campus perimeter, common release procedures for all teachers, continuous monitoring for safety hazards throughout the campus. There is also a detailed listing of emergency procedures for fire, earthquake, and potential and actual campus intrusions and staff and students are trained at the beginning of the year, in addition to monthly drills. Emergency provisions of water and sanitary kits and limited food are maintained in each classroom and additional supplies of food, boxed water, batteries, and other important supplies are maintained in storage. A set of several sturdy two-way radios are maintained to ensure communication can be maintained during emergencies.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.4	0.8	
Expulsions	0	0	0.08%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	17	33

Professional development at the site and district levels address the implementation of common core standards based instruction using the core curriculum, effective instructional strategies for differentiated learning, and positive behavior intervention supports in the classroom and on the playground. In addition, district level professional development includes workshop sessions and classroom support for beginning teachers (Induction), support for veteran teachers through the Peer Assistance and Review program (PAR), leadership development for administrators, compliance related workshops and a variety of job-specific and mandated trainings for classified employees. The district also provides professional development to support and train teachers with instruction for English Language Learners. This support is focused on helping EL students attain proficiency on the English Language Proficiency Assessment for California (ELPAC) and the statewide assessment (SBAC).

Professional development at Mariposa School is developed based on student assessment data and teacher need. Teachers are trained both during after-school meetings during half and full release days. The Principal, Assistant Principal, and Instructional Coach provide instructional support for teachers to grow as professionals through observations, in-class coaching, coaching cycles, peer-coaching individual and grade level data meetings. Staff development includes professional learning in the following areas: ELA, Math, English Language Development (ELD), Professional Learning Communities (PLCs), Data Analysis, Positive Behavior Interventions & Supports (PBIS), Multi-Tiered System of Supports (MTSS), instructional planning, integrated technology and our school wide initiative of the Leader in Me, which focuses on academic achievement and social-emotional needs of students.

Throughout the 2020-2021 school year, Mariposa staff has continued to receive professional development in our district adopted English Language Arts, math, and science curriculum. Additionally, Mariposa staff has received further training in the Leader in Me program.

Types of Services Funded

We provide several opportunities to support students in meeting their academic goals. We also offer before and after school academic interventions and enrichment opportunities for students. Students have multiple opportunities to read and check out library books at their own reading level. A full-time Instructional Coach supports teachers to plan and implement a high-quality instructional program for all students along with targeted assistance for English Learners, Students with Disabilities and Socio-economically disadvantaged students. Our Assistant Principal monitors implementation of our programs for English Learners, Positive Behavior Intervention System and provides staff development for certificated and classified staff.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
