Principal's Welcome Message

Dear Families,

Welcome to Mission Elementary School! We look forward with excitement and anticipation to a new year at Mission. Our staff is dedicated to providing a quality education for all our children – one that promotes and develops each child's greatest potential and positive self-concept while ensuring they reach their academic potential.

We believe that the education of our children is a process that requires the shared efforts of parents, students, and educators. We encourage you to become involved as a volunteer and partner in the education of your child. Strong partnerships between parents and teachers are responsible for our students continuing to show improved academic performance as measured by state and district assessments. A strong partnership between home and school is essential in supporting our students to reach their highest potential. It's through the tireless dedication of our exemplary teachers and involved parents like you that have made this possible.

This handbook will acquaint you with the procedures, policies, and other important information about our school. Please read it carefully and keep it in a safe place for future reference.

Together, we can ensure that your child will experience a wonderful year of learning and be a key contributor to the Mission Family!

Sincerely,

Rhonda O'Neil

Title I School-Level Parental Involvement Policy
Mission Elementary
2024-2025

Mission Elementary has developed a written Title I parental involvement policy with input from Title I parents. Parents are members of the School Site School and are integral in the development of the Single School Plan for Student Achievement which includes the Parental Involvement Plan. During the spring of each year a Parent Needs/Evaluation survey is administered seeking input about the effectiveness of the overall programs and parental involvement plans. It has distributed the policy to parents of Title I students. No later than September of each school year, a copy of the School Parental Involvement Policy will be distributed to all parents. Parents of children entering the school during the year will also be given a copy of the School Parental Involvement Policy upon enrollment, and the School Parental Involvement Policy will be posted on the school website. The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

Involvement of Parents in the Title I Program

To involve parents in the Title I program at Mission Elementary, the following practices have been established:

- The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. At Mission Elementary School this annual meeting takes place during events such as Back to School Night.
 - Communicating through telephone calls, parent-teacher conferences, direct mailing, website posting and/or the offering of alternative evening meetings.
 - To the extent possible, all information will be translated in the languages represented within the school. In addition, attempts will be made to organize and gather resources to hold a minimum of one parent meeting in a language other than English.
 - Convene the meeting at a time convenient for parents and will offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parents as possible are able to attend, and providing childcare.
- The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening.
 - Providing parent education workshops focused on high parent interest topics and/or those authorized under Title I. (School choice, Program Improvement, school-parent compact, district wide policies, and use of Title funds)
 - Conducting in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend those conferences at school.
 - Initiating phone contacts with those parents who do not attend targeted workshops.
- The school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review*, and improvement of the school's Title I programs and the Title I parental involvement policy.**
 - Parents are members of the School Site School and are integral in the development of the Single School Plan for Student Achievement which includes the Parental Involvement Plan.
 - Administer a Parent Needs/Evaluation survey in the spring of each year seeking input about the effectiveness of the overall programs and parental involvement plans.
- The school provides parents of Title I students with timely information about Title I programs.
 - Back to School Night

**It may be helpful to include the parental involvement policy review in the annual review of the Single Plan for Student Achievement.*

***The policy must be updated periodically to meet changing needs of parents and the school. If the school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children. [20 USC 6318 Section 1118(c)(3)]*

School-Parent Compact

Mission Elementary distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities.

At Mission Elementary parents are members of the School Site School and are integral in the development of the Single School Plan for Student Achievement which includes the Parental Involvement Plan. A Parent Needs/Evaluation survey in the spring of each year seeking input about the effectiveness of the overall programs and parental involvement plans. Mission Elementary School will distribute the School Parental Involvement Policy by providing a copy of the policy to all parents no later than September of each school year. Parents of children entering the school during the year will also be given a copy of the School Parental Involvement Policy upon enrollment. Additionally, the School Parental Involvement Policy will be posted on the school website.

Building Capacity for Involvement

Mission Elementary engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices.

- The school provides Title I parents with assistance in understanding the State’s academic content standards, assessments, and how to monitor and improve the achievement of their children by
 - Providing parent information workshops during the school year and providing additional information in newsletters, Coffee with the Principal, and/or on the school website; and by communicating with parents through the use of direct mail, family involvement nights, and telephone messages.
- The school provides Title I parents with materials and training to help them work with their children to improve their children's achievement by
 - Providing parent-teacher conferences for all parents of students performing below expectations; and providing instructional resources that would assist parents in working with their children and understanding educational topics.
 - Providing all parents of students performing below expectations; the opportunity to attend literacy and numeracy workshops that would assist parents in working with their children and understanding educational topics.
- With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners through
 - Professional Development
 - Articles, newsletters
 - Lending library on parenting topics
 - Resource materials and brochures
- The school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children by
 - Providing an opportunity for parents to enroll students in kindergarten in the spring prior to the school year.

School Procedures

CLASS PLACEMENT

Student and teacher assignments are subject to change depending on the fluctuation in pupil enrollment. At times, changes in classroom assignment are required to best deliver the instructional program to meet student needs. Parent support and understanding of necessary class changes is much appreciated.

ATTENDANCE

Regular school attendance is very important. When students come to school each day on time, they derive the full benefit from the instructional program. If a student has chronic absences and/or tardies, families are required to attend a S.A.R.T. (School Attendance Review Team) meeting. If attendance concerns continue, families will be referred to the District Attendance and Welfare Officer or the District Student Attendance Review Board (SARB). The SARB is made up of representatives from school, probation department, social services, law enforcement, youth services, health services, and other community organizations. This is all done in an effort to ensure our students are given the opportunity to access their full educational rights.

