#### 2021-22 School Overview

Mission Elementary School is a caring, student-centered learning environment which assures all students a superior education through a partnership between school and community. The staff at Mission is a dedicated group of professionals who are committed to providing a quality education in a motivating supportive atmosphere. We believe that learning is an ongoing process which begins at home, is supported and encouraged at school, and continues throughout a lifetime. We believe that every student will develop a positive self-image, a sense of self-discipline, respect for other people, academic independence, and effective communication skills. During the school day, teachers involve the students in many different activities, utilizing a great variety of strategies to ensure that all students learn, and to provide a rich and supportive classroom experience. A variety of other programs and services are offered at Mission. Students will have the opportunity to participate in our after-school program, outdoor education, and extended learning opportunities.

#### Vision

Mission Elementary School cultivates collaboration among staff, students, parents and the community to provide a safe, supportive environment where students will become proficient or advanced in all academic areas.

#### Mission

Mission Elementary School guarantees each student a rigorous, comprehensive, standards-based education.

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  - Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <u>https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</u>

#### 2019-20 Teacher Preparation and Placement

2019-20

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

### 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. At the time of publishing, a facilities inspection had not been conducted for the 2020-21 school year as this site was not offering in-person instruction due to COVID-19. A visit will be conducted once the site resumes in-person learning.

### School Facility Conditions and Planned Improvements

The Mission Campus has adequate classroom, staff and ancillary spaces which includes:

- 28 classrooms (sufficient for each class to have its own room)
- A Staff Lounge with bathrooms
- Workroom for teachers
- Two areas for students to eat, a Multipurpose room and covered patio area for approximately 200 hundred students
- 9 bathrooms for students around campus

• 2 separate playgrounds for primary/upper each has its own field and a separate basketball area and grass area. There are no current or planned facility improvements.

To promote safety, Mission Elementary School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at the front desk prior to entering school premises. Visitors must present their California ID, and staff must present their district badges. Mission Elementary School offers student supervision before school, during school and after school. Supervision in the mornings is done by the administrative team, support team and proctors. Recess duty supervision is offered by teachers and proctors. Adult proctors supervise lunch and lunch recess. After school supervision is offered by the administration team, support staff as well as teachers.

The district governing board has adopted cleaning standards for all schools in the district and Mission School is maintained in a manner that assures it is clean and in good working order. The principal works with the three-member custodial staff to develop cleaning schedules to ensure all classrooms, offices, and restrooms are cleaned daily, and restroom checks are done periodically throughout the day. Staff and students work together to maintain a clean and orderly school of which all can be proud. The district takes great efforts to ensure that all schools are clean, safe and functional. Site and district maintenance and grounds staff make sure that the work necessary to keep the school in good repair and aesthetically pleasing are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs related to staff and student safety are given the highest priority.

To assist in this effort, the district's Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair or an upgrade. The district uses a facility survey instrument developed by the State of California Office of Public School Construction to assist with the data gathering during the inspections. All findings are shared with the principal and work orders for needed repairs are created at that time. The results of this survey are available at the school office or the district office. The state inspection mandated under the Williams Settlement was last completed August 31, 2021. The report was forwarded to the Superintendent of Schools. No areas of concern or deficiencies were noted by the team.

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
  - Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

### **C. Engagement**

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2021-22 Opportunities for Parental Involvement

Mission has had a long history of strong parent and community relations. Our School Site Council (SSC) is committed to working collaboratively on shared decision making at Mission School. The SSC at Mission School represents the entire school community and must approve the use of school improvement funds, school based coordinated plan, curriculum, budgets, and the multitude of other things needed to provide a successful learning environment for the students. Mission School encourages parents and other members of our community to share their time, knowledge, and abilities, with our students. The Mission SELPAC seeks to inform parents of school and district programs and actively seeks to advise the school staff on concerns that pertain to Mission English Learners. Other than the SSC and SELPAC meetings, Mission School will continue to provide a number of parent workshops throughout the year that will focus on parenting skills, homework, discipline and working collaboratively with the school. Parent workshops are generally offered every Tuesday and Thursday mornings, as well as some Monday afternoons. All workshops are offered in English and Spanish and the school provides childcare to further encourage parent participation. - Other local measures on the sense of safety

#### **Suspensions and Expulsions**

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

#### **Professional Development**

The Ontario-Montclair School District offers research-based, on-going professional development for certificated, classified and management employees aligned with the district's long-term goals. Professional development is designed to help employees enhance their knowledge and develop needed skills to provide guality services in order to maximize student learning and achievement. Professional development courses and programs are developed and coordinated through the district's Robert Hardy Professional Development Center as well as at each school site. The focus of all professional development is based on the instructional and management priorities outlined in the goals and objectives of our strategic and school improvement plans and is based on analysis of student data. Professional development at the site and district levels address the core curriculum, instructional strategies, standards-based instruction, and classroom management. In addition, district level professional development includes workshop sessions and classroom support for beginning teachers (BTSA), courses for teachers working towards on their teaching credentials, support for veteran teachers through the Peer Assistance and Review program (PAR), technology training and classroom support, leadership development for administrators, compliance related workshops and a variety of job-specific and mandated trainings for classified employees. OMSD has several sustained initiatives including NGSS, Wonders, Eureka, QTEL, HSS, and PBIS. Coaches are trained by the district to provide ongoing support at each site to ensure and support the correct implementation in each classroom. All Mission teachers attend Structured Teacher Planning Time meetings with the Site Instructional Support Team to assist in providing the best academic program for our students. Instructional decisions are made based on the analysis of current data from various assessments using, Illuminate, the district's data system.

# Ontario-Montclair School District 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
