School Description

Serrano Middle School is a high achieving, student-centered school, where all students reach their full potential. We are recognized as an AVID Model Demonstration School, where all students receive rigorous instruction by dedicated teachers utilizing research-based best practices for success in high school, college and career.

Serrano's tradition of rich academic achievement is exemplified by being the top performing Math Department and the largest growing English Language Arts Department in OMSD. Serrano has also earned Top Middle School Attendance for the last four of the last five years.

In addition to high academic achievement, Serrano offers a variety of enrichment courses, such as: Spanish through Art & Culture, Arabic Exploration, String, Vocal and Orchestra Music, Leadership, Drama, Computer Coding, and various athletic teams, which complement excellence in student learning.

Mission Statement:

Serrano Middle School facilitates student success through a challenging learning environment with high expectations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Serrano Middle School is over fifty years old and has adequate space to accommodate all classes, including playing fields and courts for P.E. The school has twenty-eight permanent classrooms, boys' and girls' locker rooms, a staff room and seven portable classrooms. There is a dedicated health office, staffed by a full time Health Aide. There is a multipurpose room, which serves as an auditorium and cafeteria. There is also a covered outdoor eating area and an outdoor assembly area. Serrano has 12 restrooms, all of which are in working order. All classrooms have a Bogen phone system, SMART board, document camera, computers with internet connection and a printer.

Student Safety:

Serrano Middle School maintains a safe and clean environment, both on the school grounds and in the classroom. Select personnel (teachers, administrators, custodial, clerical, CSO, nurse) are issued radios to communicate throughout campus. Students are regularly supervised before, during, and after school hours by staff and administration. All outside visitors are required to sign in at the front office and wear a visitor's identification tag if moving to any other area of campus. All visiting district personnel are required to wear easily viewed identification badges. Every classroom is equipped with a Bogen phone system, which has access to office staff and emergency response agencies. The phone system was upgraded in the Fall of 2019 and works in conjunction with the PA system. We have an OMSD grounds crew here weekly maintaining the grounds and the operations department is here as needed per our work order requests to maintain the facilities.

Cleanliness:

Serrano Middle School makes cleanliness a priority and ensures a cleanly and sanitary environment daily. Each night, Serrano's custodial staff cleans and maintains its facilities in accordance with district guidelines. Custodial staff use the district adopted cleaning products and chemicals to ensure proper safety and sanitation requirements. Serrano's campus and grounds are maintained by both Serrano's custodial department and the OMSD Ground Maintenance and Operations departments. Together we are able to provide a clean, orderly, and safe campus for students, staff, and our families. We have the Grounds crew here weekly maintaining the grounds and the Operations department is here as needed per our work order requests to maintain the facilities.

Maintenance and Repair:

Serrano is maintained in a manner that assures it is in good repair and functional. The administration meets with the head custodian daily and works with the entire custodial staff (3 custodians) to make certain a daily cleaning schedule is maintained so classrooms, restrooms, and the school grounds remain clean, safe, and orderly, and that the floors, walls, and plumbing system are all in good repair. The plumbing system is functional and good repair, with all toilets and sinks in good working condition. Site and district maintenance and grounds staff make sure that the work necessary to keep the school in good repair and aesthetically pleasing is completed in a timely manner. Graffiti is cleaned up and called into local agencies the same day; frequently the response time is within an hour. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

To assist in this effort, the district's Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair, and/or an upgrade. The district uses a facility survey instrument (FIT developed by the state of California Office of Public School Construction to assist with the data gathering during the inspections. All findings are shared with the principal and work orders for needed repairs are created at that time. The results of this survey are available at the school office or the district office. The most recent FIT administration took place on January 2019. Serrano received an overall rating of "Exemplary," with all 8 categories (systems, interior, cleanliness, electrical, restroom/fountains, safety, structural, external) noted as being in good repair. At this time, there is no needed maintenance to ensure good repair.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	48	N/A	36	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Serrano Middle School encourages meaningful parental involvement through programs and services that stimulate student motivation, success, and emotional support. These programs include Serrano School Site Council, English Learner Advisory Council, Awards Assemblies, Fall and Spring student-led conferences, Open House, Back-to-School Night, Parent Focus Nights, Parents as Partners Workshops, Targeted Redesignation Nights, Coffee with the Principal, AVID Parent Nights and New Student Orientation. Parents also have resources at home to help their children academically. Each student (and parent) has access to SchoolLoop which allows each group to regularly monitor academics and attendance. SchoolLoop is also an integral tool for parents, students, and teachers to communicate regularly. BlackBoard Connect is utilized to broadcast general district and school information. It is also used for emergency communications and is tailored for specific group information by language and program status. Home visits have increased to ensure that families are receiving the support services to help students and families be successful.

Parents are encouraged to come on campus and engage with teachers and staff. They are invited to participate in the District and Community Conference and work collaboratively with the principal, assistant principal and staff so that families and students of Serrano Middle School always feel welcome.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Serrano Middle School maintains a safe and clean environment, both on the school grounds and in the classrooms. Students are regularly supervised before, after, and during hours by staff and administration. We greet all students in the morning and they are required to enter through one main entrance. During the day all main gates are locked and students are not allowed to leave campus without being processed by our main office. All outside visitors are required to enter through one entrance that leads to our main office. All visitors must sign in at the office and wear a visitor's identification badge if moving to any other area of Serrano's campus. All visiting District personnel are required to wear easily viewed identification badges. Every classroom is equipped with a telephone, which has access to office staff and emergency response agencies. The phones also serve as a loudspeaker system. An outdoor intercom system is operational, as well as surveillance cameras in high traffic areas. Serrano Middle School utilizes the services of one Campus Safety Officer and one Student Mentor to assist with campus safety, student well-being, and supervision. OMSD partners with the Montclair Police Department to provide schools with additional school safety. In regards to other routines and procedures regarding student safety, we have an Emergency Preparedness Plan that is updated yearly and shared with all stakeholders. Procedures (Drills) in the Emergency Plan are practiced on a monthly basis.

Emergency Drills include:

- Fire: Practice evacuation procedures in case of fire
- Earthquake: Practice drop and cover procedures in the classroom in case of an earthquake
- VIPER: Practice lockdown procedures in the classroom in case of an intruder

Serrano Middle School is currently following all state, county, and district COVID-19 protocols.

Emergency Preparedness procedures in place include:

- RAPTOR Check-in System
- Immediate recognition
- Warning signals

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.2	0.8	
Expulsions	0	0	0.08%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Serrano Middle School professional development is built around both site identified needs and district initiatives. PD for the site is discussed by staff and administrators and is delivered during staff meetings, district workshops, and professional conferences. The 2020-21 school wide focus is on academic vocabulary and reading. Since schools are using online platforms to start the school year, student engagement strategies will be an additional area of focus. Additionally, teams of teachers are trained in data analysis and AVID strategies. All training will ensure the needs of all students (English Learners, Students with Disabilities, and Socio-economically Disadvantage) are considered in the training and met in the classroom. Serrano Middle School utilizes an Instructional Coach to support students and teachers on a dally basis through model lessons, team teaching, and observations and feedback.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