The California Education Code states, "Each child between the ages of six and sixteen years, not exempted under provisions of this chapter, is subject to compulsory full-time education (Education Code 48200)."

ABSENCES

When your child is absent from school, please notify the School Office as to the reason for the absence. **You can verify your child's absence by calling (909) 627-3010, between the hours of 7:00 a.m. and 3:30 p.m., or sending a note to your child's teacher with the correct date and reason for the absence, within 3 days of the absence.**

A telephone call will be made to your home if a child is absent. A home visit may be made when contact cannot be made by telephone or when a child has a record of chronic absences. If a student is absent 3 or more days in a row, a doctor's note is required to excuse the absences.

The State of California has established guidelines on what constitutes an excused or unexcused absence. Only death in the immediate family or illness is an acceptable reason for an excused absence. We encourage you to schedule appointments for your children (when possible) on Tuesdays in the afternoon or during vacation periods.

If your child is having problems, or cannot attend regularly, please call us. We may be able to help. Both the home and school need to work together in order to provide the education your child deserves. The Outreach Consultant may be able to access services needed to help. In such cases, contact the school at (909) 627-3010, and ask for support.

CHRONIC ABSENTEEISM

Students who are absent for 10 percent or more of the instructional days they are enrolled are considered chronic absentees, regardless of the reason for the absence. In other words, **excused absences contribute to excessive absenteeism, as do unexcused absences.**

Parents/Guardians are advised to check, when necessary, with the school attendance clerk concerning the number of excused and unexcused absences their student(s) may have. The Ontario-Montclair School District appreciates the efforts of parents/guardians in assisting us to deliver a quality education to all students.

For questions regarding the district attendance policy, please contact the Child Welfare, Attendance & Records Office at (909) 418-6477.

ONTARIO-MONTCLAIR SCHOOL DISTRICT

Office of Child Welfare, Attendance & Records

California Compulsory Attendance Law (Education Code 48200)

The mission of the Ontario-Montclair School District is: Whatever it takes, we guarantee our commitment to the highest quality education for all students. Students who are excessively absent from school are not able to accomplish their educational goals. According to the California Compulsory Attendance Laws (Education Code 48200), parents and students are responsible for regular school attendance. Occasionally, a student must be absent from school for reasons which are acceptable to the school and the courts, such as illness, medical appointments, or a death of an immediate family member. Please send a note to school following an absence explaining the reason for your child's absence.

The District Attendance policy states:

- 1. Ten or more days of excused absences within a school year are considered excessive and may require a doctor's note to excuse subsequent absences. The district has created a policy to address excessive excused absences which requires signing an Attendance Contract after 11 days and being referred to a School Attendance Review Board (SARB) hearing if the absences continue. Excused absences include full day absences and/or tardiness and early releases for less than 30 minutes.**
- 2. Three (3) days of unexcused absences, or tardiness for more than 30 minutes, or early releases for more than 30 minutes, or any other partial day absence for more than 30 minutes without a valid excuse, or any combination thereof within a school year, will result in the school mailing the parent/guardian the 1st Truancy Report letter. This notification asks for the parent's/guardian's help with their student's attendance and warns of the consequences for further absences.**
- 3. After five (5) days of unexcused absences, or tardiness for more than 30 minutes, or early releases for more than 30 minutes, or any other partial day absence for more than 30 minutes without a valid excuse, or any combination thereof within a school year, the school will mail the 2nd Truancy Report letter. This letter requires the parent/guardian to attend a meeting at the school (SART) and sign an Attendance Review Contract. The intent of the meeting is to create and implement a written plan and to determine if there are any services the school may provide to assist the family with attendance issues.**
- 4. After seven (7) day of unexcused absences, or tardiness for more than 30 minutes, or early releases for more than 30 minutes, or any combination thereof within a school year, the school will mail the 3rd Truancy Report letter. This letter declares the student a "Habitual Truant" and informs parent/guardian that the next absence will result in the family being required to attend a School Attendance Review Board (SARB) hearing with the District Attorney of the San Bernardino County. At this meeting a SARB contract is signed.**
- 5. After nine (9) days of unexcused absences and/or tardiness within a school year, the district will mail the parent/guardian a summons to appear at a School Attendance Review Board (SARB) hearing. Failure to appear may result in a citation being issued to the parent/guardian. Parents/Guardians and students who fail to abide by the stipulations of the SARB contract may also receive a citation and summons to appear before the court.**

Parents/Guardians are advised to check, when necessary, with the school attendance clerk concerning the number of excused and unexcused absences their student(s) may have. The Ontario-Montclair School District appreciates the efforts of parents/guardians in assisting us to deliver a quality education to all students.

For questions regarding the district attendance policy, please contact the Child Welfare, Attendance & Records Office at (909) 418-6477.

TARDY PROCEDURE

It is important that children arrive to school on time and ready to learn. When a child arrives late, he or she misses a needed portion of the instructional day. Tardiness causes problems for students and their teachers alike. Poor attendance causes the child to fall behind in their academic preparation and develops poor habits for future working years as well. Please note that according to the California Education Code, students that are tardy more than 30 minutes can be classified as truant.

