SAFETY FIRST

Family and employee safety is our first priority so we will exercise social distancing best practices at all times.

When you return a laptop, wear a mask. Thanks you😊.

If you are returning a laptop/library book or picking up personal items, it is important that you only come to campus at your appointed time. Please check the Mariposa website and class dojo every day for updates.

You may not need to come to campus. If you do not have a laptop or library books to return, stay home and stay safe.

Please limit family members on campus to one parent and a student, to return laptop/library books and pick up personal items.

Report cards will be mailed home to parents who are not returning laptops/library books.

Where to Enter and Exit the Campus

Parent and student should enter the campus using the western gate, by the MPR, to return laptops and library books, at the MPR.

Parent and student will exit the east gate, by the TK and preschool classrooms, after picking up personal items.

Classroom drop off and pick up

Parents and students should remain outside of classrooms to maintain social distancing. Student's personal items, will be bagged and labeled outside the classroom for parents to pick up. A separate box will be available just outside of the classroom for parents to return classroom library books.

Families do not need to return consumable books.

Thanks for your understanding as we work to end our school year under these current health and safety guidelines.

Please email your teacher or administration if you have any questions.

Warm Regards,

Winfred B. Roberson, Jr.
