School Description

Vista Grande Elementary School's Mission Statement: We, the progressive educational community of Vista Grande Elementary School guarantee every student an exemplary and comprehensive education through a personal and collaborative commitment to high standards and achievement.

Vista Grande is a TK-6 elementary school that serves approximately 500 students in the Ontario-Montclair School District. We are an AVID Elementary school that promotes a culture of High School, career, and college readiness. AVID stands for Advancement Via Individual Determination and is the cornerstone of our vision to ensure that all of our students receive an excellent, comprehensive education that will help our students reach their highest academic potential and prepare them for the demands of higher education and the workplace.

Vista Grande is a proud TK-6 AVID Elementary School and fully implements AVID'S mission is to close the achievement gap by preparing all students for college readiness and success in a global society.

AVID Elementary Students:

- Develop academic habits they will need to be successful in middle school, high school, and college.
- Learn about organization, study skills, communication, and self-advocacy.
- Take structured notes and answer and ask high-level questions that beyond routine answers.
- Are part of a school culture that promotes college and career plans.

Vista Grande is also recognized has been recognized as a Gold PBIS implementation site in 2018 and 2019 and received a PBIS Cares Community Award in 2020.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Vista Grande Elementary School has adequate classroom, staff, and ancillary spaces. The portable campus was built in 2004. The multipurpose room was built in 2014. Vista Grande Elementary School has 21 classrooms, a computer lab, a multipurpose room, a library, and an administration building. Vista Grande Elementary also has a Staff Lounge, four staff bathrooms and a separate workroom for teachers with a bathroom, and a covered patio area for approximately 200 hundred students, 5 bathrooms for students around campus and a large playground with basketball and handball courts, and additional playground equipment including tetherball, swings, slides and play apparatus. The teacher work room was renovated in the July 2019 and new carpet and walls were installed. Additionally, 6 classrooms received new student desks and chairs in July 2019. To promote safety, Ontario Elementary School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at the office. All staff members have been provided with district ID badges. Ontario Elementary School offers student supervision before school, during school and after school. Supervision in the mornings is done by administrative team, support team, and noon aides. Recess duty supervision is offered by teachers, and noon aides. Adult noon aides supervise lunch and lunch recess. After school supervision is offered by administration team, support staff as well as teachers.

Ontario-Montclair School District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Ontario-Montclair School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the Ontario-Montclair School District uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office or Ontario-Montclair School District office. The LEA governing board has adopted cleaning standards for all schools in the Ontario-Montclair School District. A summary of these standards is available at the school office or at the Ontario-Montclair School District office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. OMSD participates in the state's School Deferred Maintenance Program, which provides state matching funds in order to assist schools with the expenditures for major repairs and upgrades. Typically, this includes the following: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor, and carpeting. Each year the district matches the required allotment set by the state in order to participate in the deferred maintenance program. No sites in the district were open for in-person learning therefore facilities inspections were not conducted. Inspections will take place once sites re-open for in-person learning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to volunteer in the classroom, attend and help with school events, (such as Open House, Back-to-School Night, parent conferences) and field trips, and get involved in the decision-making process through School Site Council and Parent Advisory School Committees. The School Site Council, English Learner Parent Advisory Committee, GATE Parent Advisory Committee, Special Education Parent Advisory Committee and Coffee with the Principal provide opportunities for parents to get involved with their child's educational experience.

Regular school-to-home communication is provided in both English and Spanish in a variety of methods. Information about current events and school activities can be found on the Vista Grande Elementary School website, flyers, Class DoJo and Twitter account. The school mails important news and announcements to parents at home, uses the school's automated telephone system to contact parents verbally, sends text messages to parents via Blackboard Connect and social media such as Twitter.

Parents who want more information or wish to participate may contact the school Principal, Gina Castillo at (909) 988-2234. There is a job for everyone who wants to get involved!

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Vista Grande Elementary School in collaboration with local agencies and the district office. Components of the plan include: maintenance, security and safety of the physical environment, school climate which addresses disaster procedures and routines, an action plan that ensures a safe physical environment and safe school climate, as well as our school safety compliance that ensures required child abuse reporting procedures, suspension and expulsion policies, due process, notification to teachers about dangerous pupils, sexual harassment policy, school-wide dress code, procedure for safe ingress and egress from school, procedures to ensure a safe and orderly environment and rules and procedures on school discipline. Monthly disaster drills are scheduled and practiced school-wide to ensure student safety procedures. The plan was recently reviewed and discussed with the staff in August 2020. School Site Council last approved the Ontario Elementary School Safety Plan on February 26, 2020.. An approved copy of the school site safety plan may be obtained at Ontario Elementary School's main office or the Ontario-Montclair School District office.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	25	25	25

The Ontario-Montclair School District offers research-based, on-going professional development for certificated, classified and management employees aligned with the district's long-term goals. Professional development is designed to help employees enhance their knowledge and develop needed skills to provide quality services in order to maximize student learning and achievement. Professional development courses and programs are developed and coordinated through the district's Robert Hardy Professional Development Center as well as at each school site. The focus of all professional development is based on the instructional and management priorities outlined in the goals and objectives of our SPSA. Professional development at the site and district levels addresses the new core curriculum state standards, instructional strategies, standards-based instruction, student engagement, English Language Learners, technology, and classroom management. In addition, the district level professional development includes workshop sessions and classroom support for beginning teachers (Induction), courses for teachers working towards their teaching credentials, technology training and classroom support, leadership development for administrators, compliance related workshops and a variety of job-specific and mandated training for classified employees. Each school site is assigned a Director I to provide ongoing support for the principal and teaching staff to ensure that appropriate standards-based teaching is provided for each student.

All Vista Grande teachers are fully credentialed and meet or exceed the NCLB requirements, with some even attaining Nationally Board Certified status. All Vista Grande teachers regularly attend site and district training.

Vista Grande developed site-specific staff development and professional growth objectives and goals. The focus of staff development for 2019-20 and 2020-21 will be achievement in English Language Arts and Math, with an emphasis in writing (Write From The Beginning) and AVID (Achievement Via Individual Determination) and data analysis in reading and math. Vista Grande teachers also participate in tri-annual structured teacher planning time (STPT) in which data based assessment goals are established and instructional strategies are shared. In addition, the STPT culminates with an instructional lesson being developed collaboratively by teachers using instructional strategies that were presented to them such as AVID, close reading, dialogic talk, vocabulary and constructed response protocols.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