Any child who enters the school gates after their tardy bell at 7:30 a.m. will be marked tardy. Children who have excessive tardiness may be referred to the Student Attendance Review Team (SART). Students that continue with more chronic attendance/tardy problems may also be referred to the Student Attendance and Review Board (SARB). **Please note that Perfect Attendance awards are issued to students who have no absences and no tardies during the period covered by the awards assembly.**

For safety reasons, it is our school policy that if your child is late to school, someone walks the student into the office and signs him/her in. Please do not drop off your student and speed off in our driveway. When you do so, you are putting our students, staff, and parents at risk.

INDEPENDENT STUDY AGREEMENT

The school realizes that there are extreme circumstances that may require a parent or guardian to take their child away from the instructional setting for more than five (5) days. In such cases, the parent or guardian may request an Independent Study Agreement. Requests must be for a minimum of (5) school days and are generally for no more than (10) school days. Students that fulfill all requirements of the Independent Study Agreement are not counted as absent.

Parents must request such an agreement by *notifying the teacher or school office at least five days in advance of the planned absence*. The school cannot guarantee that work can be provided for a student if ample prior notice is not given. The teacher(s) will complete the Student Work Assignment Record and review with the parent before signing the Independent Study Agreement. Copies of both documents will be submitted to school personnel.

Remember that the teacher has provided assignments for the child while away from school. *The child must complete all work required and must be turned in on the day the student returns*. The student must return to school on the date specified in the agreement and the agreement may not be extended beyond the original agreement dates. Late or incomplete work is unacceptable and the student will then be considered absent. Failure to keep the terms of the agreement as specified will result in the child being counted as unexcused for the time away from the instructional program. If all requirements are fulfilled, the student will not be counted as absent.

Birthday Celebrations

Parents may not send food (cakes or cupcakes) to celebrate birthdays due to the loss of instructional time. Thank you in advance for your cooperation with this.

Nutritional Guidelines

We are committed to upholding OMSD Nutritional Guidelines and request that any food items that are brought to school for student consumption be store bought.

ARRIVAL AND DISMISSAL

ARRIVAL

Students may not arrive on campus earlier than 7:00 a.m. There is no adult supervision prior to this time. Breakfast is served beginning at 7:00 a.m.

DISMISSAL

Students will be dismissed by their teachers at 2:10 p.m. (on Monday, Wednesday, Thursday and Friday) and at 12:55 p.m. on Tuesdays. Students who walk will exit the front gate or the Vernon gate and stay on sidewalks at all times. Students who get picked up will wait in an orderly fashion at the front or Vernon gate until their ride has arrived. Students attending the after-school program will meet the learning leaders and sign in at the lunch benches under the pavilion in the main quad.

DROP OFF AND PICK UP PROCEDURES

When dropping off or picking up students it is important that parents drive slowly and drive all the way down the driveway when other cars are waiting. Students will be asked to walk down the sidewalk to meet their cars in order to maintain an efficient process for everyone. *The driveway is a student pickup and drop off area only. Cars in the driveway may not be left unattended. If someone needs to get out of their car for any reason they should not be using the drop off and pick up area.* **For safety purposes, do not drop off students in the parking lot.** There is ample parking available in the adjacent Buddhist Temple and in the surrounding streets. We encourage you to park your car in these areas and walk to the front of the school to meet your children. When dropping off and picking up students, please model good citizenship and patience to our students.

PROCEDURES FOR LEAVING SCHOOL EARLY

If it is necessary for a student to leave school during the day, he or she must be checked out through the office by a parent, guardian, or other adult listed on the emergency card. The school requests that parents checking students out, do so prior to 1:30 p.m. Parents and guardians are asked to please make changes on their child's emergency card as needed throughout the year. **No child will be dismissed from the school with a person who is not on the emergency card.** Please list the names of all individuals who have permission to pick up your child. Students may not be released to individuals less than 18 years of age. All persons should have a valid Driver's License or other appropriate picture identification when checking a student out of school. When a child is ill or has to go home for a personal reason, the parents or guardians are contacted immediately. They must be picked up at the school site and checked out through the office. Parents are asked to please make the necessary arrangements to have their child picked up in a reasonable amount of time.

LATE PICK-UPS

Parents are urged to make arrangements to have students picked up at dismissal. Please arrange to have a few trusted adults included on students' emergency cards to enable them to pick up your child when you are unable to do so. Unexpected situations are a reality of life and it's important to plan ahead. If students are regularly picked up late, or if parents are excessively late, the school administrator may call the proper authorities to ensure students' well being.

EMERGENCY CARDS

Parents are responsible for updating their child's Emergency Card at the beginning of each school year, and whenever the information on the card is no longer current. Please keep us informed of changes as soon as possible so we can easily notify you when needed. *Please keep all phone numbers current.*

MISSION'S POSITIVE BEHAVIOR POLICY

Behavioral Expectations

School-wide Positive Behavior Interventions and Supports (PBIS) is a framework or approach of strategies and organizational systems for establishing a social culture, learning environment, and individual behavior support needed to achieve academic, emotional and social successes for all students. At all times Mission students are expected to be a Remarkable Roadrunner by demonstrating safety, responsibility, respect and integrity at all times. All classrooms will display our school wide and classroom behavior expectations. Students will be explicitly taught what behaviors are expected in different areas on campus.

Students who meet the expectations at school, in class, on the bus, and are continually making efforts to be respectful, safe, responsible, and act with integrity may earn Roadrunner Raves. Students may save up their Roadrunner Raves and spend them at our Roadrunner store every Monday during their morning recess. In addition, students will also have the opportunity to participate in special events and assemblies.

