Campaign Of Excellence

Nomination Form for Ontario-Montclair School District Models of Excellence

In 2014, Ontario-Montclair School District began a “Campaign of Excellence” initiative to promote educational excellence within the Ontario-Montclair School District (OMSD) and its communities. The Mission of the Campaign is to identify alumni of the District who continue to make a positive impact on our District and the communities we serve by exemplifying excellence.

The District believes it is necessary to deliberately recognize and celebrate individuals who go above and beyond to give back to the OMSD community and, more importantly, serve as role models for our students so they, too, may realize their potential and become successful leaders within our communities.

Research shows that high expectations, positive role models, strong student-teacher relationships, and believing students will succeed have a direct positive impact on students' academic success and in building a strong community. With this end in mind, we are seeking nominations.

The honorees will be recognized by the OMSD Board of Trustees through a Board adopted Resolution and a celebratory gathering. Additionally, the District will run a campaign highlighting these exemplary individuals throughout the District. This includes displaying pictures at their previous school sites of attendance and invitations to visit school sites to share their story.

The qualifications to be recognized as a Model of Excellence:

- *Must have previously attended an Ontario-Montclair School District school.*
- *Must be a productive citizen in good standing.*
- *Must demonstrate community service or a giving back philosophy.*
- *Must exemplify excellence as a Role Model for the students and families of OMSD.*
- *Must be nominated by someone other than self.*

The review committee will make recommendations to the Superintendent/Cabinet and, ultimately, to the Board of Trustees. These recommendations will be based on individuals who best meet the above criteria. As such, please provide as much information as possible for the nominee to help the committee see the merits for the nominated individual. The response to these questions is what the Committee will be reviewing when deciding on best recommendation(s) for Model of Excellence. You may add as much information as needed. You may include additional pages to the nomination, if the space provided does not allow sufficient space. We ask that you indicate which question you are addressing in the additional page. If you have any questions, please contact us at Info@omsd.net.
