School Description

Vina Danks Middle School exists to equip our community of learners with the essential academic, communication, and social skills to be influential citizens and leaders, now and in the future.

The goal of Vina Danks is to prepare students to be high school, college, and career ready. The area of focus is to actively engage students in the learning process, across all disciplines, through a variety of cooperative learning experiences, and strategies.

Vina Danks has been recognized as a Gold PBIS School for the 20018 and 2019 school years; furthermore, it earned the Community Cares award in 2020. The "Home of the Bobcats" was also designated as a National Schools to Watch in 2018.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The most recent Facility Inspection done by the districts Operations department occurred in December 2020. The overall rating for the campus was "GOOD".

Vina Danks Middle School was built in 1974, with only the annex building remaining as a legacy of the earlier school built in 1922. The campus has a total of 45 classrooms. In addition, the school has a library, gymnasium, fitness room, computer lab, science lab, AVID tutorial room, ASB room, staff lunch room, and office complex. The school has a large field for student activities and sports. In addition to the outside cafeteria area, there are small picnic table areas located at the northeast and southeast corners of the school for students to sit and socialize during lunch.

The district Information Services Department maintains a content filter for all Internet traffic, including E-mail, in accordance with the Children's Internet Protection Act (CIPA) guidelines. For student safety Vina Danks is a closed campus. The perimeter gates remain closed throughout the day, which maintains limited access to the school when in session. Noon aides and credentialed teachers provide supervision before, during and/or after school. All students enter the school through the front gates each morning. At all other times, parents and visitors enter the school through the office. District employees and substitutes all wear district-issued identification badges. The front gates are closed when school begins and are not opened until dismissal. Students who are checked out early are done so by the front office. All staff members are diligent about being aware of adults on campus at all times. Visitors without visitor badges are escorted to the front office for check in.

Vina Danks is maintained in a manner that assures it is in good repair and functional. The principal works with the custodial staff to make certain a daily cleaning schedule is maintained so classrooms, restrooms and the school grounds remain clean, safe and orderly, and that the floors, walls, and plumbing system are all in good repair. Site and district maintenance and grounds staffs make sure that the work necessary to keep the school in good working order and aesthetically pleasing are completed in a timely manner. A work order process is in use to ensure efficient service and that emergency repairs are given the highest priority. To assist in this effort, the district Operations Department annually conducts an in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair or an upgrade.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: December 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	This was rayed "EXEMPLARY" in the FIT Report.
Interior: Interior Surfaces	Good	Several walls need repair (patch and paint). Work order will be submitted.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	This was rayed "EXEMPLARY" in the FIT Report.
Electrical: Electrical	Good	Minor repairs. Light fixtures (2) need to be replaced. Work order will be submitted.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	This was rayed "EXEMPLARY" in the FIT Report.
Safety: Fire Safety, Hazardous Materials	Good	This was rayed "EXEMPLARY" in the FIT Report.
Structural: Structural Damage, Roofs	Good	Several ramp decks need to be repaired and painted.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	This was rayed "EXEMPLARY" in the FIT Report.
Overall Rating	Good	Average - 97.88%

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	23	N/A	36	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are welcomed as involved partners at Vina Danks Middle School. Parents are active in our School Site Council, Site English Learner Parent Advisory Council, and as volunteers. Parents attend district functions such as Parent Leadership Conference, monthly DELPAC/DPAC meetings and parent education classes. Vina Danks has a school counselor that provides parent workshops and works closely with families to encourage their involvement in our school activities. Attendance at Student Orientation, Back to School Night, Open House, Parent-Teacher Conferences, Coffee with the Principal, and student recognition/performances continues to increase.

Regular school to home communication is provided in both English and Spanish. Information regarding school events and activities can be found on the school's webpage, Twitter account, and through flyers.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan is updated and refined each school year. Procedures for safety and disaster planning are reviewed and implemented by school staff. This took place in August of 2020. The plan is reviewed annually by the School Site Council. SSC last reviewed and approved the plan in February of 2021. The components of the Safety Plan includes school profile, physical environment, School Climate, and Action planning. Areas of this plan are discussed during staff meetings in August and throughout the school calendar year in committees. Final updates and guidelines are completed annually with the guidance of School Site Council.

In addition to the safety plan, emergency protocols and preparedness are also articulated to ensure safety. Detailed evacuation plans are updated and discussed with staff annually. In addition, inventory is taken to replenish and stock emergency food and water. Subsequently, during the school year various exercises and preparations were made to address the protocols. Regular monthly emergency drills are conducted in three areas: Fire, Earthquake and Lockdown/VIPER. Site feedback is collected after each drill and is forwarded to the district in the form of a drill log. In addition, site disaster preparedness teams meet annually to review their role, and address concerns.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.4	7.3	2.4	3.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.7	0.8	
Expulsions	0	0	0.08%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	35	35	

Over the past several years, site professional development has centered on two areas: Learning Targets (development and use), student engagement (cooperative groups and accountable responses), AVID, and PBIS (Positive Behavior Intervention Support). This was determined as a result of student achievement data in Mathematics and English Language Arts. Posting clear short- and long-term learning targets in every classroom help all stakeholders clearly understand the content and concepts that students are learning. In addition, creating learning environments that embody high levels of student engagement is key to quality instruction at Vina Danks. Using Kagan strategies and accountable response strategies as a foundation, we hold students responsible for learning to ensure that “everybody plays.” All Math and ELA teachers receive professional development in their respective area throughout the year. In addition, Vina Danks staff has also received professional development in the development of MTSS (Multi Tiered System of Support) and SEL (Social Emotional Learning). Professional development is delivered in a variety of methods. Workshops, conferences, and after school meetings are the typical methods used. However, non-school days have also been used, as well as online seminars. Professional developments are supported by coaching support, follow up meetings, and additional time for implementation. Progress monitoring is consistently done to provide any additional support if necessary.

Types of Services Funded

All students at Vina Danks receive standards based common core instruction at their appropriate grade level. Intervention support is designed through a Multi Tiered System of Support for students in Math and ELA. Progress monitoring data is used to modify instruction and placement on an ongoing basis. Teachers regularly examine student work samples and data at department and staff meetings to ensure that students are mastering standards. The SST process is used to identify, monitor, and provide appropriate interventions for students at risk.

State education funding provides instructional support in the form of an Instructional Coach (TOA) to coordinate intervention services, provide instructional support, and assist with progress monitoring. Additionally, funds are used to provide intervention programs for students who are at-risk and support extra curricular clubs and activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