What Happens When These Expectations Are Not Met?

Students who are not showing safety, responsibility, respect or integrity will work with an adult on campus to correct their behavior. Teachers may send home a minor citation to inform parents and provide a corrective consequence such as time out, detention, or loss of privilege. Please sign the citation and send it back to school the next day. If you have any questions regarding the citation, please talk to the classroom teacher. Solid communication between home and school is key to best support positive student behavior.

A student who continually disregards behavior expectations or performs a serious infraction will receive an office referral and work with an administrator to correct their behavior. Administrative action will be taken on any office referral and may include, but is not limited to, time out, detention, behavior contracts, counseling, parent conference, suspension or expulsion. When a student is referred to the office, they will take home an Office Discipline Referral Form and an administrator will call parents. Please sign the notice and return it the next day. If you have any questions regarding the referral form please contact Mission Administration, 909-627-3010.

CHILD HEALTH AND WELFARE

Health Issues

Students with health issues will be addressed on a case by case basis. Parents who have a child with a specific health issue should contact the school office. The health aide is available daily, and the school nurse is at school one day per week.

Medication Procedures

In most cases, the timing of medication can be adjusted so that the prescription medicine does not need to be taken during school hours. Unless an exact time is specified by the doctor, prescription medicines labeled to be taken two to three times a day are to be given outside of school hours (before school, after school, at bedtime).

When it is necessary to take prescription medication during school hours, the school is required to have all the appropriate documentation on file before prescription medication may be given at school. The parent, legal guardian or other person having legal control of the student **must provide the** prescribed medication. In order to ensure the student's safety, it may be necessary for the school nurse to contact the prescribing physician for clarification regarding the medication. ***Medication must be:**

- prescribed by a United States physician (licensed Nurse Practitioner)
- issued by a United States pharmacy
- properly labeled by the pharmacy
- in the original container
- prescribed for the **current school year**
- Prescription medications containing codeine or other narcotics are not to be brought to or administered during the school day.
- All prescription medication shall be delivered to the school by the parent or a responsible adult.
 - Students shall not carry medication on the school bus and shall not deliver medication to the school.
 - It is the responsibility of the parent to see that the prescription medication is picked up from school by a responsible adult at the end of the school year.

Even the simplest and safest over-the-counter medications can mask symptoms of illness and/or create undesirable reactions, therefore over-the-counter medications also require a prescription*. **Even cough drops** are considered an over-the-counter medication and **must have a prescription***.

Any student **requiring special procedures** such as tube feeding, catheterization, suctioning, etc. must have the necessary authorization forms **renewed annually** and on file with the school nurse prior to the first day of treatment.

Crutches

Students who require the use of crutches and/or orthopedic devices should report to the school nurse following the injury and/or upon returning to school following a surgical procedure.

A note from a physician will be required to use crutches or any other medical appliance on campus. The use of crutches requires physician authorization, including:

- * affirmation of appropriate training, fitting, and use of crutches (discharge instructions)
- * the length of time crutches will be necessary at school
- * instructions for icing and/or elevation
- * the student will not be permitted to participate in physical education or recess activities without a physician's release

The school nurse and parent/guardian will work together to determine any additional accommodations for the student requiring crutches. Examples might include a buddy system, early classroom dismissal, assistance with books, assistance in the hallways between classes, premium classroom seating, help in the cafeteria for meals, using the Health Office restroom.

Any child who arrives at school on crutches without a doctor's order will be sent home. This is to insure they are used for the right reasons, and have been custom fitted for your child. Improperly fitted crutches can lead to nerve damage in the arm pit (axilla) area.

- If you are concerned about your child's safety or ability to maneuver with crutches at school, your options could include;

Independent Study (collecting school assignments from the teacher and completing them at home, for 2-weeks or less, while recuperating)

Home Hospital Instruction (Physician order needed for recovery time expected to last longer than 2-weeks at home) All time sensitive forms needed from the physician to start, or extend, and then return to school are available at the school sites.

Physical Education Excuses

Students may be excused from physical education, for health or medical reasons, for a maximum of three calendar days with a note from a parent. Excuses for more than three days require a note from a professional healthcare provider. If a student is unable to participate in physical education class, he/she will not be permitted to participate in recess activities.

Conversely, if a student comes to school with a splint, ace wrap, foot boot, brace, knee brace or cast on an extremity, the student will not be permitted to participate in physical education or recess activities without a physician's release.

Any student with a permanent or long term disability, requiring non-participation in the physical education program or participation on a limited basis only, **must** submit the Modified Physical Education or Daily

Recess Restrictions form annually, signed by a physician. The Modified Physical Education or Daily Recess Restrictions form is available from the school site and must be completed by the doctor. Alternative activities and/or units of instruction for students whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents their participation in physical education courses will be provided.

HEAD LICE (Pediculosis) Head Lice do not discriminate – they love everyone.

Head Lice -- Based upon specialized training and the professional judgment of the school nurse and health assistant, students with live lice or signs of active infestation will be excluded from school. These students should receive prompt treatment for lice and are expected to return to school the following day, free of live organisms.

Upon return to school, the student and parent/guardian must report directly to the school nurse, provide information about the treatment utilized and have the student's hair checked before reporting to class. Parents should check their child weekly for head lice.

