Hello OMSD parents/families:

As previously announced, the Ontario-Montclair School District (OMSD) has a possible return to school date on **Monday, April 5, 2021**, in a hybrid model (dependent on infection rates being at least in the Orange, or Tier 3, and providing ample time/evidence of vaccine access to the staff of OMSD).

As we proceed closer to in-person instruction, please remember our plans in OMSD must be nimble and adaptable so we can adjust and update our efforts as needed, as the public health landscape continues to evolve and further improve. A safe return to in-person blended learning will be made based on current conditions and the start date may be modified.

The District is now asking parents to participate in a Google survey to identify their preferred learning options (including blended in-person and online only). Please complete this important survey for each student **by March 3, 2021**. This information will assist school site administrators to begin the scheduling/planning process.

To participate in this important survey, [please click here](#).

Sincerely,
James Q. Hammond, Ed.D.
Superintendent