If parents discover head lice on their child, please notify the health office as soon as possible. Your school site health office can provide resources and detailed instructions to guide your success. An informational letter about lice can be sent home anonymously with the classmates, explaining to other parents what to watch for.

Prevention is the key! Check your child's head regularly. Keep long hair in braids or in a pony-tail. Do not share hats, hair brushes, combs, hair ties, or bicycle helmets.

Accidents

The Board of Trustees of the Ontario-Montclair School District does not and cannot assume any responsibility for accidents or injuries to a child participating in any school activities. Due care is always exercised to prevent accidents. **A VOLUNTARY STUDENT ACCIDENT INSURANCE POLICY IS OFFERED TO ALL STUDENTS FOR A NOMINAL PREMIUM.** The form will be sent home during the first weeks of school. In case of an emergency it is important to have phone numbers where parents can be reached, the phone number of someone to contact in the event we can't reach the parents, and the name and number of your doctor. Please be sure this information is kept up to date in our office on your child's emergency card.

Child Abuse and Neglect

The responsibility, by law, of all educators or other school staff employees is to report every incident of suspected child abuse to the San Bernardino County Child Protection Services. School staff members may briefly question the child as per California Education Code 44690-44691 (Child Abuse Detection).

Immunizations

For the safety of all students certain immunizations are required by the California School Immunization Law. These include DPT/DTAP/DT, TD (combinations of diphtheria, tetanus, and pertussis), polio, MMR (measles, mumps, rubella), and a hepatitis B series for kindergarten. Pupils may be exempted only for medical reasons or personal belief. Students not exempted must have immunizations to attend school. Inoculations may be provided by the family physician or by the San Bernardino County Health Department (325 East "C" Street, Ontario (909) 988-1312). The County Health Department provides immunization services for a minimal fee. Please call the school health office if you have any questions.

Vision/Hearing Test

The school nurse will screen students in kindergarten, second, and fifth grade. Students referred by parents, teachers, or administrators may also be screened at other times.

TDAP-All 6th grade students must have a current TDAP immunization before going to Middle School. It is recommended that all 6th graders are vaccinated during their 6th grade school year, so that they are scheduled for Middle School classes and start school on the first day of 7th grade.

DISASTER PREPAREDNESS

Mission's staff and students practice disaster preparedness through established training and drills. These drills are coordinated by the principal and meet state and district standards for disaster preparation.

NATURAL DISASTER OR EMERGENCY

In the event of a natural disaster or other emergency, Mission Elementary staff will follow state, district and local policies and procedures in an effort to keep children safe. Students will be monitored and cared for at school until such time as District or local authorities direct that children shall be released to parents. At that time school personnel will require that individuals who are picking children up are listed on Emergency Cards and show appropriate identification. School and district personnel will use the Connect-Ed telephone system to communicate with the community, so please ensure that you keep your contact numbers current.

DRESS CODE POLICY

Parents are responsible for ensuring that students are properly attired for school. School district personnel have the responsibility of maintaining proper and appropriate conditions conducive to learning. Students **must** adhere to the district dress code guidelines listed below. We are asking your cooperation regarding conformity to the following dress standards.

Please keep in mind the fact that these are general standards. The Board Policy allows each site discretion regarding dress code issues. The general district dress code policy is followed throughout the district.

In an effort to provide a safe and orderly school environment for our students and in response to a desire to keep district schools free from the threats or harmful influence of any groups or gangs which advocate substance abuse, violence, or disruptive behavior, the Ontario-Montclair Board of Trustees has adopted **Dress and Grooming Guidelines** and a **Prohibited Items List** which will be implemented at Mission Elementary School.

We are asking your cooperation regarding conformity to the following dress guidelines:

1. Properly sized shoes must be worn at all times. Flip flops, sandals, backless, or open-toe shoes are not acceptable. Crocs and Heelyz are also not acceptable. Shoes must be securely fastened.

In the interest of protecting the health and safety of all district students, the following Prohibited Items List has also been adopted by the Board of Trustees:

1. Radios, CD players, cassette players, IPOD's, Tablets, electronic games, cameras and DVD players. With prior written permission of the Principal or designee, these items may be brought to school for special occasions.

The purpose of adopting these Basic Dress Guidelines and Prohibited Items List is not to infringe on any individual student's rights to freedom of expression, but rather to encourage students to "dress for success" and come to school properly prepared for participation in the educational process.

Toys/Personal Items

All toys, games and personal items should be left at home as not to interrupt instruction. Any personal items will be confiscated and kept until the end of the school year. Items will be returned on the last day of school.

Cell Phone Policy

Cell phones are not to be **used** on campus during the school day and must be turned off. Failure to adhere to this policy will result in the cell phone being confiscated by school personnel. The following are district guidelines with respect to violation of school cell phone policy:

1st Offense: Phone confiscated. Student given phone at end of the day.

2nd Offense: Phone confiscated. Parent picks up phone at office.

3rd Offense: Phone confiscated. Parent meets with site administrator to return phone.

4th Offense: Progressive discipline for defiance/violation of school rules.

Mission School is not responsible for lost or damaged cell phones.

Ontario-Montclair School District

Office of Child Welfare, Attendance & Records

Student Use of Cellular Phone Policy (BP 5131, BP & AR 5145.12)

California law allows student possession and limited use of cell phones and other electronic communication devices while at school. **Students must, however, obey the following district guidelines as well as individual school rules for use.**

Students may possess or use cell phones and other electronic communication devices on a school campus **provided that such devices do not disrupt the educational program**, or any school activity, and are not used for illegal or unethical activities such as cheating on assignments or tests.

Electronic communication devices shall be turned off and kept out of sight during class time, or at any other time, as directed by a school employee, except where deemed medically necessary or when otherwise permitted by a teacher or administrator.

Students shall not be prevented from using their cell phone in case of an emergency, except where that use inhibits the ability of school district employees to effectively communicate instructions for the safety of students.

Students shall not use cell phones or other electronic communication devices, such as a smartwatch with camera, video or voice recording function, in a way or under circumstances which infringe the privacy rights of other students and adults and **without express permission from a school employee (BP 5131).**

Violations of this policy shall be subject to each school's progressive discipline plan. If a student's use of an electronic communication device causes a disruption, a school district employee on the first offense may direct the student to turn off the device or give a verbal warning to the student. On subsequent offenses, the employee may confiscate the device and return it to the student at the end of the class period, school day or activity. Continued violations could result in confiscation and hold for parent pick-up and loss of permission to possess the device on campus, **except where deemed medically necessary.** Students may be subject to additional disciplinary measures when their use of an electronic communication device violates individual school rules **(BP 5131).**

Students are responsible for personal electronic communication devices they bring to school. The district shall not be responsible for loss, theft or destruction of any such device brought onto school property, except that it shall be the responsibility of the school to ensure the safekeeping of any confiscated devices. **Confiscated electronic communication devices shall be stored by school district employees in a secure manner (BP 5131)**

In the case of a serious matter or emergency, a school official may ask the student or parent/guardian to view the content of the student's electronic device. This may include inappropriate or illegal access of the district network, software and operating equipment.

Please contact your child's school office or the Ontario-Montclair School District's Office of Child Welfare, Attendance & Records for questions or concerns.

SPECIAL SERVICES **AND PROGRAMS**

Student Achievement Review Process

The academic growth and progress of students in OMSD is monitored throughout the school year. Student ability is determined through four different instruments: CASSPP Tests are given at the end of each school year; Benchmark Tests administered at regular intervals throughout the year, and the Student Achievement Report Card also prepared at the end of each trimester. As soon as possible, parents of students who are identified as performing at the at-risk level will be notified and an intervention plan will be developed to address identified areas of concern. Additional support will be provided as part of the regular classroom instruction as well as through extended learning programs when available. Extended learning opportunities include before and after school activities or summer school.

Outreach Consultant

The Outreach Consultant (ORC) is a support staff member whose primary responsibility is to provide support to students and their families to ensure a successful experience in school. The ORC schedules and chairs Student Study Team meetings, schedules Student Attendance Review Team meetings and is the school representative at OMSD Student Attendance Review Board meetings.

Student Success Team (SST)

When a child is experiencing social, emotional, behavioral and/or academic difficulties, the teacher, parent, or other staff member may refer a child to the Student Success Team. The team will develop a plan to support the student. **Parent participation is critical to ensure that we address all of the students' needs.**

Counseling

Counseling services are available. The counselors are licensed therapists or interns supervised by licensed therapists. Referrals may be initiated by school staff members or by parents. Students must have parent authorization before receiving services.

Case Management Services

This is a local collaborative services project serving our neighborhood schools. Services include crisis response, school site counseling, home visits, parent education, family counseling, health services, and employment/financial assistance. Contact either the MCC (909) 445-1618 or our school outreach consultant regarding services.

GATE

Students identified as gifted or talented are provided enrichment within their regular classroom. Students identified are served according to district guidelines. A teacher may submit a referral based on a student's achievement and/or test scores for Grades 3-6. All students in Grades 3-6 referred for GATE Testing will be tested using a nationally normed test during the first week of January. We will universally screen all 2nd graders in January of this year using a nationally normed test.

SPECIAL EDUCATION PROGRAMS

Students identified as learning handicapped are served according to Special Education guidelines.

Language/Speech/Hearing Services:

A speech/language therapist assists students identified as needing speech and language services.

Resource Specialist Program (RSP)

The RSP teacher accommodates the needs of students that have been identified as eligible for RSP services. Services are provided either in a small group setting or in the classroom.

Special Day Classes (SDC)

The Special Day Class accommodates the needs of students that have been identified as eligible for Special Day Class services. Services are provided in a small group setting in a self-contained classroom.

PARENT INVOLVEMENT

Parent involvement is a very important part of the educational process. We welcome and appreciate your partnership. We understand that our partnership must be healthy and strong to bring out the best in our students. There are many ways for parents to have a role in the education of their children. Mission has many Family Nights in addition to other family events. Below you will find the variety of ways parents can be involved at Mission Elementary School. Please look for the monthly school calendar for dates and times.

School Site Council (SSC)

Mission School has a school site council which meets approximately six times a year, plans and monitors our school's Strategic Plan. Parents are always welcome to attend School Site council meetings to witness the work of the council. The SSC consists of equal members of staff and parents and elections are held every two years.

Family Nights

We have set aside two nights Family Nights where you can bring the entire family and spend some time with our staff in a relaxing atmosphere. It's our effort to build community with our families and build a positive home-school partnership.

Parent-Teacher Conferences

Parent-teacher conferences will be held during the weeks of November 9-16, 2018 and March 4-8, 2019. You will be notified of your scheduled appointments. Both parents are encouraged to attend with the student. If you cannot attend during parent conference week, please contact your child's teacher to schedule an alternate time or to conduct a phone conference. Please note that in order to encourage communication between home and school, the report cards will be sent home **only after** a conference has been conducted, either in person or via phone.

There may be other times when a conference is necessary. If your child seems troubled, confused or unhappy about school, it is wise to request a conference with your child's teacher. Also, the teacher may wish an additional conference if your child has difficulty adjusting to certain school situations. Regular communication between parents and teachers is essential for students to have a rewarding school experience.

Campus Safety

All visitors to campus must first check in and sign in at the school office. Visitors are not allowed in the breakfast/lunch area or on the playground before school or during recess and lunch. You will be given a visitor's badge to wear so that school personnel will not question your presence on campus. Visitors must sign out upon leaving campus. If you desire a conference with your child's teacher, please make arrangements to meet at a more convenient time after regular school hours. Parents dropping off homework, lunches etc. must leave these items in the office. Students will be called to collect items during non-instructional times.

Volunteering

Parents are always welcome to help and assist teachers in the classroom. OMSD requires that all parent volunteers, including field trip chaperones have a Volunteer Application on file in our Mission office and have proper clearance. Once you have been cleared to volunteer, we ask that you speak to the teacher in advance so they are prepared prior to your arrival. All of you have special talents we can use! Please contact your child's teacher or the school office if you wish to volunteer. Remember that we can always use your help.

Donations

Mission school is committed to providing all the needed instructional materials and resources needed to deliver a first class public education to all students. However, we welcome any voluntary donations which a family might want to make to our school. Some items which have been graciously donated in the past include: tissue boxes, pencils, pens, spiral notebooks, and funds to support field trips. Again, these donations are completely voluntary on the part of families. Should you be interested in making a donation please call the school office.

Back-to-School Night and Open House

Back-to-School is a great opportunity to meet your child's teacher and learn what the teacher's expectations are and understand what the curriculum for your child's grade level will be. Back-to-School Night will be held on Tuesday, August 13, 2024 from 5:00- 6:00 p.m.. Open House provides your child an opportunity to share his/her accomplishments for the year with you. Open House this year is scheduled for Tuesday, May 13, 2025 from 5:00 – 6:00 p.m.

Homework

Homework at Mission Elementary School is designed as an extension of the learning occurring in the classroom. Please make sure you talk to your children about what they learned each day and review the homework with them every day after school.

Parents are encouraged to read to their children and/or have their children read to them for at least 20 minutes per night. Research shows that this will dramatically improve your child's success in school. This small amount of time adds up! Finding 20 minutes per day creates an additional 2 hours and 20 minutes each week. Those 2 hours and 20 minutes each week result in 1 school day per month and about 3 weeks worth of steady reading each year! Over the twelve-year period of schooling, a student reading 20 minutes per day would gain more than one additional school year of reading practice over one who did not follow this program.

School Accountability Report Card (SARC)

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

Board Policy

Married/Pregnant/Parenting Students

BP 5146 Students

The Board of Trustees recognizes that responsibilities related to marriage, pregnancy, or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children.

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5147 - Dropout Prevention)
(cf. 6011 - Academic Standards)
(cf. 6164.5 - Student Success Teams)

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

The Superintendent or designee shall annually notify parents/guardians at the beginning of the school year of the rights and options available to pregnant and parenting students under the law. In addition, pregnant and parenting students shall be notified of the rights and options available to them under the law through annual school year welcome packets and through independent study packets. (Education Code 222.5, 48980)

(cf. 5145.6 - Parental Notifications)

For school-related purposes, a student under the age of 18 years who enters into a valid marriage shall have all the rights and privileges of students who are 18 years old, even if the marriage has been dissolved. (Family Code 7002)

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the student and/or the student's child.

(cf. 6158 - Independent Study)
(cf. 6181 - Alternative Schools/Programs of Choice)
(cf. 6184 - Continuation Education)
(cf. 6200 - Adult Education)

Any alternative education program, activity, or course that is offered separately to pregnant or parenting students, including any class or extracurricular activity, shall be equal to that offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the regular education program or activity. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

(cf. 6142.7 - Physical Education and Activity)
(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6183 - Home and Hospital Instruction)

(cf. 5113 - Absences and Excuses)

Parental Leave

A pregnant or parenting student shall be entitled to eight weeks of parental leave in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. Such leave may be taken before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The Superintendent or designee may grant parental leave beyond eight weeks if deemed medically necessary by the student's physician. (Education Code 46015; 34 CFR 106.40)

The student, if age 18 years or older, or the student's parent/guardian shall notify the school of the student's intent to take parental leave. No student shall be required to take all or part of the parental leave. (Education Code 46015)

When a student takes parental leave, the attendance supervisor shall ensure that absences from the regular school program are excused until the student is able to return to the regular school program or an alternative education program. A pregnant or parenting student shall not be required to complete academic work or other school requirements during the period of the parental leave. (Education Code 46015)

(cf. 5113.11 - Attendance Supervision)

Upon return to school, a pregnant or parenting student shall have opportunities to make up work missed during the leave, including, but not limited to, makeup work plans and reenrollment in courses. (Education Code 46015)

When necessary to complete high school graduation requirements, the student may remain enrolled in school for a fifth year of instruction, unless the Superintendent or designee makes a finding that the student is reasonably able to complete district graduation requirements in time to graduate by the end of the fourth year of high school. (Education Code 46015)

(cf. 6146.1 - High School Graduation Requirements)
(cf. 6146.11 - Alternative Credits Toward Graduation)

A pregnant student shall have access to any services available to other students with temporary disabilities or medical conditions. (34 CFR 106.40)

The school shall provide reasonable accommodations to any lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding. A student shall not incur an academic penalty for using any of these reasonable accommodations, and shall be provided the opportunity to make up any work missed due to such use. Reasonable accommodations include, but are not limited to: (Education Code 222)

1. Access to a private and secure room, other than a restroom, to express breast milk or breastfeed an infant child
2. Permission to bring onto a school campus a breast pump and any other equipment used to express breast milk
3. Access to a power source for a breast pump or any other equipment used to express breast milk
4. Access to a place to store expressed breast milk safely

Instruction

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent/guardian involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with parents/guardians and family members to jointly develop and agree upon policy and strategies to meaningfully involve parents/guardians and family members in district and school activities at all grade levels; advisory, decision-making, and advocacy roles; and activities to support learning at home.

(cf. 0420 - School Plans/Site Councils)

(cf. 1220 - Citizen Advisory Committees)

(cf. 5020 - Parent Rights and Responsibilities)

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

(cf. 0460 - Local Control and Accountability Plan)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

(cf. 0500 - Accountability)

Title I Schools

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that

describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

(cf. 6171 - Title I Programs)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318)

(cf. 3100 - Budget)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

1.Support for schools and nonprofit organizations in providing professional development for district and school staff regarding parent/guardian and family engagement strategies, which may be provided jointly to teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents/guardians and family members

2.Support for programs that reach parents/guardians and family members at home, in the community, and at school

3.Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians and family members

4.Collaboration, or the provision of subgrants to schools to enable collaboration, with community-based or other organizations or employers with a record of success in improving and increasing parent/guardian and family engagement

5.Any other activities and strategies that the district determines are appropriate and consistent with this policy

If the district also receives funds under federal Title IV, Part E, to coordinate and enhance family engagement programs, the Superintendent or designee shall inform parents/guardians and organizations of the existence of Title IV. (20 USC 6318)

The district's Board policy and administrative regulation containing parent/guardian and family engagement strategies shall be incorporated into the district's LCAP in accordance with 20 USC 6312. (20 USC 6318)

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

District and school-level parent/guardian and family engagement policies and administrative regulations shall be distributed to parents/guardians of students participating in Title I programs and shall be available to the local community. 5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Policy ONTARIO-MONTCLAIR SCHOOL DISTRICT

adopted: January 19, 2017 Ontario, California

Ontario-Montclair SD

Board Policy

Nondiscrimination/Harassment BP 5145.3 Students

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Board of Trustees desires to provide a safe school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's web site in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation.

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Policy ONTARIO-MONTCLAIR SCHOOL DISTRICT
adopted: October 1, 2020 Ontario, California

Ontario-Montclair SD

Board Policy

Suicide Prevention

BP 5141.52

Students

The Board of Trustees recognizes that suicide is a leading cause of death among youth and that school personnel who regularly interact with students are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. In an effort to reduce suicidal behavior and its impact on students and families, the Superintendent or designee shall develop measures and strategies for suicide prevention, intervention, and postvention.

In developing policy and strategies for suicide prevention and intervention, the Superintendent or designee shall consult with school and community stakeholders such as administrators, other staff, parents/guardians, and students; school-employed mental health professionals such as school counselors, school psychologists, school social workers, and school nurses; suicide prevention experts such as local health agencies, mental health professionals, and community organizations; law enforcement; and, in developing policy for grades K-6, the county mental health plan. (Education Code 215)

(cf. 1220 - Citizen Advisory Committees)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

The Board shall ensure that measures and strategies for students in grades K-6 are age appropriate and delivered and discussed in a manner that is sensitive to the needs of young students. (Education Code 215)

Measures and strategies for suicide prevention, intervention, and postvention shall include, but are not limited to:

1. Staff development on suicide awareness and prevention for teachers, school counselors, and other district employees who interact with students, as described in the accompanying administrative regulation

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

2. Instruction to students in problem-solving and coping skills to promote students' mental, emotional, and social health and well-being, as well as instruction in recognizing and appropriately responding to warning signs of suicidal intent in others

(cf. 6142.8 - Comprehensive Health Education)

3. Methods for promoting a positive school climate that enhances students' feelings of connectedness with the school and that is characterized by caring staff and harmonious interrelationships among students

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 5145.7 - Sexual Harassment)

(cf. 5145.9 - Hate-Motivated Behavior)

4. The provision of information to parents/guardians regarding risk factors and warning signs of suicide, the severity of the suicide problem among youth, the district's suicide prevention curriculum, basic steps for helping suicidal youth, and/or school and community resources that can help youth in crisis

5. Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions

6. Crisis intervention procedures for addressing suicide threats or attempts

7. Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning. (Education Code 215)

If a referral is made for mental health or related services for a student in grade K-6 who is a Medi-Cal beneficiary, the Superintendent or designee shall coordinate and consult with the county mental health plan. (Education Code 215)

(cf. 5141.6 - School Health Services)

District employees shall act only within the authorization and scope of their credential or license. Nothing in this policy shall be construed as authorizing or encouraging district employees to diagnose or treat mental illness unless they are specifically licensed and employed to do so. (Education Code 215)

The Board shall review, and update as necessary, this policy at least every five years. (Education Code 215)

The Superintendent or designee shall post this policy on the district's web site, in a prominent location and in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)
